Senator Cullom was chosen chairman of the commission and other officials designated. Mr. M. W. Blumenthal, one of the official reporters of the senate, was appointed reporter of the commission. It was decided that the entire clerical force should be composed of employees of the senate in order not to add unnecessarily to the salary roll of the commission. It was impossible to fix a definite time for departure, but Aug. 1 was agreed upon as the approximate date for sailing from San Francisco.
