Bible school Saturday at 9:00.
The Auxiliary of the Luther League meets in the basement of the church Thursday afternoon, June 13th.
Everybody welcome at all meetings.

METHODIST EPISCOPAL CHURCH.

Rev. Daniel Carter, Minister.
Services Sunday, June 9th:
Sunday school at 9:00 a. m.
Public worship at 10:30 a. m.
Public worship at 7:30 p. m.
Epworth League at 6:30 p. m.
Sermon subjects, "Borrowed Clothes" and "A Character, Career, Cross, Crown."
Prayer meeting Thursday evening at 7:30.
Sunday school board meeting after prayer meeting.

PRESBYTERIAN CHURCH.

Rev. Wm. H. Pheley, Minister.
Services for Sunday, June 9:
Sunday school at 9:30. Lesson study, "Jesus Faces Betrayal." Mark 14:1-12. Superintendent W. H. Roose expects every member to be on time. Children's Day will be observed on June 16th. Everybody welcome.
Morning worship and sermon at 10:30. Dr. W. H. Pheley will preach. There will be no evening service except that of the C. E.'s.
Senior Christian Endeavor meeting at 6:30. Topic, "Progressive Christians." 2 Peter 1:1-11. Everybody invited to this service.
Business meeting and social hour Friday evening at 7:30.
Prayer and praise service Thursday evening at 7:30. Your home and personal prayers count greatly, but these are times when united prayers are required. There are special promises for those who unite together in prayer. Be sure of a most helpful hour. All are cordially invited. These times are calling you.

RECOVERS RING AFTER 10 YEARS.

Ten years ago a resident on the Maumee pike, near Woodville, Mrs. Samuel Hayes lost her wedding ring, when she threw out some dish water.
Last week, while searching for fish worms, the ring was found. Mr. and Mrs. Hayes celebrated their silver wedding anniversary Saturday and the ring was returned to Mrs. Hayes on this occasion.

Sour Stomach.
This is a mild form of indigestion. It is usually brought on by eating too rapidly or too much, or of food not suited to your digestive organs. If you will eat slowly, masticate your food thoroughly, eat but little meat and none at all for supper, you will more than likely avoid the sour stomach without taking any medicine whatever. When you have sour stomach take one of Chamberlain's Tablets to aid digestion.

Near Michigan Street.
Special care will be taken with the repair of all kinds of Watches, Clocks and Jewels.

MEMORIAL DAY

Celebrated in Perrysburg With Appropriate Ceremonies.

Perrysburg's patriotism was demonstrated on Decoration Day by her citizens laying aside all other duties and paying their respects to the memory of those heroes who entered the service of the country when its life was imperiled by rebellion.

In the morning a band concert was given by the Maumee band from 9 to 10 o'clock, after which the procession was formed and marched to the Ft. Meigs cemetery where a program consisting of music and speaking was given.

Col. E. L. Kingsbury, as marshal of the day, in a very appropriate speech introduced Mayor Canfield. The mayor made a pleasing speech in which he introduced the speaker of the day, Hon. E. G. McClelland of Bowling Green, judge of the common pleas court. The judge made a very pleasing address well calculated to inspire his hearers with a high degree of love and respect for the soldiers whose graves were to be decorated in loving remembrance of their great sacrifice for home and country and to instill into the heart of all loyal citizens a determination that what those departed heroes had done to save the country from the curse of slavery and the disruption of the union by secession, should not be lost at this time to the foreign foe that is now pounding at the door of American Liberty and Freedom. The judge made no attempt at oratorical effort but sought by plain, comprehensive language to thoroughly impress his audience with the great duty that now confronts every American citizen. His was an address that not only spoke of love and remembrance for the departed, but inspired the living with a greater loyalty to country; a more steadfast determination to stand firm for the right and fight on until victory again crowns the glory of American arms.

The procession was the largest Memorial Day pageant seen in Perrysburg for many years, consisting of Red Cross workers, and several fraternal organizations, Boy Scouts and a large number of school children.

Perrysburg and every person who participated in the ceremonies may well feel proud of the event.

Perrysburg still retains the old-fashioned custom of an all day celebration and therefore a program was given in the afternoon at the town hall.

The audience was very pleasingly entertained with music and a splendid address given by Rev. Dr. Carter of the Methodist Episcopal church of Perrysburg. We regret that space forbids our giving any part of the splendid address which was highly complimented by the audience.

Whooping Cough.
In this disease it is important that the cough be kept loose and expectoration easy, which can be done by giving Chamberlain's Cough Remedy. Mrs. P. H. Martin, Peru, Ind., writes: "My two daughters had whooping cough. I gave them Chamberlain's Cough Remedy and it worked like a charm."

AGRICULTURAL NOTES

Young Plants Impaired by Flea Beetles.

