## LECTURE ON ALASKA SUNDAY EVENING

Rev. S. Hall Young, D. D., of New York, To Be At The Presbyterian Church

On Sunday evening in the Presbyterian church, at 7:30, Rev. S. Hall Young, D. D., of New York will give his special illustrated lecture on Alaska.

Dr. Young has spent most of his long life as the great home missionary to Alaska. A highly educated man who has given his life to this pioneer work, he is one of the most distinguished travelers and home missionaries of America.

In addition to preaching the gospel, he has built churches and hospitals, followed the stampedes to Alaska in Klondike times and has had as many thrills as comes to the lot of only great pioneers.

He built the first Protestant church in Alaska in 1879. He founded missions all through that wonderful archipelago, traversing over 15,000 miles in a canoe.

How is that, boys, for adventure? The boys and men of Mt. Vernon are going to miss it if they do not see Dr. Young's pictures of Alaska.

Women and girls will be just as interested in the pictures of home life in the far north.

A silver offering will be received to be sent to the Alaskan work.  
Dr. Young will preach also at the morning service.

# AUTO THIEF TO BE APPREHENDED SAY OFFICIALS

Officers Claim They Know Man Who Stole Harry Perkins' Roadster

## INVESTIGATION MADE WEDNESDAY MORNING

### Arrests May Be Made Before Friday Night, Says Prosecutor Ashbaugh

"Before tomorrow night, we expect to have the thief who stole Harry Perkins' automobile behind the bars of the county jail," said Prosecuting Attorney Paul M. Ashbaugh Thursday morning.

On Wednesday, Sheriff Mosholder, Deputy Sheriff Lytle and Prosecuting Attorney Ashbaugh were in Columbus making an investigation of the case. The officials announced Thursday that they are on the track of the automobile thieves and expect to make an arrest within a very short time.

It will be recalled that Perkins' automobile, a Buick roadster, was stolen from in front of the Vine theatre the latter part of August. Later, the car was recovered in Newark, and William Beardslee was arrested and charged with driving a stolen automobile.

Beardslee was indicted by the grand jury of the October term of court, but to the officers denied that he stole the machine. He stated that he agreed to keep the machine for another man during the winter months.

Since Beardslee's indictment, it is said, he has given to the officials the names of the persons who stole the automobile from Perkins. With this information, the officials started on a tour of investigation Wednesday.

Prosecuting Attorney Ashbaugh stated Thursday that the two men under suspicion are residents of Condit, but are in another state at the present time. According to the prosecutor, one of the men broke into the postoffice at Condit some months ago.

The Mt. Vernon officials obtained a record of the men from the Columbus police department. It is said, and they claim to have sufficient evidence to cause the arrest of the two former residents of Condit.

While the men are in another state, Prosecutor Ashbaugh was of the opinion that the men would be apprehended and placed behind the bars of the Knox county jail by Friday night.

"Hogs now bring 12 cents a pound," said this man, "and if a man sells one for \$25, it costs him \$30 to raise."

# Look in a Mirror

Are there any lines between your eyes? If so, ask yourself the question, "Why?"

Many people have a constant scowl caused solely by eyestrain.

This is often so disfiguring that it doesn't matter how attractive the person otherwise appears—the scowl spoils it all.

In most cases scowls can be "smoothed" out by relieving the eyestrain.

If you have any symptoms of eyestrain you should let us examine your eyes at once. Don't wait until ugly lines appear between the eyes.
