THE COUNTRY NEWSPAPER

William Allen White has in Harper's Magazine (May) an article on the Country Newspaper which deserves wide reading. He says in the concluding paragraphs:

Our papers, our little country papers, seems dar and miserably provincial to strangers; yet we, who read them read in their lines the sweet, intimate story of life. And all these touches of nature make us wondrous kind. It is the country newspaper, bringing together daily the thread's of the town's life, weaving them into something rich and strange, and setting the pattern as it weaves, directing the loom, and giving the cloth its color by mixing the lives of all the people in its color-pot— it is this country newspaper that reveals us to ourselves, that keeps our country hearts quick and our country minds open and our country faith strong.

Therefore men and brethren, when you are riding through the vale of tears upon the California Limited, and, by chance, pick up the little country newspaper with its meager telegraph service of three or four thousand words—or, at best, fifteen or twenty thousand; when you see its array of countryside items; its interminable local stories; its tiresome editorials on the waterworks, the schools, the street railway, the crops, and the city printing, don't throw down the contemptible little rag with the verdict that there is nothing in it. But know this, and know it well: If you could take the clay from your eyes and read the little paper as it is written, you would find all of God's beautiful, sorrowing, struggling, aspiring world in it, and what you saw would make you touch the little paper with reverent hands.

NEW EDITOR AT CUSTAR

Mr. A. B. Smith, former owner and editor of the Deshler Flag, has taken charge of the "Custar News," suspended in September by E. A. Norcross.

Mr. Smith retired from the newspaper game some time ago when he disposed of the Deshler paper, but somehow or other he just had to "get back" and is now at his new post as editor and publisher of "The Custar News."

Syrian and Armenian Relief Fund.

Perryburg town and township has been apportioned \$876.00 for the Syrian and Armenian Relief Fund, and the collection turned over by the Liberty Loan Committee to the Womens Committee of the counsel of National Defense. Owing to the short time given us the committee fears that we will not go over the top as we have on every other occasion, unless each one makes an effort to contribute whether solicited or not. Bring or send your money to either bank by Saturday if not called upon. There has never been a more worthy cause. The war is nearly over. Let us not fail at the last! Let's go over the top.

Chairman.

DEATH NOTICES.

Jennie M. Graw, 38, wife of C. B. Graw, died at her home in Jackson, Mich., Monday, February 10, following an operation for troubles of the stomach.

The deceased was a daughter of Mr. Frank Purvis of this place, and the body was shipped here from Jackson for burial.

Funeral services were held at the home of her brother, Charles Purvis, at 2:00 p. m. Wednesday, conducted by Rev. C. W. Weltner. Burial at Ft. Meigs cemetery.

Joseph Armbruster, 78, died at his home near Perryburg at 9:30 Tuesday morning, February 11th, 1919. Death resulted from Bright's disease.

Funeral services were held Saturday at 9:30 a. m. at St. Rose church, Rev. Fr. Keible officiating. Interment at St. Rose cemetery.

Henry Schneider, the deceased, was born near Gibsonburg, Ohio, December 24, 1861. He was baptised in infancy and moved with his parents to Perryburg, Ohio, when but a year old. He was confirmed in the Zoar Lutheran church by Rev. C. F. Kaeding when about 14 years of age. He remained on the farm during his life and was unmarried. He was attacked by a light stroke of paralysis about 10 years ago from which he never fully recovered. Finally other complications set in and he was forced to make his home with his brother, Martin A., for the past six years in order to get proper care and attention. For the past year he has been more or less confined to his bed and has been a patient sufferer until relieved by death, February 3, 1919, at the age of 57 years, one month and 10 days.

He is survived by two brothers, John and Martin A., one half brother, Fred, and numerous relatives to mourn his departure.

Funeral service was conducted by Rev. P. Kleupfel at the home of Martin A. Schneider and interment in Ft. Meigs cemetery.

Miss Sophie Knoll was born in Perryburg, Ohio, December 22, 1849, the eldest daughter of Mr. and Mrs. John Knoll.

She attended the Perryburg schools and later was a teacher in the grammar department of Perryburg and also of the Maumee schools.

She was married to Walter S. Morss of North Andover, Mass., on July 7, 1874, the ceremony being conducted by Rev. G. A. Adams, and started for her eastern home the day she was married. Later they went to Bradford, Mass., where they have since resided.

She leaves besides her husband, Walter S. Morss, three children, Louise, teaching in Boston; Charles and Walter, both holding government offices; also her mother, Mrs. C. Knoll, over 90 years of age, living with her daughter, Mrs. James P. Locke of Toledo, who is a sister of Mrs. Morss; also a brother in San Antonio, Texas; a niece and nephew, George and Louise.

Mr. James P. Locke attended the funeral in Bradford, which was held February 6, conducted by the pastor of the First Congregational church.

Mrs. Morss was a devoted wife and mother, yet always found time for charitable work. She had been untiring in doing Red Cross work. Her cheerful disposition, her charity and kindness will be missed by her many friends and neighbors.

Although her home was far from the scene of her birth and childhood, she ever remembered and loved the old home town.

Many Perryburg friends extend sincere sympathy to the relatives in their sad bereavement.

RED CROSS MEDALS

Continued from First Page.

of service should receive a plain blue ribbon attached to her badge. A woman who has worked 900 hours in six months would receive a plain blue ribbon, and a woman who has worked 2,400 hours in one year would receive one stripe only, in spite of the fact that she exceeded the minimum number of hours by 800. You will notice the service has been figured so that our badge and stripes will correspond to the service stripes worn by our soldiers. It should be carefully noted that service stripes are only awarded for the period since April 6th, 1917. Therefore at the present time it is not possible to receive a ribbon with more than two stripes, indicative of eighteen months' service.

Basis for figuring the National Medal: Eight hundred hours service, 1 medal; 150 pairs socks, 1 medal; 80 sweaters, 1 medal; 100 helmets, 1 medal; 100 scarfs, 1 medal; 200 pairs wristlets, 1 medal.

The local medal has been discarded in favor of all national medals, with a different colored ribbon for the 350 hours service.

Three hundred and fifty hours of service, 1 medal; 65 pairs of socks, 1 medal; 35 sweaters, 1 medal; 45 helmets, 1 medal; 45 scarfs, 1 medal; 90 pairs wristlets, 1 medal.

Red Cross workers of the Perryburg Auxiliary will please hand in their names and number of hours worked to Mrs. M. B. Cook, secretary.