Newly set plants of tomatoes, pepper and egg-plant, young potatoes and some other garden crops are being attacked with great severity by flea beetles, at this time. The first indication of injury is the appearance of innumerable tiny holes in the foliage. These holes are no larger than the lead of a pencil and when the plants are carefully examined a minute black beetle is to be found.

The best remedy for the flea beetle is spraying with a combination of Bordeaux mixture and arsenate of lead which is made as follows: Dissolve one ounce of copper sulphate in one-half gallon of water. In another half gallon of water mix 1½ ounces of hydrated lime and 1 ounce of arsenate of lead powder or 2 ounces of arsenate of lead paste. Mix the two solutions together and apply with a hand sprayer. Use only freshly made spray since the use of a mixture hours old is likely to injure the plants.

GET AFTER THE KAISER BUGS

The pink and green potato aphid is again present in southwestern Ohio, where it caused much damage to potatoes and tomatoes last year. Growers in this section are preparing to use a tobacco spray in time to prevent the injury this year.

The spray sold in the form of nicotine sulphate is the best treatment for all plant lice on garden crops, says T. H. Parks, extension entomologist of the Ohio State University. When it comes in contact with the bodies of the plant lice it kills them in from one to four hours. It is best to use a little soap in the spray to make it stick to their bodies and spread over the plant. Use 1½ teaspoonsful of the nicotine sulphate and 1 cubic inch of laundry soap dissolved in soft water. This must be applied with good pressure and to the under side of the leaves. The lice cannot be killed unless the spray comes in contact with their bodies.

STEAMER S. C. REYNOLDS.

Many Perrysburg people will remember the name of the steamer S. C. Reynolds which was one of the Wabash or Lake Erie transportation company's steamers in the days when Captains Frank Wetmore and Henry Root were in the marine service.

The Reynolds was the first steel steamer built by the company and was brought out on her maiden trip by Capt. Frank Wetmore. When the Gould was later built, Capt. Wetmore hoisted the commodore's flag from her masthead and Capt. Root was placed in command of the Reynolds.

Both of the captains have long since made the "great voyage," but their many friends still remember them and will be interested in knowing that the steamer Reynolds was transferred to ocean service on account of the war; that her name was changed to the McCullough and that she was recently torpedoed by a Hun submarine and is now resting on the bottom of the Atlantic.

A healthy man is a king in his own right; an unhealthy man an unhappy slave. For impure blood and sluggish liver, use Burdock Blood Bitters. On the market 35 years. \$1.25 a bottle.

FOR SUPREME JUDGE.

Judge William F. Duncan of Findlay has announced his candidacy for the Republican nomination for judge of the supreme court of Ohio. He is now serving his sixteenth year as judge of the court of common pleas and has an enviable reputation as a jurist in northwestern Ohio.

Judge Duncan is well and favorably known in Wood county where he will receive good support.

Has a Good Opinion of Chamberlain's Tablets.

"Chamberlain's Tablets are a wonder. I never sold anything that beat them," writes F. B. Tressey, Richmond, Ky. When troubled with indigestion or constipation give them a trial.

H. S. COMMENCEMENT

\$1200 Way Scholarship Drawn By Arthur McIntosh

The high school commencement last Friday night was the happy climax of a very active school year. Possibly never in the history of Perrysburg schools were so many things accomplished as in this past year.

In the first place, we all rejoice that the high school is now in the new building, with all new equipment and furniture. Beside the usual equipment of the old type high school, we now possess very complete outfits in domestic science and manual training. This helps P. H. S. to be very up-to-date. As a reward for this efficiency, our school was admitted into membership in the North Central Association of Colleges and Secondary Schools. This gives our H. S. graduates compulsory recognition in any college in the 22 north central states. It is no longer necessary for Perrysburg boys and girls to attend a Toledo H. S. to be able to enter the large colleges in good standing.

Secondly, the school has done much to equip itself from the receipts of its special activities. From the receipts of the athletic activities, four shower baths were installed and have been used all year. Also a gallery was built in the gymnasium by the manual training boys. This makes it possible to comfortably accommodate the people who attend the basketball games.

Besides the above, the school purchased a mimeograph for the office, an 18-inch blade paper cutter, 18 folding chairs; the eighth grade purchased a piano; the seventh grade a book case and a small library, and best of all the school bought two Liberty Bonds.

Thirdly, the school is developing its own talents. The high school has two very efficient programs every two-weeks throughout the year, ending with an excellent inter-society contest. There were further organized a school orchestra, which played not only for many local programs but also at Bowling Green twice, two H. S. Glee clubs, a male quartette, and a mixed quartette. Perrysburg won first place in both groups in the district declamatory contest held at Rossford. Vernon Sprague won second place in the county oratorical contest, and P. H. S. won second place in the county athletic meet. Much recognition was thus gained for P. H. S.

The week of commencement activities began Sunday night with the baccalaureate sermon at the M. E. church, preached by Dr. W. H. Pheley. He took as his subject "the motto of the class, 'Loyalty.'" The topic was wonderfully well developed and graciously received by all present.

