DR. STROBLE'S CELEBRATED PILE LINIMENT.

Internal and External Piles

THIS Liminent has been long used only as the private prescription of an entreent Physician. It has been used in this way more than eight years, during the whole of which time, atthough prescribed in a great number of eases, it has never, in any instance, been known to fail.

Many of the cases which have been effectually cured by this liminent, have been of more than thirty years standing, causing great suffering and producing considerable ravage upon the system. These choosis cases have yielded as roadily to the virtues of this remedy as those of more recent date. Experience warrants the assistance of the second cases which will not be forced to yield before the well-tested powers of this medicine.

Warranted to cure, where the directions are strictly followed. Price 81.
