In Town.—Eli C. Swaim, Esq., formerly of the Dayton Bar, and now of the 11th Ohio, is here on short furlough.

Received.—At 79 Main street, the Mercury, Frank Leslie's Paper, No. 48 Cassell's Bible, Lloyd's New Map of the U. S.

That Order.—It may be of little consequence what general wrong we may, in our local capacity, protest against, yet we cannot be content without denouncing as illiberal, unjust and outrageous, the Order of Gen. Grant.

Personal.—We forgot to mention that Major Charles E. Clarke, of Missouri, was in the city on Friday last, en route for his post of duty in that State.

Incorrect.—By later advices it seems that we were in error as to most we said yesterday about the casualties of the battles before Murfreesboro.

The Message.—The Legislature met this morning, and it is probable that Gov. Tod sent in his Annual Message, which will be read this afternoon.

Fixed.—We learn that the Oregon Fire Company have procured a team to haul their apparatus in cases of fire.

Special Notices. Do You Remember?—Do you remember that you have put off your wife for over a year with promises that you would buy her a Sewing Machine after winter?

Christmas Presents.—Nothing could make a more appropriate present, or be of more benefit to your wife, mother or sister, than a Wheeler & Wilson Sewing Machine.

On Monday, Dec. 22d.—Geo. H. Cole's commenced selling out his entire stock of Dry Goods, Shoes, &c., at Cost, to close the business.

This will afford the ladies a rare opportunity to purchase their Cloaks, Dress Goods, Shoes, &c., at almost half the usual price, instead of paying the enormous advance over the old prices, which will be worth saving these hard times.

"Economy is Comfort."—W. F. Gebhart, No. 263, Third street, offers for sale the most Complete and Handsome "COAL STOVE" we have ever seen.

S:T-1860-X. DRAKE'S PLANTATION BITTERS.—Exhausted nature's great restorer. A delightful beverage and active tonic.

Watches.—H. Kline, No. 336 Third st., has a lot of pawned Gold and Silver Watches which he offers very low at private sale.

COAL'S NEW JAPAN.—We have already apprized our readers of a new article of Japan, now in general use in this city.

A Wild Bird.—Our old friend C. B. Hartman, (Prof. Dow,) of Wayne township, took us on the wing the other day, by making us the present of a Wild Turkey, one of a drove of five which were chased about the hills and valleys of old Wayne, and finally decoyed into a rail-pen trap, and secured alive.

2d Term.—Yesterday Sheriff Wogaman entered upon his second term, and on formally taking charge, he followed the generous precedent of keeping "open house."

Personal.—We forgot to mention that Major Charles E. Clarke, of Missouri, was in the city on Friday last, en route for his post of duty in that State.
