AYER'S CATHARTIC PILLS

Operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action. They remove the obstructions of the stomach, bowels, liver, and other organs of the body, and, by restoring their irregular action to health, correct, wherever they exist, such derangements as are the first causes of disease. An extensive trial of their virtues, by Professors, Physicians, and Patients, has shown cures of dangerous diseases almost beyond belief, wherever they have failed to yield to the milder influences of curatives. Their certificates are published in my American Almanac, which the Agents below named are pleased to furnish free to all inquiring.

AYER'S Directions for their use in the complaints which they have been found to cure, are in the following languages, viz: English, French, German, Spice Oysters, and Sardines, kept constantly on hand.

MEDICAL SUCCESS

EXTRAORDINARY.

One Hundred Dollars Premium!!!

SEMINAL WEAKNESS,

OR SPERMATORRHŒA,

CLERGYMEN, AND IMPOTENCY

CURED,

After all other Treatment Fails!!

DR. A. GIBSON,

Formerly of New York City, will pay One Hundred dollars for the proof that he ever fails to cure the above named diseases, He will pay the same sum for the proof that any other Physician in the United States treats the same diseases with equal success.

After many years of laborious study and experience, DR. GIBSON is happy in being able to announce to the unfortunate, that he has perfected a system of treatment for the

SPEEDY AND PERMANENT CURE

of the above and other

PRIVATE DISEASES

with all bad effects arising therefrom, including

IMPURITY OF BLOOD FROM WHATEVER CAUSE.

He has succeeded in curing cases in this city, some of whom had expended hundreds of dollars with different Physicians, who pronounced their cases incurable with success, and without receiving the least particle of benefit.

Dr. GIBSON does not boast that he is a member of some College in London or Paris, as perhaps many others do for the purpose of ensnaring the innocent, and who hold out great expectations never to be realized. And what Dr. GIBSON might boast of if this, that he is able to give entire satisfaction to those who repose confidence in his ability and integrity, and that he has perfected an Empirical system of treatment which differs from that of any Physician or Paris, or any patent medicine to equal for the radical cure of sexual weakness, and all diseases originating therefrom, both mental and physical, arising from sexual or secret abuse.

Dr. GIBSON also claims for his new treatment the following advantages over all others yet discovered; and first, the agent used are in no respect disagreeable; he uses no salts of the dark ages, such as Mercury, nor any other deleterious drug; nothing to necessitate change in diet or business hinderance. Thirdly, his treatment is positive and certain in all cases. He stands prepared to go into any public or private hospital in the United States and demonstrate the immense superiority of his new system over any other now known to the world in point of prompt ness, permanency, mildness, safety and convenience to the patient.

Dr. GIBSON is permanently located in Cleveland, and has during the past two years performed many cures of diseases which had for years resisted all other treatment, and to whom he has given the most reliable references in the city.

Medicines sent to any part of the country on receipt of price.

Medicine, March 1, 1862.

Dr. GIBSON:—Having named Leadbo we are personally acquainted with, and know him to be worthy of credit, we would say that for several years while we lived in Medina, they were great sufferers Miss S. has been so badly afflicted that it was with difficulty she was able to walk across the room. Mr. H. B. KNIGHT:—DEAR SIR: We feel it a duty we owe to the public, to state that Marshall's Catholicon is a medicine invaluable for any complaint classed under the head of Female Diseases. We have used your Græfenberg Medicines and have been perfectly satisfied with the result. We would say, that were the price double, we would have them. To the thousands of our sex who are suffering from weaknesses, we would recommend the Catholicon as a sure panacea. It gives health to the system and cures each of the organs of the body to perform their appropriate functions.

MR. HENRY MOULD:—Sir:—From your statement of the Composition of your Cough Candy, I do not hesitate to express my belief that it is well adapted to the purpose for which it is used. I have not tried it, and so decide, but that it is a useful, as it certainly is an agreeable expectorant.

JOHN SWEENY IS HEREBY notified that on the 8th day of January, 1862, Mariah Sweeny filed a petition in the Court of Common Pleas, within and for Cuyahoga county, Ohio, for a divorce from him, and that said petition alledges as the ground for such divorce, that said John Sweeney is now in the Penitentiary for the crime of burglary, of which he was convicted at the February term, 1861, of the Court of Common Pleas of said county, and that said cause will be heard at the next term of said Court.

