## PAVEMENT TO BE ASPHALT CHURCH ANNOUNCEMENTS

### Council Lets Contract for High Class Construction.

Bids for the construction of the Fifth street pavement were read at the regular meeting of the council Tuesday night. After some discussion as to whether the street should be paved with concrete or asphalt, the latter was adopted and the bid of the Federal Asphalt Paving Co., of Hamilton, O., was accepted. Work on the street will commence in a few weeks.

### BUS-LOAD OF MAKIN'S

A five-passenger Studebaker automobile was found abandoned on Second street early Sunday morning and upon investigating, Nightwatchman John Amon found it loaded to the gunwales with Tuxedo smoking tobacco.

It was learned the machine was stolen in Toledo some time Saturday and the tobacco was taken from the ruins of a cigar store that burned at Elyria Saturday. No clue to the "dealers" has been found.

### ANOTHER FORD IN BAD

The following clipping from the Maumee Advance-Era explains the situation thoroughly, but since then "The Plot has Thickened" and "The Villian is Still Pursuing Him:"

#### Adopt Peace Terms.

M. U. Jarrett, manager of the local telephone exchange, came into a collision with another machine as he was driving down Conant street toward Perrysburg Friday evening. His car struck amidships another one going east on Broadway. Both drivers got out looked over the damage, discussed the relative blame for the accident, and shook hands and mounted their respective cars and rode on, each agreeing to stand the expense of his own repairs, and each shouldering his share of the blame. It was a regular Damon-Pythias, Alphonse - Gaston climax. Both cars were more or less jammed and wrinkled.

But the story doesn't end here. W. H. Hannah of Tontogany, the owner of the other car, has changed his tactics and doesn't want to remain a Damon-Pythias, Alphonse-Gaston, (maybe because he found that Jarrett's car was a "Ford") and is trying now to claim damages.

Better give him the Ford!

### GONE FOUR YEARS

Orville Hennen, four years ago quit his school studies and attempted to enlist in the navy, but upon being rejected, did not give up hope. He enlisted in Coast Artillery, and was stationed on the Panama canal for about two years. He arrived home on Friday but not alone, having taken unto himself a life's companion, in the person of Miss Sophia Clark, of Baton Rouge, La., whom he married November 12, 1918. They will make their home in Perrysburg, and have the best wishes of a host of friends.

### THE GOOD SHEPHERD RETURNS

Returning again to Perrysburg to resume his place of business, S. L. Shepherd and wife, who once conducted a confectionery and ice cream parlor in the Trombla building, have purchased the same from its late owner, Mrs. H. Honner. Mr. Spherd, too old to bear arms for his country, did the next in accordance with his ability, in securing a position with the government at the Marlin-Rockwell Arms Manufacturing Co. at New Haven, Conn., and has been employed there for the past eight months. War ending, his "bit" finished, he, with his wife, have returned to Perrysburg and will be pleased to meet their many friends.

### RED CROSS

In last week's issue of the Journal there appeared in the Red Cross notes a statement that all women who had worked faithfully at least 20 hours were entitled to a medal. This was an error and should have read 200 hours. Therefore those who wish to make applications for medals should hand in their names together with the number of hours worked, to either Mrs. M. B. Cook or Mrs. E. Fitzgerald before April 15th, the final date when all names must be in at headquarters in Toledo.

MRS. E. FITZGERALD, Chrm. Amer. Red Cross Auxiliary.

### Whooping Cough.

Give Chamberlain's Cough Remedy to keep the cough loose and expectoration easy. It is excellent.

### CIVIC ASSOCIATION FLASHLIGHTS

It is better to wear out than rust out.—Cumberland.

Did you ever find out whether you are real honest or not by going to a mirror and looking yourself squarely in the eye for several minutes?

Nice shade trees and well kept lawns always beautify a town so let us all take notice and wake up.

Did you know that Perrysburg might become up-to-date by owning a chemical fire engine? Let us talk to Mr. George Munger about it.

Let us not be like a colt by acting "fits and starts", but remain steady and work all the time like the Ford.

Do you approve of the banner on Main St? We do.

### BASKET BALL

#### By R. E. R.

The basket ball season closed in Perrysburg last Friday with the high school five pitted against the Ford Plate Glass quintet and the town team versus the strong Broadway M. E. five. The girls played their inter-class games as scheduled, the sophomores and seniors against the freshmen and juniors.

The boys' game with the Rossford five was a good fast contest throughout. P. H. S. played up to their old form in the first half and managed to roll up 30 points to Rossford's 9. In the second half P. H. S. lost the combination of their basket shooting secret and finished up the half with 14 points to Rossford's 16. Total score, P. H. S. 44, Rossford 25.

This was the last game of the season and the last game that Roberts, Johnson and Hartzell will play for P. H. S. They all deserve credit for their good playing and will be missed by the team when it reports for practice next winter. The scoring for P. H. S. and Rossford was as follows:

P. H. S., Captain Thornton, 17; Roberts, 10; Johnson, 12 and Ballantyne, 5. Total 44. Rossford, Carson, 17; Felt, 6; Hineman, 2. Total, 25.

The inter-class games with the sophomores and seniors against the freshmen and juniors was just as expected, a victory for the sophomores and seniors. The teams were not as evenly matched as could be but although the winners had most of the regular players the freshmen and juniors managed to hold them to a reasonable score. Total score was, sophs and seniors, 19; freshmen and juniors, 8. Score at the end of half was 9 and 2.

Scoring was, sophs and seniors, Waggoner, 9; Lowinsbury, 8; Hufford, 2. Total, 19. Freshies and juniors, Doyle, 6; Feneburg, 2. Total, 8.

The town team vs. the strong Broadway M. E. quintet was the best game that the town team has played this season. The Broadway five is one of the strongest teams of Toledo and has defeated Perrysburg in all previous games.

The first half was slow and time dragged very slowly and when the whistle was blown Perrysburg had 4 points to Broadway's 11.

The second half saw new life in the local five and by fast playing Perrysburg managed to cop the second half with a large margin.

Total score, Perrysburg, 26; Broadway M. E.'s, 15. Scoring as follows:

Perrysburg, Nietz, 16; Smith, 8; E. Thomas, 2. Total, 26. Broadway M. E.'s, Minnis, 1; Trautwein, 7; Worst, 4; Schneider, 2. Total 15.

The game was not as clean a game as the people are used to seeing, for on several occasions the players would indulge in a fist fight over practically nothing at all.

Next year the town team will have some new candidates for places on their illustrious five. They are, Roberts, Johnson and Hartzell, three ex-P. H. S. players. These men, all graduate this term and have all expressed their desire to join the town team.