The climax of the entire year was finally reached at the commencement exercises last week. The H. S. auditorium was crowded all three nights. Not only did the receipts make commencement self-sustaining, but left a balance sufficient to purchase at least a hundred folding chairs for the auditorium, which are always in demand at most programs.

Wednesday night the H. S. presented a patriotic play entitled, "Claim Allowed." It was a brilliant success. Many of the audience were so touched that they alternately laughed and wept. Its success has prompted its repetition for the Red Cross, Wednesday night, June 5th.

On Thursday night, the eighth grade, instead of its regular commencement, presented an operetta, "A Disagreeable Princess." This made such a "hit" that many requested its repetition but circumstances did not permit. The beautiful music, acting, and costuming kept the audience in rapt attention, in spite of the extreme congestion and heat.

Then, Friday night the week's activities came to a very fitting close in the H. S. commencement. The local H. S. furnished its own music, which was well rendered, and the address was delivered by Dr. S. K. Mahon of Toledo. He delivered a powerful address on "The Trophies of Youth, Become the Safeguards of Manhood," and (Continued on page 8.)

COMPLETE DIRECTORATE

Citizens Banking Co. Elects Officers and Directors.

The death of two of the board of Directors of the Citizens Banking Company of Perrysburg necessitated the election of two Directors as well as the selection of two of the Directors to fill the offices of President and Second Vice President, made vacant by the death of Mr. J. Davis and Mr. D. K. Hollenbeck.

The bank officers are:
Norman L. Hanson, President
David Main, First Vice Pres.
George Munger, Second V. Pres.
R. R. Hartshorn, Cashier
The board of Directors now consists of the following:
Edward L. Blue.
J. E. Dunipace.
A. C. Fuller.
Norman L. Hanson.
R. R. Hartshorn.
David Main.
George Munger.
H. H. Sargent.
A. J. Witzler.

WON FIRST GAME

Large Crowd of Fans Witness On-sight.

Perrysburg's new ball team made a good showing Sunday before a large enthusiastic crowd of ball fans by defeating the Murphy Semi-Pros.
From the start they held their opponents and in the fourth inning began to count runs. At the end of the ninth inning Perrysburg marched off the field to the tune of 7 to 0.

Manager Harper was well pleased with the turnout and hopes to have an equal audience next Sunday.

If you like to see real baseball boost your home team and attend the game in your own town.
Game every Sunday

—Owing to the fact that all committees of Red Cross workers have not made report, it will be impossible to publish a complete report of the drive until next week.

Cholera Morbus.
This is a very painful and dangerous disease. In almost every neighborhood someone has died from it before medicine could be obtained or a physician summoned. The right way is to have a bottle of Chamberlain's Colic and Diarrhoea Remedy in the house so as to be prepared for it. Mrs. Charles Eneyart, Huntington, Ind., writes: "During the summer of 1911 two of my children were taken sick with cholera morbus. I used Chamberlain's Colic and Diarrhoea Remedy and it gave them immediate relief."

WHO WILL HELP?

War Savings Committee Asks Perrysburg People for Assistance.

My Dear Editor:—As you have been informed through a recent news story, June will be dedicated to three special War Savings Campaigns. These are scheduled as follows:

June 3 to 15—Bi-partisan political canvass.
June 17 to 22—School Sammy Million Dollar Week.

June 24 to 28—National War Savings Pledge Week, terminating on June 28 with National War Savings Pledge Day, to be proclaimed by President Wilson.

Ohio hopes to "see light" at the end of June. Results of these campaigns should show whether or not Ohio soon will take its quota of War Savings Stamps. To accomplish the work desired, we must have widespread publicity and the enthusiastic co-operation of every editor in the state. We know that you will be glad to do your best to make this "job" a success in your community. Past assistance proves to us that we will have your future support.

Within a few days you will receive several pages of display advertising, which you can sell to your merchants, business man and patriotic citizens of your community. Use of this advertising, together with such publicity material as you may receive, will be a wonderful help in making possible accomplishment of our aims.

Very truly yours,
OHIO WAR SAVINGS COMMITTEE,
C. E. Dittmer, Publicity Sec'y.

In accordance with the above request an opportunity is now offered any patriotic citizen to help by paying for one of the advertisements mentioned above. Call or phone the Journal at once.

Mayor's Proclamation.

The week of June 24, 1918 is officially designated as War Savings Week by the Secretary of the United States Treasury and the Governor of Ohio. All loyal citizens of this community will accordingly devote a portion of their time during said week pledging that they will save and invest in War Savings Stamps and promoting the sale of these War Savings Stamps in large amounts in this community.

All who are able should pledge themselves to save and invest in United States Government War Savings Stamps the limit which the law permits anyone to hold, namely \$1000 (maturity value) or \$834 present cost value. This amount may be held in the name of every member of a family. War Savings Stamps are the best investment ever offered the people of any nation, yielding 4.27% interest, re-
