THE NEW LIGHT!

J. C. CULVER'S

REFINED PETROLEUM!

SUPPLIES a Necessity, as well as a household luxury and convenience. It has been in use more than two years, and is growing in favor where ever used. It makes the heatest, and in every respect, the best light. No offensive odor, no smoke, no grease to soil garments, no danger from explosion in lamps, does not injure weak eyes, gives a softer light than Kerosene, can be used with or without chimneys, can be burned in any lamp with the trifling expense of changing burners. It is cheaper than any light, except daylight.

There never was a portable light that required so little work to keep it in order. All who use it will endorse what we say.

To Whom it may Concern:

This is to certify that after using in my house the Petroleum Fluid and putting the same to the most right and thorough test, I have no hesitation in saying that I consider the same, safer and cheaper, than any Fluid, or Gas, that I have used for lighting rooms, and further say that the light produced by it for brilliancy and beauty unsurpassed, and therefore cheerfu ly commend the same to all desiring a light in which there is safety and beauty combined.

E. G. GLEASON, Ashtabula, Ohio.

We the undersigned fully concur in the above statements by our own experience in using the Petroleum Fluid.

WM. WILLARD, JOHN FOWLER, S. MCINTYRE, H. HARRIS, P. M. S. S. FULLER,

Particular attention is called to his assortment of

BRONZE STAND LAMPS, CHANDLIERS. & CHAIN HARP LAMPS, IRON HARP and BRACKETS, MARBLE, PORCELAIN and GLASS STAND LAMPS, GLOBES and GLOBE RINGS and SHADES, and everything pertaining to the Lamp trade.

People will save the price of light in breakage of chimneys, by using my Burners and Chimneys, the Ormala Peak Lamp is the best run about light in use. In fact we have the best assortment, and are selling Lamps 10 per cent cheaper than any house west of Buffalo City.

Also constantly on hand the choicest selection of fine Cheroots and Cigars kept in this market.

Also PIPES, POUCHES, CIGAR HOLDERS, CIGAR CASES, TOBACCO BOXES, &c., &c., at the sign of the three white lights.

I have also on hand a large assortment of

CONFECTIONERY.

HALL'S

Vegetable Sicilian Hair Renewer

***Every year increases the popularity of this valuable Hair Preparation, which is due to merit alone. We can assure our old patrons that it is kept fully up to its high standard, and to those who have never used it we can confidently say, that it is the only reliable and perfected preparation to restore* GRAY OR FADED HAIR *to its youthful color, making it soft, lustrous, and silken; the scalp, by its use, becomes white and clean; it removes all eruptions and dandruff, and by its tonic properties prevents the hair from falling out, as it stimulates and nourishes the hair glands. By its use the hair grows thicker and stronger. In baldness it restores the capillary glands to their normal vigor, and will create a new growth except in extreme old age. It is the most economical* HAIR DRESSING *ever used, as it requires fewer applications, and gives the hair that splendid glossy appearance so much admired by all. A. A. Hayes, M. D., State Assayer of Mass., says, "the constituents are pure and carefully selected for excellent quality, and I consider it the* BEST PREPARATION *for its intended purposes." We publish a treatise on the hair, which we send free by mail upon application, which contains commendatory notices from clergymen, physicians, the press, and others. We have made the study of the hair and its diseases a specialty for years, and know that we make the most effective preparation for the restoration and the preservation of the hair, extant, and so acknowledged by the best* Medical and Chemical Authority.

HURD & HOUGHTON'S

LIST OF

Choice Books.

NOTES.—Any book published by HURD & HOUGHTON, 459 Broome Street, N. Y., will be sent by them, postage prepaid, on receipt of the advertised price.

1. BREMER. Life, Letters and Posthumous Works of Fredrika Bremer. Edited by her sister, Charlotte Bremer. Translated from the Swedish by Freda Milow. In one vol., crown 8vo. Cloth, $2.

