

CHRISTMAS

Only one week until Christmas. Gentlemen have you decided as to what your wife would like for a Christmas present? If not, let us offer some suggestions.

How many things a man can forget after he is married. But he can make up a lot of them by giving his wife a power washer for Christmas.

An automobile will cost you from \$500 and up.

A washing machine and engine complete will cost you less than \$70.

The only Christmas present that will take the blue out of Monday for years to come is a power washer. Imagine yourself in her place and then dig. I'll deliver the goods.

Which will you choose, \$500 for pleasure or \$70 to decrease the work for that little wife of yours? Just think how your wife would appreciate such a gift if you was in her place.

Akron Auto Show

This is the week of the Auto Show in Akron. All who have cars or who expect to buy cars will be interested in looking over this exhibition.

We have perhaps the largest space at the show, but this does not permit us showing half the new models we now have in stock. Other 1915 models of Overlands, Chalmers and Franklin cars may be seen at our show room at 230 S. Main street, and at the garage, 22 E. Buchtel avenue. Here you may see the cars in operation and here also you may inspect the largest stock of used and rebuilt cars in the city.

Make our store your headquarters when in Akron.
