NEW CHEAP CASH STORE.

THE undersigned would respectfully inform the public that having taken the old and well known stand formerly occupied by FRANKLIN CAREY, on the lower side of the Public Square, which has been newly fitted up, he has opened a NEW STORE, comprising a general assortment of

Staple and Fancy Dry Goods, Groceries, Hardware, Queensware, Boots, Shoes, Hats, Caps, Bonnets, &c., which will be sold exclusively for CASH, as I find from considerable experience it is the only way to sell Goods really cheap. Strictly adhering to this principle, I will sell good articles at much lower prices than they have heretofore sold in this town or county.

Having for the last two years been engaged as Salesman in some of the largest Jobbing and Importing Houses in Philadelphia, I possess great advantages for the purchase and selection of my Goods, and strictly believing in the old adage, that "Goods well bought are half sold," I shall make every exertion in the selection of my Stock to please the public both in regard to price, quality and style.

I will pay particular attention to, and keep a much larger and more varied assortment of FANCY DRY GOODS, for Ladies and Gentlemens' wear, (Ladies especially,) than has heretofore been kept in this place, comprising every article of Dress, both useful and ornamental. I am satisfied that Goods can be sold much cheaper than they have been sold in this place, and all I ask is a fair trial from the people to convince them of the fact. Gallipolis, March 18, 1852-6m

DUFF'S MERCANTILE COLLEGE, THIRD STREET, PITTSBURGH, PA.

Established in 1840. Incorporated by the Legislature of Pennsylvania with perpetual charter.

P. DUFF, principal, author of the "North American Accountant" and "Western Steamboat accountant." Professor of Book-keeping and commercial sciences.

J. D. WILLIAMS, Professor of Commercial and Ornamental Penmanship. N. B. HATCH, Esq., of the Pittsburgh Bar, Professor of MERCANTILE LAW. CHARLES BARTBERGER, Architect of St. Paul's Cathedral, Professor of Architectural, Mechanical and Landscape Drawing. With several able assistants in the Book-keeping department.

It will be found, on reference to any of our city Merchants or Bankers, that the PRINCIPAL of this Institution is the only practical accountant in this city, devoting his whole time, talents and about eighteen years experience. (in keeping books) to teaching this important science. His treatise upon Book-keeping, published by the Harpers of New York, has been sanctioned by the American Institute, and Chamber of Commerce of that city, as the most complete work upon the science extant.

Mr. Williams' specimens of penmanship having taken the FIRST premiums at the last annual Fairs, both in Allegheny and Cincinnati, he is now admitted to be the best Penman in the West.

Persons desirous of being thoroughly and practically qualified for business will find no Institution west of the mountains, offering so many obvious advantages: business men having no confidence in any instructors of Book-keeping but those who have themselves kept books. The Ladies writing department, under Mr. Williams, is in a spacious and elegantly furnished private Parlor, with a separate entrance. Circulars with terms mailed to all parts of the country on application to Mr. Duff at the College. March 18, 1852-1y

I am thankful to old patrons and hope they will continue their patronage. Remember the place, one door below the Public Square. D. N. ALLARD. March 4, 1852-1y

CANCERS & ULCERS CURED.

THE undersigned having associated themselves together for the purpose of Curing Cancers, Ulcers, and Long Standing Sores, of every kind, take this method of informing the public that they are ready to cure all those afflicted with any of the above named complaints who may submit themselves to their care and treatment. We respectfully request all those suffering from the effects of those direful maladies to call and satisfy themselves that a speedy cure is to be obtained. We have effected cures in cases pronounced incurable by the Medical Faculty, and shall be able to satisfy all, before we assume the management of the reality of our ability to cure. Surgical operations will be performed if desired. Let the afflicted suffer no longer, but call and be cured at once. N. B.—Desirous of inspiring the confidence of all disposed to submit to our treatment, we assure them that unless a cure is effected no charge will be made. Mr. Foster may be found at all times at his residence in Gallipolis. REYNOLDS & FROST. Feb. 5, 1852-6m

Another Scientific Wonder!

GREAT CURE FOR DYSPEPSIA! DR. J. S. HOUGHTON'S PEP-SIN!

THE TRUE DIGESTIVE FLUID, OR, GASTRIC JUICE.

Prepared from RENNET, or the fourth STOMACH OF THE OX, after directions of BARON LIEBIG, the eminent Physiologist, and Chemist, by J. S. HOUGHTON, M. D., Philadelphia, Pa. This is a truly wonderful remedy for INDIGESTION, DYSPEPSIA, JAUNDICE, LIVER COMPLAINT, CONSTIPATION, and DEBILITY. Coming after Nature's own method, by Nature's own Agent, the Gastric Juice. It is a powerful solvent, and is dissolved in warm water, or in weak Tea, or in the stomach. It is the chief element of Great Digestive Principle of the Gastric Juice—the solvent of the Food, the purifying, Preserving, and Stimulating Agent of the Stomach and Intestines. It is extracted from the Digestive Stomach of the Ox, thus forming an ARTIFICIAL DIGESTIVE FLUID, precisely like the natural Gastric Juice in its Chemical powers, and furnishing a COMPLETE and PERFECT SUBSTITUTE for it. By the aid of this preparation, the pains and evils of INDIGESTION and DYSPEPSIA are removed, just as they would by a healthy Stomach. It is a strong, and invigorating, curing cases of DEBILITY, EMACIATION, NERVOUS DECLINE, and DYSEPPEIC CONSUMPTION, supposed to be on the verge of the grave. The Scientific Evidence upon which it is based, is of the highest degree CURIOUS and REMARKABLE.

SCIENTIFIC EVIDENCE!

BARON LIEBIG in his celebrated work on Animal Chemistry, says: "An Artificial Digestive Fluid, analogous to the Gastric Juice, may be readily prepared from the mucous membrane of the stomach of the Ox, in which various articles of food, as meat and eggs, will be softened, changed, and digested, just in the same manner as they would be in the human stomach."

Call on the agent, and get a descriptive circular, gratis, giving a large amount of scientific evidence, similar to the above, together with Reports of REMARKABLE CURES, from all parts of the United States.

AS A DYSPEPSIA CURE,

Dr. HOUGHTON'S PEP-SIN has produced the most marvellous effects, in curing cases of Debility, Emaciation, Nervous Decline, and Dyseppeic Consumption. It is impossible to give the details of cases in the limits of this advertisement; but authenticated certificates have been given of more than two thousand successful cures, in Philadelphia, New York and Boston alone. These were nearly all desperate cases, and the cures were not only rapid and wonderful, but permanent.

It is a great STIMULANT and particularly useful for tendency to Bilious disorder, Liver complaint, fever and ague, or badly treated fevers and ague, and the evil effects of Quinine, Mercury, and other drugs upon the Digestive Organs, after long sickness. Also, for excess in eating, and the too free use of acid spirits. It almost remedies health with impotence.

Dr. HOUGHTON'S PEP-SIN is sold by nearly all the druggists in the city and popular Medicines throughout the United States. It is prepared in Powder and in Fluid form—and in Prescription visits for the use of physicians.

Private circulars, for the use of physicians, may be obtained of Dr. Houghton or his agents, describing the whole process of preparation, and giving the authorities upon which the claims of this new remedy are based. As it is NOT A SECRECY REMEDY, no objection can be raised against its use by Physicians in respectable standing and regular practice. Price, ONE DOLLAR per bottle.