"We have quoted so much from this charming volume that we have no room for further quotations, but it is a book to be read."—*Examiner, London.*

"The double biography is delightful, chiefly because it shows Fredrika in the bosom of her family, from earliest childhood, and may be said to trace the history of her mind."—*Philadelphia Press.*

2. THE OPEN POLAR SEA. Popular edition. By Isaac I. Hayes, M. D. With nine illustrations on wood, and a map. 1 vol., post 8vo. Cloth, $2.50.—Fine edition, embellished with six full-page illustrations, drawn by Darley, White and others, from Dr. Hayes' sketches; three full page charts; twenty-eight vignettes, and a fine portrait of the author, engraved on steel. 1 vol., 8vo. Price, $3.75; half calf $6.

"What we have said of Dr. Hayes' book will, we trust, send many readers to its pages. The Doctor's heroism is remarkable, and he well deserves to be bracketed with the late Dr. Kane in Arctic honors."

London Atheræum.

3. SKETCHES ABROAD WITH PEN AND PENCIL. By Felix O. C. Darley. With 15 full-paged and 74 smaller illustrations on wood. A new edition with three additional vignettes, and printed on toned paper. In 1 vol., 4to. Price in cloth, $3.50; cloth gilt, $4; morocco, $8.

"Undoubtedly, Mr. Darley is the best draughtsman in the United States; and judging him by what he has here done, he can have no superior any where. His designs are engraved by accomplished artists in the best style of art, and take these, together with his own entirely natural and unaffected description of what he saw abroad, we know of no similar production which we should be willing to recommend so unreservedly."

Boston Courier.

4. OLD ENGLAND; Its Scenery, Art and People.—By James M. Hoppin, Professor in Yale College. 1 vol., 16mo. Price $2.

"This book has the advantage of concisely and emphatically pointing out many comparatively neglected objects of interest and sources of information and pleasure. 'Old England' is just the book for the departing traveler to put in his pocket to refresh his memory and make suggestive his tour."—*Boston Transcript.*

5. ITALIAN JOURNEYS. By William D. Howells, author of "Venetian Life." 1 vol., crown 8vo. Price $2.

"There is no writer of travels in our day so simple, sincere, enjoyable and profitable."—*Brooklyn Union*

"It is not so much what Mr. Howell sees as what he ignores that gives his readers the sense, when they have finished his books, of having been lingering over a charming narrative."—*Boston Post.*

6. VENETIAN LIFE; Including Commercial, Social, Historical and Artistic Notice of the Place. By William D. Howells. 1 vol., crown 8vo. Price, extra cloth, $2.

"It is Venice directly presented to the imagination steeped in its own peculiar atmosphere, so that we see what the writer sees, share his emotions, and are made the companion of his walks, rather than the reader of his pages."—*Boston Daily Transcript.*

"Probably no book of the season has given so much delight as Mr. Howell's 'Venetian Life.' Mr. Howell's has produced a volume which is worthy to stand with Irving's 'Alhambra.'"—*Hartford Press.*

7. REMINISCENCES OF EUROPEAN TRAVEL.—By Andrew P. Peabody, D. D., L. L. D., Preacher to Harvard University. Price $1 50.

"On art, architecture, laws, manners and society, his criticisms are discriminating, kindly and often original; and the volume contains more information, less spite and more solid sense, than many of far greater size and pretension."—*Saturday Review, London.*

8. TWO THOUSAND MILES ON HORSEBACK.—Santa Fe and Back. A Summer Tour through Kansas, Nebraska, Colorado and New Mexico, in the year 1866. By Col. James F. Meline. 1 vol., crown 8vo.—Price $2.

"He is a good traveller, and, combining the disciplined mind of a student with the training of an army officer, is well qualified to give an opinion upon what he observes. His mode of traveling has furnished him with excellent opportunities for careful observation and with great variety of adventure in the prairie."

Standard, New Bedford, Mass.

9. ESSAYS OF ART. By Francis Turner Palgrave, late Fellow of Exeter College, Oxford. 1 vol., 15mo, red cloth, gilt tops. Price $1 75.

