"Since taking your sample I have not been bothered any to speak of with my stomach. Before I had headaches and dizzy spells, of which I am almost free. I have gained 15 pounds since taking the one dose. It is not that I need medicine now that I am sending. My wife induced a lady friend to try it. She had been eating only a raw egg or cracker or two, and often could not keep them down. This lady used your remedy and it has almost cured her."

Letters like that come from the
