Resolution: Adopted by the democrats of Niles, Ohio, in convention assembled July 25, 1913. (Printed in the Niles Independent, August 1, 1913).
Resolved, That we deplore the fact that our representative in Congress, Hon. E. R. Bathrick, antagonized the policies of our President in his first great undertaking of tariff reform and that his threats of bolting as published daily in Associated Press dispatches, put our district in a false position in the eyes of the people of the state, and
Resolved, That his arbitrary action in dispensing Federal patronage independent of the wishes of the various committees that form our organization, and his absolute indifference to the wishes of the rank and file of our party has created dissension and turmoil throughout the district which is alike embarrassing to the President and detrimental to party interests.

ZIMMERMAN

Should be Nominated for United States Senator

BECAUSE he is a man of business sense, broad in views, fair in principles, and of the type needed in the United States Senate at this time.

BECAUSE as a manufacturer with never even a labor dispute to mar his pleasant relations with wage-workers; as a progressive farmer esteemed by his neighbors; as a lawyer honored by the bar and respected by fellow townsmen; and as a live citizen enjoying the confidence and affection of Springfield people; he is in sympathy with and naturally represents the varied interests that have made Ohio one of the greatest commonwealths in population and commerce.

JOHN L. ZIMMERMAN

BECAUSE of his long years of party activity, Democratic zeal and devotion to the great principles that distinguish the party that has stood all these years for the rights of the masses.

BECAUSE his campaign has been conducted with the dignity that harmonizes with the high office he seeks, and has been free from abuse, complaints and acrimony.

BECAUSE he has given his time, money and energy to the promotion of the highest standards of education, and has helped scores of young men through college.

BECAUSE if he should be nominated and elected, a thing the Fates appear to have decreed, then he will go to Washington and do his full duty along lines marked out by the best judgment from the broadest basis.

In arranging for a Redpath Chautauqua here this summer the local committee secured a thousand \$2.50 season tickets which will be sold for \$2.00 each.

When these tickets are gone no season tickets can be had for less than \$2.50. Also the price of season tickets will not be reduced from the first day to the close of the Chautauqua.

The single admissions to the various sessions of this Chautauqua will aggregate more than \$7.50, so it will pay you to buy a season ticket even after the program is half completed. Season tickets are not transferable, except within the owner's family.

Children's tickets, costing \$1.00 each, admit children aged from 6 to 14 years, inclusive. Admission to the special children's work is free.
