## LOCAL MINSTREL SHOW HIT OF THE SEASON

### Citizens Take Part in Home Talent Performance—Well Worth the Paltry Sum of Admission

Local citizens, in an endeavor to raise funds for the Civic Association treasury, staged a genuine "Old Time Minstrel Show," at the town hall on Tuesday and Wednesday evenings of this week, and played to a full house both nights.

The chorus was made up of about 35 "well-lamp-blacked" negroes, who lacked nothing from witty remarks to the trusty razor and "de bones."

The old time darky songs, such as: "Massa's in de Cold, Cold Ground," "Old Black Joe," "Carry Me Back to Old Virginia," and others were sung with much sincerity, which brought applause after applause from the audience.

A genuine "Hoe Down," and "Clog Dance," clapped the climax, although a genuine "Nigger Crap Game" scored heavy results on account of the size of the dice.

The end men (comedians) handled their parts to a perfection and the Colored Parson's Sermon on "Jonah Swallowing the Whale," was alone well worth the price of admission.

After hearing the solos sung by many of our prominent businessmen disguised as negroes we begin to think some have missed their callings—they should be on the stage or diverting their voice to public entertainment of some sort.

The chorus as a whole was well selected and had anything beat this side of New York.

If you were unfortunate to have missed this show you missed at least "seven or eleven" years of your life.

## ENTERTAINED IN HONOR OF BRIDE

Mrs. T. R. Shimmons of the Methodist church entertained her Bible class of fifteen members very delightfully at her home on West Front street last Tuesday afternoon in honor of one of the members, Mrs. Stella Carter Kopp, a bride of a few weeks. Mrs. Kopp was presented with a beautiful wedding present given to her by teacher and classmates.

### METHODIST EPISCOPAL CHURCH

W. H. Spybey, Pastor.  
The heart of our Evangelical faith is that we cannot be good alone. We need help direct and real from our Father, God, "through Jesus Christ, our Lord." Sometimes it is well to remind ourselves of the cost to God of this help. While perhaps He could make a million worlds without getting tired, it cost His own heart blood to bring the help that will "deliver us from evil." And without this help we are weak and inefficient in our effort to live lives of moral victory.

Last Sunday's services were well attended in spite of wintry weather and God made His presence felt.

The sermon next Sabbath morning on the subject: "Praying for the Kingdom." At night, "Intercessory Prayer." Also the eighth cycle of the serial "The Son of Democracy." The particular subject is "Down the River." Of course you will want to see it and are welcome.

## COMING AUCTIONS.

Mrs. J. H. Smith, living a mile and a half west and one mile south of Walbridge and one mile north and one mile west of Moline, on the Township Line road, will hold a public sale on Tuesday, February 3, commencing at 10:00 a. m., and will offer three head of horses, three head of cows and a lot of farming implements. Watch this paper for advertisement containing complete list.

John Koerber, living on South Boundary street in Perrysburg, just south of the Fremont pike, will hold a public sale on Tuesday, Feb. 10, commencing at 10 a. m., and will offer a pair of well matched horses and a large number of farming implements. Watch for his advertisement in this paper containing a complete list of all items offered.

### Watering House Plants.

Plants should be watered with a spray, not with a cup or a glass. Those that can be moved should be placed where the water will not damage carpets or floors; those that cannot—such as large ferns or palms—should have something spread on the floor beneath them to catch the water as it drips. The water must be sprayed from above so that all the leaves receive it; this carries off the dust and is the only natural way for a plant to receive water.

## PHS DEFEATS GENOA

By J. H. W.

The P. H. S. boys journeyed to Genoa to play the high school of that town Friday night. After climbing through snowdrifts and pushing the car for a ways we finally arrived there at nine o'clock and gave Genoa a fine little beating. P. H. S. played up to form in the first half and scored 21 points while Genoa scored only three.

They gave the heavy Genoa boys a taste of real basketball and then started a defensive game in the last half.

Genoa came back strong and by playing a very rough game they were able to pile up 11 points to our 4. P. H. S. was not used to playing on cement floors and in the second half were footsore and tired and played a slow game. The final score stood 25 to 14 in favor of P. H. S.

The girls' basketball team played their first out-of-town game at Bowling Green last Friday and were defeated with a score of 26 to 18. The odds were rather against us, but we are confident that Bowling Green will be beaten Friday night when they come here for a return game.

The P. H. S. freshmen won over the Toledo five in a hard and rough game at the High School gym Friday night. They defeated them 28 to 13. The freshmen deserve credit for beating the Toledo five, which is a much larger team than the freshmen.

The town team also won from the Arrows Friday night the P. H. S. gym. The score was 23 to 12.

This Friday night the boys play Genoa high and the girls play Bowling Green and the freshmen play Bowling Green second. Come and see us beat them.

On last Friday afternoon the Athenian Literary Society gave a delightful program which was enjoyed by all. The next program will be given by the Phi Sigmas on January 2. Everybody is invited.

The tests in High School begin Tuesday afternoon and continue till Friday morning.

Many of the High School and grade pupils are absent on account of sickness, among whom are Maribel Conklin, Romayne Hayes and Mary Williams.

### Third and Fourth Grade.

Miss Mary Whitman is taking the place of Miss Leydord, who is ill. The grade is now employed with tests.

