

June City will soon begin to assume city airs. The good farmers in that vicinity have decided to erect corn cribs for the storage of their corn and it is also thought an elevator may be built by the same people.

The Leader is pretty reliably informed that the grave of Louis Gockermann, the suicide and rapist, had been "tapped." In other words, body-snatchers have robbed the grave, as there was sufficient evidence that the grave had been tampered with.

The Toledo Press Club were burned out of "house and home" by the recent fire in Toledo, but they have been offered shelter in various localities and will be well cared for until a new location can be secured.

Humanity demands reciprocal relations. In the preservation of each is the best good of all. Nations are not exempt from the same law.

With the influence of our proposed electric road and those behind it, both in money and influence, who can say but within a short period the government may be induced to beautify and improve our Fort Meigs site and make it one of beauty to behold and dear to all American people.

Old Blue, of Perrysburg, has had a dream, and saw nothing but wide streets paved with gold, beautiful vistas along the Maumee, electric railroads ballasted with diamonds, etc., etc.

Yes, we know all about the "ruins," etc., but after the advent of the electric road all this will be changed.

The Chicago Inter Ocean, that great Republican newspaper, has not suffered by the recent era of financial depression but has gone right along adding to its foundation stones—a large and substantial circulation—with a stride that under the circumstances is truly wonderful.

The result of this is to place it easily at the head of the list of great Chicago newspapers. It is certainly a good, clean, family newspaper of the highest order.

Yes, Perrysburg certainly wants the electric road, and while a few of our citizens may not have so flattering an opinion of the benefits to be derived therefrom as others may have, we hope no one will place objections in the way.

Don't Tobacco Spit or Smoke Your Life Away. Is the truthful, startling title of a little book that tells about No-to-bac, the wonderful, harmless guaranteed tobacco habit cure.

THE DEACON.

The Perrysburg Catholic Sociable Dramatic Club will produce the drama entitled "The Deacon," at the town hall, Monday, Jan. 29. The following is the

American Beauties. There are American Beauties and American beauties—roses and women—and each pays homage to the other. Our country is noted for its lovely women and brilliant society leaders; and after seeing the portraits of nearly a score of "Society Leaders of New York State," given in Demorest's Magazine for February, one is willing to concede that the Empire State can hold its own for the celebrity and beauty of its women of wealth and culture, for these portraits form a charming collection of typical New-World women that everyone will find pleasure in possessing.

Then everybody will be interested in the account of "How Great Newspapers are Printed," with its numerous illustrations, and the daily newspaper will acquire new interest after having read about how it is made. "Shall Incomes be Taxed?" the live question of the moment, is discussed by Chas. A. Dana, Henry Clews, Ernestus Wilman, Howard Gould, Hugh O. Pentecost, Thos. F. Gilroy and Samuel Gompers, and there are several excellent stories. It is distinctively a "live" magazine, and is published for only \$2 a year, by W. Jennings Demarest, 15 E. 14th St., New York.

La Grippe. During the prevalence of the Grippe the past seasons it was a noticeable fact that those who depended upon Dr. King's New Discovery, not only had a speedy recovery, but escaped all of the after effects of the malady. This remedy seems to have a peculiar power in effecting rapid cures not only in cases of LaGrippe, but in all diseases of Throat, Chest and Lungs, and has cured cases of Asthma and Hay Fever of long standing. Try it and be convinced. It won't disappoint. Free Trial Bottles at A. R. Champany's drug store.

S. P. SMITH, of Towanda, Pa., whose constitution was completely broken down, is cured by Ayer's Sarsaparilla. He writes:

"For eight years, I was, most of the time, a great sufferer from constipation, kidney trouble, and indigestion, so that my constitution seemed to be completely broken down. I was induced to try Ayer's Sarsaparilla, and took nearly seven bottles, with such excellent results that my stomach, bowels, and kidneys are in perfect condition, and, in all their functions, as regular as clock-work. At the time I began taking Ayer's Sarsaparilla, my weight was only 129 pounds; I now can brag of 159 pounds, and was never in so good health. If you could see me before and after using, you would want me for a traveling advertisement. I believe this preparation of Sarsaparilla to be the best in the market to-day."

Ayer's Sarsaparilla Prepared by Dr. J. C. Ayer & Co., Lowell, Mass. Cures others, will cure you.

When Baby was sick, we gave her Castoria. When she was a Child, she cried for Castoria. When she became Miss, she clung to Castoria. When she had Children, she gave them Castoria.

A recent ruling of D. G. Edwards, General Passenger Agent of the C. H. & D. R. R. will be gladly received by the people of Perrysburg. This ruling places ten ride tickets on sale at the same rate and limit as the former 30 ride tickets, which is a very reasonable rate and places them within the reach of all. Passenger Agent Edwards is making every effort possible to accommodate the patrons of the C. H. & D. system.

STRICKEN DEAD.

TRUSTWORTHY STATEMENTS. A recent New York dispatch reads: "James C. H., a fine looking and apparently healthy man, was observed to stagger while walking on Fifth Avenue this afternoon, and after taking one or two uncertain steps fell to the sidewalk. When picked up he was dead. A physician examined the body and pronounced heart disease the cause of death. A peculiarly sad feature of the case is that Mr. H. was on his way to Maine, to settle in the home of his 70th year. He had passed the previous ten years in the western mining country, and had amassed a fortune. If you have any of the symptoms given in the following testimonials you should lose no time in seeking relief. From John L. Roberts, Statington, Pa.: "I have suffered with palpitation, irregular action, fainting and smothering spells, pain in shoulders, side, and arms for over forty years. For twelve years have been treated without avail by prominent physicians in my neighborhood and in New York. Growing constantly worse, smothering spells followed one another, so my life was often in danger and I needed constant care. As my son had been cured by Dr. Miles' New Heart Cure, he sent me three bottles. The first dose gave me instant relief. Before using the last bottle I was completely cured. Although seventy-five years old I feel twenty years younger. I claim my cure to be almost a miracle." Here is a letter from Mrs. John Kolges, of Cleveland, O.: "I had been troubled with my heart and stomach for years, but for sixteen months had been confined to my bed. I had four of the best doctors in the city, but none of them could benefit the weakness of my heart. I also had dropsy and rheumatism. I never took medicine that relieved me at once as Dr. Miles' New Heart Cure does. I am much stronger. My appetite is splendid. I gain strength with every dose. I have gained more in six weeks from your treatment than in sixteen months from all the doctors." "Dr. Miles' New Heart Cure for the Heart is sold on a positive guarantee by all druggists. It is safe, effective, agreeable, and does cure." Dr. Miles Medical Co., Elkhart, Ind.
