First Presbyterian Church

Rev. W. H. Pheley, Minister.

The Men's Organized Bible Class has become one of the greatest institutions in the religious life of our day, and is doing a mighty work in advancing the brotherhood of man in all directions that make for their highest welfare.

The object of our organization as expressed in the constitution, is "to cultivate Bible study, develop Christian brotherhood and social fellowship among men."

The membership conditions are broad enough to admit all self-respecting men. The constitution says: "All men, whether members of the church or not, in harmony with the object of the class, desiring to promote the same and will subscribe to the constitution may become members."

There are no dues, except that an offering is taken at the Sunday Bible class meetings.

We invite all men to visit our class next Sunday at 9:30. Come and see.
