WESTERN JUSTICE

Noted Out to Kate Maxwell, the Notorious Bandit Queen, and Her Accomplices, a Wrecking Postmaster—Tragic Ending of a Romantic Career.

CHEYENNE, Wyo., July 23.—James Averill and the notorious cattle queen, Kate Maxwell, were lynched by cowboys Sunday night. The bodies of the "rustlers" and range queen dangled from the same limb of a big cottonwood yesterday morning.

On account of prejudice against the large outfit it has been impossible to convict on this charge, and the rustlers became very bold. Averill and his partner have been very active in thieving.

Twenty men gathered at a designated place and galloped to the cabin of Averill and "Cattle Kate." The rustlers were at home and a peep through a window disclosed the thieves and a boy sitting beside a fireplace.

As half a dozen men rushed into the room, a Winchester was pointed through each window and a command to throw up their hands given.

Kate bade her nephew good-bye and commenced a blasphemous harangue. The horses were led from under the pair while Kate was still cursing.

The Handsomest Lady

In Wellington remarked to a friend the other day that she knew Kemp's Balsam for the Throat and Lungs was a superior remedy as it stopped her cough instantly when other cough remedies had no effect whatever.

J. R. Grinstead, Senora, Ky., says: My

children have sometimes had boils and other signs of blood impurities, with loss of appetite, etc., at which times I have found Swift's Specific a most successful remedy, in no instance failing to effect a speedy and permanent cure.

Swift's Specific is a great blessing to

humanity, says P. E. Gordon, of 735 Broad street, Nashville, Tenn., for it cured me of rheumatism of a very bad type, with which I had been afflicted for three or four years. S S S cured me after I had exhausted everything else.

Russell Myrick, of the firm of Myrick &

Henderson, Fort Smith, Ark., says he wishes to add his testimony to the thousands which have already been given as to Swift's Specific. He says he derived the most signal benefit from its use to cure painful boils and sores resulting from impure blood.

When taken for a few days, potash

mixtures impair the digestion, take away the appetite, and dry up the gastric juices which should assist in digesting and assimilating the food. Swift's Specific has just the opposite effect: it improves digestion, brings appetite and builds up the general health.

A Woman's Discovery.

Her name is Mrs. Luther Lutz." Thus writes W. C. Hamrick & Co., of Shelby, N. C. Get a free trial bottle at Adams' drug store.

RECTAL DISEASES!

Dr. A. E. Elliott's

Method of RECTAL Treatment

PERMANENTLY CURES

Piles, Fistula in Ano, Fissure in Ano, Pruritis, or itching piles and Rectal Ulcer without the Knife, Ligature or Caustery.

Rectal Ulceration is the most dangerous of all rectal maladies, owing to its undermining the system before its victims realize their danger, the absence of pain being due to the scarcity of nerves in that portion of the rectum mostly afflicted.

Pain or weakness across lower portion of back, often referred to kidney troubles, burning in rectum after stool, itching about anus, attended with a moisture caused by discharge from ulcer, constipation sometimes attended with spells of diarrhoea, finally resulting in chronic diarrhoea, when the disease is almost beyond cure, but if not too long neglected may yet be cured; mucous and bloody discharge from rectum, soreness through bowels extending to stomach causing dyspepsia; in females frequently vaginal and uterine inflammation resulting in leucorrhoea and ulceration.