L. PARKMAN,

Jan2-R79 Attorney.

Simeon Jennings vs. Frederick W. Walker et al. } In the Court of Common Pleas, Cuyahoga County.

THE SAID DEFENDANTS, Frederick W. Walker and George Walker, who reside out of the State of Ohio, are hereby notified that the plaintiff, Simeon Jennings, has filed his petition in said Court of Common Pleas, in which he alleges that on November 24th, 1856, said Frederick W. Walker executed and delivered to him his promissory note for $25,400, payable in seven years from its date, with interest at the rate of ten per cent. per annum payable annually, and George Walker signed said note for the accommodation of said Frederick W. Walker, on the express understanding that in the event of any part on of the interest remaining unpaid more than six months the whole principal should become due, at the option of the plaintiff; and that all of the interest which has accrued on said note remains unpaid, except the sum of $1,700, which has been paid

The petition further alleges that to secure the payment of said note, said Frederick W. Walker, on November 24th, 1856, executed and delivered to said plaintiff a mortgage upon the following described tracts or parcels of land, all situate in the township of Olmsted, Cuyahoga county and state of Ohio, known and bounded as follows, to wit:

Parcel No. 1. Lot No. fifteen of the Walter King tract, so called, bounded north by tract two (in said township,) east by a tract of two hundred acres conveyed to Sheldon Stephens, south by the south line of the Walter King tract, and westerly by the west line of the tract set off and sparated to Walter King, under the name of unknown owners, in a partition suit in the Court of Common Pleas of said Cuyahoga County, in 1858 or 1859, under a petition presented by Henry I. and Albert King, containing about one hundred and twenty-four acres.

Parcel 2. A part of the Walter King tract, bounded north by tract number two east by the north and south road leading through the center of Olmsted, south by the south line of the Walter King tract, and west by a line parall with said north and south road and so far westerl therefrom as to sentence two hundred acres of land, excepting therefrom fifty acres of land, bounded as follows; North by tract No. two, east by said north and south road, south by the south line of the Walter King tract, and west by a line parallel with said north and south road and so far westerly therefrom as to embrace fifty acres.

Parcel 3. The east half of the Walter King tract, bounded as follows, on the north by land formerly owned by E. P. Usher, on the east by the Columbia road, on the south by land formerly owned by James Kelling, and on the west by the north and south road leading through the center of Olmsted.

Parcel 4. Twenty-five acres of land conveyed by Howard & Williams to Stephen Jones, Nov. 26, 1836, being the north half of fifty acres, bounded north by the north line of the Howard and Williams tract, east by a line parallel with the east line of the United States survey that its value as a remedy has been fully appreciated. tract, west by a line parallel with the east line of the Columbia road as to leave just fifty acres between said line and the west line of the tract, south by the north line of said tract, south by an east and west line through the centre of said tract, and west by a line parallel with the east line, and so far from it as to include fifty acres. Said tract being the same conveyed by Nathan Acker and wife to Jasper Keiser, and by Jasper Keiser to George G. Knight.

Parcel 5. A part of the Walter King tract, bounded north by tract number two, east by the north and south road leading through the centre of Olmsted, south by the south line of the Walter King tract, and west by a line parallel with said north and south road, and so far westerly therefrom as to embrace fifty acres.

Parcel 6. Lot number 18, 38, 39 and 40 in the village of Olmsted Falls.

Parcel 10. Part of lot number fifteen in tract number two, in said township, bounded as follows, to wit: south by land formerly owned by Hendricks road, and westerly by the easterly line of the Ganer farm.

The petition further represents that said Jennings has declared his option that because of the interest on said note remaining in arrear more than six months, the principal has become due, and prays that said premises may be sold to pay said note, principal and interest.

The petition further represents that said Frederick Walker having neglected to pay the taxes on said lands, the plaintiff, on the second Monday of January, 1862, purchased them at tax sale, paying therefor $361.85.

The petition also represents that said George Walker claims now to own said premises by purchase from said Frederick Walker, made February 8, 1858.

The petition prays an order for the sale of said premises to pay said note, principal and interest, and the expenses paid for taxes, &c., at said tax sale, and interest and penalty thereon.

The defendants are required to answer said petition by March 24, 1862.
