

A GLOBE RANGE IS SO CONVENIENT

One feature you'll like is the oven thermometer. This means perfect baking and greatest fuel economy. Then there is the key-plate lifter, that makes broiling and toasting so easy, while good cooks delight in the Crystal Malleable Glass Doors that can be fitted to any Globe Range. The Globe makes other ranges seem clumsy and out of date. But you really ought to see one. You'll at least come in and look, won't you?

The Globe Stove & Range Company, of Kokomo, Ind., also manufacture Globe Base Burners, Globe Soft Coal Heaters and Globe Warm Air Furnaces.

A NECESSITY

Mrs. Collier Says Could Not Keep House Without Black-Draught.

Hardin, Mo.—Mrs. J. W. Collier, of this town, who knows from experience of the merit of Black-Draught Liver Medicine, has following to say for publication: "I want to let everybody know that I have used Thedford's Black-Draught for many years, and it is just what is claimed for it. I am never without Black-Draught, and really I couldn't keep house without it. Whenever I feel bad, I take a small dose, and feel better right away. I advise everybody who suffers from liver or stomach trouble to use Black-Draught Liver Medicine." For three-quarters of a century (75 years), Thedford's Black-Draught has been regulating irregularities of the liver, stomach and bowels, and has long been recognized as the standard remedy. It is a fixture in thousands of homes as the main stay of the family medicine chest.

Better than Pills

YOU WILL NEVER wish to take another dose of pills after having once used Chamberlain's Tablets. They are easier and more pleasant to take, more gentle and mild in their action and more reliable. They leave the bowels in a natural condition, while the use of pills is often followed by severe constipation, requiring a constant increase in the dose. Every bottle guaranteed by your druggist.

Chamberlain's Tablets

CROSSED THE RIVER

Continued from First Page. Auditor. Shortly before the close of his second term, he was chosen cashier of the First National bank of this city. He had held this position for more than ten years and his executive talent resulted in building up the bank's business very greatly. He was interested in many other enterprises.

The funeral was held on Sunday last.

He is survived by his widow and three children and to them the sincere sympathy of the entire community is extended.

Nervous Women.

When the nervousness caused by constipation, as is often the case, you will get quick relief by taking Chamberlain's Tablets. These tablets also improve the digestion. Obtainable everywhere.

Historic Pharaoh's Hobby.

It gives a curiously human and modern quality to the Pharaoh that oppressed the children of Israel to discover, as an American archeological expedition has done, that he was a "collector." In his palace was a room used as a museum, in which he had gathered weapons and ornaments, some of which belong to the stone age.—Youth's Companion.

Danger Signal.

If the fire bell should ring would you run and stop it, or go and help put out the fire? It is much the same way with a cough. A cough is a danger signal as much as a fire bell. You should no more try to suppress it than to stop a fire bell when it is ringing, but should cure the disease that causes the coughing. This can nearly always be done by taking Chamberlain's Cough Remedy. Many have used it with the most beneficial results. It is especially valuable for the persistent cough that so often follows a bad cold or an attack of the grip. Mrs. Thomas Beeching, Andrews, Ind., writes: "During the winter my husband takes cold easily and coughs and coughs. Chamberlain's Cough Remedy is the best medicine for breaking up these attacks and you cannot get him to take any other." Obtainable everywhere.