### Third Grade.

Martha Fahrner and Minnae Finch have returned after an illness of two weeks.

In the weekly spelling contest the girls were the winners.

We are studying the Eskimos and Northland. The children arrange the sand table to represent the home of the Eskimo.

### FORMER PERRYSBURG MAN'S ABILITY RECOGNIZED.

Merton F. Yeager, Sr., son of Fred Yeager and brother of John Yeager of our city, who has so successfully managed the men's underwear department at one of Toledo's leading underwear stores for the past two years, will accept a similar position at one of the large department stores there. He has become an expert fitter and can handle the regular, short and stout and slims to perfection. He always has calmed Perrysburg as his home and he will be glad to assist his friends from here in any way. Mr. Yeager comes from the old school of clerking and you won't need a search warrant to find him. He is always on the job and willing to serve you. When in Toledo make his department your headquarters and have the service of the finest store this side of New York City.

## Original Herb Co. of Toledo, Locate Here.

Through a deal consummated last week the Original Herb Co. of Toledo became the owner of the Fred Hillbrand building on Front street, on the alley between Louisiana avenue and Walnut street. The company has on the market a number of proprietary medicines said to be of much merit.

Bernard O'Rielly, who occupies the front room downstairs, and the other tenants of the building have been notified to vacate by February 15, and the company expects to be moved in and in operation by March 1st.

The company is said to be well financed and came to Perrysburg without asking a bonus or help of any kind, and they will be gladly welcomed.

There are no doubt other concerns in Toledo which could be induced to locate in Perrysburg if the advantages of the town were properly placed before them.

## COUNTY INSURANCE COMPANIES HOLD ANNUAL MEETINGS.

The Wood County Mutual Live Stock Protective Association held its annual meeting in Bowling Green last Thursday Adam Amos of Portage, and A. G. Stevens, living north of Bowling Green, were elected directors for a term of three years. The directors elected James Hackenbury of Weston president for the coming year. No secretary to take the place of Robert Nixon of Lima City was selected.

Mr. Nixon will soon move to a farm in Lucas county. The annual report showed the company was in excellent condition.

At the recent annual meeting of the stockholders of the Wood County Farmers' Mutual Insurance Association, directors were elected as follows: Steve Morgan, Prairie Depot; Thomas Whitacre, North Baltimore, and Robert Dunipace of near Bowling Green. The six old directors and the three new directors organized by electing Thomas Whitacre of North Baltimore president, and Charles Wright of Scotch Ridge as secretary and treasurer. The annual report shows the condition of the company to be excellent.

The stockholders of the Lima City Farmers' Mutual Fire Insurance Association held their annual meeting at the town hall at Lima City on Saturday, January 17, and the two directors whose terms had expired were re-elected, Wm. Sanders of Millbury and Paul Grenlich of Stony Ridge. John Greiner of Lima City was again elected adjuster and Frank Waggoner re-appointed a member of the auditing committee. The reorganization meeting was postponed till some time in the near future.

## Auditorium, Open Tuesday, Thursday, Saturday, Sunday.

Robert Nixon, of Lima City, accompanied by his father, were in Perrysburg, last Thursday, enroute to Bowling Green, where they attended the annual meeting of the Wood County Farmers' Mutual Protective Association. Mr. Nixon is secretary of the Association.

## VILLAGE TO PROTEST HIGH STREET CAR FARES

### Utilities Commission Set Date of Hearing for Tuesday, February 3rd.

The Maumee Valley put into effect its new fares last Friday.

The fare each way from Perrysburg to Toledo is 20 cents if paid on the car. If you buy a round trip ticket at the station the fare is 35 cents. A strip of ten tickets will now cost \$1.50 instead of \$1.00.

The hearing before the public utilities commission will occur on Tuesday, Feb. 3rd., at Columbus at the same time as the hearing on the abolishment of the freight service, and will be attended by Mayor Canfield and T. M. Franey, President of the Civic Association.

The village, to be in a position to know exactly how many were riding on the cars and so that nothing could be put over on them, placed men on all cars, who took the exact number and the amount of fare paid.

Some of the results were startling. The car leaving here at 6:12 last Thursday morning had on 112 passengers when it reached the Rossford city limits, and upon arrival at the interurban station at Toledo it had carried 147 people. The car will probably seat not more than 60 people.

The village has also gathered other matter to lay before the commission, and in this fight they will be joined by a committee composed of Attorneys W. H. Harris and L. M. Murphy, representing Maumee.

A stiff fight will be put up by the representatives of the two villages against this increase in fare and if the results are not attained it will be no fault of the gentlemen attending the meeting.

## ARTIST SEEKS HOME HERE

Mr. and Mrs. Martin K. Breman of near Cleveland, Ohio, are visiting at the home of Mr. and Mrs. Jos. C. Merton on Hickory street, and if they can find a suitable building site in Perrysburg or a property which is satisfactory, will make this town their future home. Mr. Breman was a former resident of Toledo, but has always admired Perrysburg as an ideal location for a home.

He is very much interested in the scenery about here, having made painting his life work.

Robert Nixon, of Lima City, accompanied by his father, were in Perrysburg, last Thursday, enroute to Bowling Green, where they attended the annual meeting of the Wood County Farmers' Mutual Protective Association. Mr. Nixon is secretary of the Association.
