

HOME DEPARTMENT.

Geauga County will be the Banner County, if all her Union voters go to the polls on the 15th of October. Let none prove delinquent on that day!

Union Men, Attention!

The Cleveland Herald sends forth "A few words to the Western Reserve Union men," which should be heard and heeded. It says truly, "If the Union ticket shall be defeated at the October election, the responsibility for that defeat will lie at the door of the Western Reserve." And what a responsibility it would be! We can say to our friends of the Herald, however, that the people of Geauga are determined to share no part of it. Unless all indications are false, they will be out on masses on the day of election, and give such a majority for through and the Union as will show that they have not been asleep during this campaign. They are awake and well-organized. We believe their slogan is as ominous as the calm which precedes the storm.

Tickets for Soldiers. We print in this number of our paper, a column of Union tickets, and would request every reader who has a friend in the army not likely to be supplied from any other source, to cut one out and send to him. The Central Committee have endeavored to make ample provision for all; yet it is probable that there are some who, unless their friends interest themselves in their behalf, will not be supplied.

The Union Meeting at the Town Hall on Saturday evening last, was well attended. Austin Canfield, Esq., was chosen Chairman, and J. O. Converse Secretary. On motion, a Township Executive Committee of three, consisting of M. C. Canfield, B. B. Woodbury and C. C. Field, was appointed by the chair. The meeting was addressed by J. O. Converse and A. H. Tarasher. Mr. Tarasher made a very able and effective speech, at the close of which the meeting adjourned.

The State Convention of War Democrats at Columbus, on Tuesday last, adopted strong War and anti-Vandalism resolutions and addresses, but nominated no ticket.

The State Fair, held in Cleveland, last week, is represented as a greater success than that of last year.
