

4. What is believed to be the reduction in the use of intoxicating liquors since the Law was enacted and enforced?

Ans. "I have good reason to believe that not one fifth the quantity used previous to the enactment of the Law, is now used. In those days, there were at least 300 establishments where liquors were sold. Now there is not one."

5. How is your city agency conducted, if you have any?

Ans. "We have no city agency. It was abolished ten months after the Law went into operation. It will probably soon be restored, and it is hoped will be well conducted."

6. In your observation as a City Missionary, what appears to be the influence of the Law upon the poorer portion of the community?

Ans. "Most salutary. Its value to the poor is beyond human calculation."

I am Affectionally,
Your Brother, T. B. RIPLEY.

A Boston correspondent of the N. York Post, says that Caleb Cushing has presented a claim of \$10,000 against the estate of Daniel Webster, for money lent. The attempt to pay off encumbrances upon the estate of Daniel Webster, by subscription, in order that it may be preserved in his family, according to his last wishes, appears to be finally given up, as demands, against it continually accumulate.

MONEY FOR ALL.

60 DOLLARS per month can be made by engaging in a business which any merchant, clerk, farmer, or mechanic can follow without hindrance to their business. This is no book agency, or anything of that nature. The business is such that failure is impossible. I have received letters from a great many who have availed themselves of this; all of whom speak in the highest terms of it and some say they are making more than sixty dollars per month. It is a permanent business—five dollars capital is enough to commence on. I will forward the above instructions upon the receipt of two dollars, (post paid) addressed to E. STEPHENSON, Box 163, Circleville, Ohio. (May 20 '83)

DYSPEPSIA.

THESE Restorative Pills have been used in private practice, with unprecedented success, for 20 years, they have never before been offered to the public. These Pills remove obstructions, open the natural passages of the fluids of the body—as the pores and lacteal vessels.

THEY ARE WHOLLY VEGETABLE, and perfectly harmless in their effects, instead of weakening and debilitating the patient, (as is usually the case with other Pills,) they give tone to the stomach—strengthening and invigorating both stomach and bowels; and imparting new feeling and energy to every part of the system.

Being wholly vegetable, they are mild in their operation, without griping, or any pain whatever. They are slow in their movement, but thorough in their renovating and restorative characters; and need only be tried to be approved of by all such as are afflicted with the horrible suffering arising from Dyspepsia, or any of the symptoms of a disordered stomach.

THE STOMACH IS THE CENTER OF SYMPTOMS. It is principally supplied with nerves by a large pair proceeding directly from the brain, called the Par

Vagus. These, in their course, send branches to the pharynx and larynx; the oesophagus; the vessels of the neck and heart; the lungs; the liver; the spleen; and the diaphragm.

It is unnecessary to go further than a primary derangement of the stomach, to account for a multitude of distressing symptoms with which many are afflicted, such as:

- Indigestion, Head-Ache,
- Biliousness, Extreme Nervous Agitation,
- Acidity, Giddiness,
- Palpitation of the Heart, Difficulty of Respiration,
- A Sense of oppression at the Stomach,
- the pit of the Stomach, A temporary loss of memory, irritability,
- An incapacity for the slightest Exertion, A Sense of Emptiness,
- Depression of Spirits, Drowsiness,
- Mistiness and Indistinctness of Vision, Pulse lost frequent, and more feeble than usual,
- Cold Hands and Feet, Debility,
- Unpleasant taste in the Mouth, particularly when rising the morning, Extreme Languor and Exhaustion,
- Numbness of the Limbs and other parts, Restlessness,
- Vertigo, Nausea, Emulation and Extreme Debility,
- Dull Heavy Pain and sense of weight in the Head, Costiveness.

Persons purchasing these Pills will be careful to observe that the name of O. HALSTED, (in gilt letters, on black paper,) is affixed as a wrapper to each box; and that NONE ARE GENUINE unless labeled in this manner. For sale by Druggists every where. Principal Depot at BURNETT'S, April, 15. 14 E. Fourth street, Cincinnati.

PRICE, FIFTY CENTS. Persons remitting us \$1.00 in cash, or Postage Stamps, will receive (by mail) two boxes of Pills, FREE OF EXPENSE.

All who order from see this advertisement, will please notify us of that fact. Country merchants can purchase these Pills, from CINCINNATI DRUGGISTS at Proprietors' PRICES.

SAVE YOUR ICE!

TEMPERANCE ADVOCATES ATTENTION!!!

"The only natural wholesome drink for man," can be obtained from BURNETT'S PATENT WATER COOLER.

WE are now prepared to offer our friends and customers a superior article of Water Coolers of entire new styles, at greatly reduced prices. This article is the result of the application of scientific principles to the purpose intended, viz: to keep water as cool as possible, as long as possible, and with the least possible quantity of ice.

The proprietor has long devoted his attention to this particular branch of domestic economy, and passing from one improvement to another, has at length arrived at near perfection as it is possible to reach. A proof of this is found in the very general use of these Coolers in all parts of the country. A simple statement of facts in regard to these Coolers, will satisfy every one of their superiority. First, they are the only article of the kind ever patented.

They are finished with two distinct non-conducting chambers, by means of which, with two pounds of ice to the gallon, water is kept (at a temperature of 40 degrees above zero, or only 8 degrees from the freezing point) all day. Thus at a cost of some five cents per day, a family of ordinary size can be constantly supplied with water as cold as ice itself; larger numbers in the same proportion. This has been found by actual experiment to be a saving of at least seventy-five per cent. over the Earthen Jars, formerly used for this purpose.

Again, these Coolers NEVER SWEAT; in this way saving much unnecessary waste and trouble. Being manufactured in the most workmanlike style, and handsomely finished in every respect, they make a very beautiful ornament for the Dining Room, Hotel or Steamboat.

An important improvement has lately been added to the Cooler, viz: A small Fan (capable of holding from six to eight pounds of Butter) inserted directly under the cover. This quantity of butter can be kept perfectly hard all day, without additional ice, (a very important addition to the economy and comfort of families.)

If desired, the Cooler can also be furnished at a small expense with a FILTERING APPARATUS, which serves the additional purpose of removing all impurities from the water, rendering it perfectly clear and wholesome.

The Cooler and Filter can be seen in operation at any time, at BURNETT'S, No. 14 East Fourth street, Cincinnati.

For sale by the following persons: Louisville, by John Gill, 45 Main street. Columbus, by J. K. Heyl, High street, opposite Franklin Bank.