"Mr. Palgraves canons of art are eminently catholic, free from any tendency to sectarianism; and, though his examples are confined chiefly to the current emanations of British culture, his motives are general, his reasoning broad, and his style of expression is such as carry the weight of authority."—*Boston Post.*

10. THE ART IDEA; Sculpture, Painting and Architecture in America. By James Jackson Jarves. 1 vol., 16mo, cloth. Price $1 75.

"The volume deserves the careful study of intelligent amateurs of art; and, whatever differences of opinion it may call forth, its details will be found of rare interest and full of instructive suggestions."

MRS. S. A. ALLEN

MRS. ALLEN'S

Hair Restorer & Zylobalsamum

Are so uniformly grateful and beneficial, that they are with justice called the natural strengtheners of the human hair. They are two entirely separate and distinct preparations, not to be used together at one time.

Mrs. Allen's Hair Restorer

Never fails to satisfy the most refined and cultivated. A guarantee goes with every bottle, that it will quickly restore gray or white hair to its original youthful beauty, gloss and color; after its use a few times the hair will grow thicker and stronger. It will stop its falling and induce a healthy and luxuriant growth. It is an exquisite hair dressing, agreeable, harmless and healthy. Entirely different from most other preparations for the hair, its composition and ingredients are nourishing, giving life and vigor to the Roots.

Mrs. Allen's Zylobalsamum

This exquisite preparation is free from any sediment, and is a toilet treasure. The urgent want of a simple Hair Dressing, for the youth of both sexes, first induced the manufacture of the Zylobalsamum, and the sale of it is perfectly immense, not only in this country, but in Europe.

EXTRACTS FROM A FEW LETTERS.

"Your Zylobalsamum is used by every member, young and old, of our family, and we consider it invaluable. Should any gray hairs appear, we shall try your Hair Restorer, which we hear very highly spoken of."

"Father and mother use your Hair Restorer, and are delighted with it. It soon restored their gray locks to their youthful color, but daughters and son still find in the Zylobalsamum all their hair requires."

From the Principal of one of our large Female Seminaries: "Your Zylobalsamum has been used for many years by myself and family, and is the favorite among our young ladies."

TO THE MUSICALLY INCLINED IN ASHTABULA COUNTY!

GEORGE HALL

No. 22, Public Square,

CLEVELAND, OHIO,

BEGS leave to say to his old acquaintances & patrons that having become now permanently located in this city with a large & growing trade in Pianos, &c., the reward of a quarter of a century of patient unremitting industry, supported by a strict adherence to an undeviating system of fair dealing, and having the ability now, by having constantly in store an assortment at once acknowledged the largest held by any dealer in the Union, to do the best that can be done in the trade.

We would suggest to the wise and considerate, to write us, or see us before purchasing, we can save them an amount worth looking after, and furnish them a good instrument with a valid guarantee.

Many seem to be unfortunate in suffering impositions to be practiced on them by wordy, and frequently untruthful and irresponsible traveling parties, who have no eye to their reputation or future standing, but offer at their doors a class of *CHEAP* instruments, most easily procured, and on which the greatest prose of profits can be realized.

Having frequent, repeated, and unpuslified assurances from our former patrons of the genuineness of the instruments purchased of us in former years, we can most carefully assure them that their best interests will be cared for in the future by offering the best the market affords, with a valid guarantee of the same, and at the most reasonable prices, whether for CASH, or in time payments. Whether bought from us or our authorized agents.

MONTHLY PAYMENT SYSTEM.

Having instituted a system of monthly or quarterly instalments for the benefit of the honest, industrious laboring classes of occupation, many can have a Piano or Melodeon at once, and enjoy its pleasures and advantages at home.

Please write us for full particulars.

N. B.—Persons residing however distant, east, west or south from Cleveland, will please understand that we have constantly at our

Harness Work.

WILLIAMSON has driven his stake firmly, and identified himself with the business interests of Ashtabula, and adding to this his ability to furnish the community with as good work, and at as favorable rates, as any of his competitors, and his claim for a share of patronage will hardly be denied. He has a good supply of finished work on hand, and is prepared to meet with promptness any call for either the light and tasteful, or for the more heavy and serviceable articles in his line of business. Any one in want of harness work will do well to give me a call.
