

He used a pebble in his day, to keep his mouth moist—

WE use WRIGLEY'S

WRIGLEY'S gives us a wholesome, antiseptic, refreshing confection to take the place of the cave man's pebble.

We help teeth, breath, appetite, digestion and deliciously soothe mouth and throat with this welcome sweetmeat.

The Wrigley Spearmint want to send you their Book of Gumption. Send a postal for it today. Wm. Wrigley Jr. Co., 1327 Kesner Building, Chicago.

The Flavor Lasts!

Quite Wet. "That was a fine dry parade yesterday, wasn't it?" "Well, not when it finished."

Ninety-three per cent of the floor of the ocean is devoid of vegetation.

Kidney Disorder (By DR. V. M. PIERCE). The most simple methods are usually the most effective ones when treating any disorder of the human system. The mere drinking a cup of hot water each morning, plenty of pure water all day, and a little Anurie before every meal has been found the most effective means of overcoming kidney trouble.

Electric Chair. He might object to the use of his name, but his initials are F. G. Z. Because he is a salesman he contends he has the right to loaf in various downtown business houses. That is, he thought so until a visit in an electrical shop several days ago. He sat in the accustomed chair for a good rest when a stinging sensation caused him to rise. The clerks had become tired of their visitor and had wired the chair so that the pressure of a button behind the counter would shock the person in the chair. F. G. Z. is careful where he loafs now, especially where he sits.

His Magnificent Memory. "Children," squeaked the ancient man, "I can remember just as well as if it was yesterday, when I was a boy, and beefsteak and potatoes were so cheap that we had 'em at our house most every day, and were always permitted to eat all we wanted of 'em. Oh, I tell ye, I've got a wonderful—ee-hee! hee!—memory!"

The Chinese government is about to open its first aviation school.

"Sympathy is two hearts tugging at one load."—Selected.

CHILDREN'S WORK AT HOME

Well That They Should Be Given Responsibilities Suitable to Their Age and Physical Strength.

A home that is a home is the result of the combined efforts and good will of those who dwell together within the house. In this co-operative enterprise none should be deprived of the benefit which comes from carrying responsibility and contributing to the general good.

ASSERTS MULES LOVE MUSIC

A California Farmer Has His Phonograph Play When He Is Training Them.

The Colorado farmer who gets more milk from his cows by giving them a dash of grand opera and a bit of ragtime on his phonograph is not a pioneer in this novel field of farm efficiency.

George A. Gage of Sutter county, California, claims to be the first "musical farmer."

Opera has made extensive strides during the last century, although its origin is very remote. It came through a gradual course of development from almost the beginning of the Christian era; earliest librettists were such eminent men as Aeschylus and Sophocles, who accompanied their spoken drama with a band of lyres and flutes.

Disgusted Author. There sometimes seems reason for a complaint common among writers of this day that artists do not read the text they are to illustrate.

The Perfect Motor. Willis—Too bad about Bump. He has had his new car only a week and in that time it hasn't broken down or back-fired once, has run like a clock and hasn't used any more gasoline than the catalogue said it would.

Then the Bounce. "You can't order me around," declared the new salesman. "I take orders from nobody."

Relief. Mr. Sprinkly—My friend Jones, who was operated on last month, has at last thrown up the sponge.

PLAN TO SET APPLE TREES NEXT SPRING

There are thousands of farmers at this time who are planning to set apple trees next spring, encouraged by the bountiful crops of fruit of last summer.

First of all, earnestly resolve that you will not plant any of the early varieties, like Duchess and Yellow Transparent. In a good fruit year you may get all you need of these sorts just for picking them up of your neighbors.

APPLES DISPLAYED AT ILLINOIS COUNTY FAIR.

Thirds of our early apple trees were cut out for firewood. The Wealthy is a standard apple for early fall, but unless you have facilities for cold storage do not plant it largely south of the latitude of southern Wisconsin.

Development of Opera. Opera has made extensive strides during the last century, although its origin is very remote.

INSECT PESTS EASY TO KILL IN WINTER

Destroy Trash and Litter Wherever It Has Accumulated—Cut Out Dead Limbs.

(By T. J. TALBERT, Missouri Agricultural Experiment Station.) Take advantage of the bugs in their winter quarters, the remnants of old plants, the trash and litter about the garden and orchard.

SWINE IN ORCHARDS CAUSE MUCH INJURY

Never Safe to Permit Hogs or Cattle Among Fruit Trees Unless Grass Is Plentiful.

The question is often asked, "Is it safe to let hogs run in an orchard?" It will be safe if you will watch two or three important points.

Happy Effort. "Truly a felicitous speech! He has a style—all his own."

OF INTEREST TO MOTHERS. The cost of food today is a serious matter to all of you. To cut down your food bills and at the same time improve the health of your family, serve them Skinner's Macaroni and Spaghetti two or three times per week.

Envy. Bugs—Shucks, here we have to freeze while Mr. Caterpillar has a nice fur overcoat.

Broken Gate Is Inviting. A broken gate invites the stock to enter the field.

Farm Cleanliness Program. Don't let up on your farm cleanliness program.

DO YOU GET UP WITH A LAME BACK?

Have You Rheumatism, Kidney, Liver or Bladder Trouble?

Pain or dull ache in the back is often evidence of kidney trouble. It is Nature's timely warning to show you that the track of health is not clear.
