

# You Have Lice

Without doubt, if you have chickens.

Thousands of chickens die, because of their being infested with lice.

Dust the chickens with **Hess Louse Killer** and spray the coop with **Hess Dip** and **Disinfectant** and you can keep them comparatively free.

Don't fail to give the little chicks, as well as the grown tows, **Hess Panacea**, which furnishes the necessary tonics and bowel antiseptics to make them strong and healthy.

Panacea 25c and 60c.

Dip and Disinfectant 50c qt., 75c half gal. and \$1.25 per gallon.

One quart of Dip diluted with water makes 17 gallons ready for use.

### THE SUCCESSFUL MAN

says "A look into the future is a wise precaution." You will find that men who have made their mark in life and attained the greatest measure of success were individuals who were foresighted. They knew the advantage to be derived by the judicious saving of a part of their earnings. Why not follow in the footsteps of the successful and open a bank account with a reliable institution?
