REPORTED FOR THE DAILY EMPIRE

NIGHT DISPATCHES.

FROM MEMPHIS.

MEMPHIS March 3, via CAIRO, 5.—The capture of the Indianola was confirmed under circumstances which lead to the belief it was unnecessarily surrendered last Friday.

The Indianola and Queen of the West were discovered under the guns of Warrenton, both in a condition to do effective service.

The sickness in the army is increasing.

The canal between the Mississippi River and Lake Providence, is finished. The water is not yet let in.

FROM WASHINGTON.

WASHINGTON, March 5.—The main points of business transacted by the Senate to-day were the administration of the oath to Mr. Thomas A Hendricks, of Indiana, and Mr. William Sprague, of Rhode Island, who took their seats for the first time.

The President pro tem, by a resolution of Mr. Anthony, was authorized to appoint the standing committees

The executive session was confined to the passage of a resolution to return all the nominations of military officers etc., which expired with the Senate, to the President of the United States.

A tolegram received here from Brigham Young, says that a meeting was held at the tabernacle to petition the President to remove Gov. Harding and Judge Wilit and Drake and apoint good men in there places.

He adds that a majority of the Federal officers and other gentlemen are acting honorably.

From this it appears that Chief Justice Kenny, Secretary of State Fullerf and Superintendent of Indian Affairs Doty are included in the compliment.

Congress has altogether failed to promote by legislation any measure for quieting the disaffection in that Territory, leaving that duty to the executive department.

Joseph J Lewis, of Pennsylvania, it is generally believed, will be nominated as successor to Commissioner of Internal Revenue, Boutwell.

DEMOCRATIC OFFICE DESTROYED.

COLUMBUS, March 5—The Crisis editorial office was mobbed to-night by one hundred and fifty soldiers The composition rooms, which were in another building, were undisturbed. Gen Cooper called out the military to restore order.

FROM NASHVILLE.

NASHVILLE, March 5.—The enemy under Van Dorn advanced again towards Franklin yesterday. The Federal force also advanced six miles and drove the rebels back Two men were wounded. Rebels lost thirteen killed.

The fight was resumed this morning. No particulars have been received.

Twenty three men of Col. Jackson's Tennessee Regiment woile on picket duty west of Nolansville, were attacked by fifty Confederate cavalry, who tried to surround and capture them

The Tennesseans, after twenty minutes fighting, compelling the rebels to surrendered and took the whole party grisoners, and arrived in this city to-night.

Reinforcements from Gen. Gilbert at Franklin have been sent forward sufficiently large to destroy or capture Van Dorn's command.

It is reported that about 1,000 rebel cavalare in vincinity of Harpeth Shoals, waiting to attach the steamers on the river.

LATEST NEWS.

AFTERNOON DESPATCHES.

PARTICULARS ABOUT THE INDIANOLA.

CINCINNATI, March 5.—Special to the Cincinnati says some additional particulars in regard to the capture of the Indianola has been received.

When she was attacked the advantage was on the side of the rebel rams. The Indianola moved slowly compared with them. They kept clear of her bow, where her best guns were and butted her sides and stern. The Indianola kept changing her guns from side to side, but as fast as this was done, the active assailants gained the opposite side, and in the boldest manner butted her again. The Indianola had coal barges on each side of her, these were sunk immediately. At length, Capt. Brown announced the boat in a sinking condition and surrendered. The action lasted about twenty minutes. It is reported at Lake Providence that the Indianola was sunk by her crew to escape capture.

LATE FROM EUROPE.

HALIFAX, March 6.—The Arabia left Liverpool the 21st and Queenston the 22d, and has arrived here this morning, with two days later news

The Polish question is the leading topic in Europe.

France sent a despatch to Berlin expressing great dissatisfaction at the intervention of Prussia in the affairs of Poland.

In the British House of Lords, Russell denounced the course of Russia on the 21st ult., after official hours.

Yesterday cotton became excited; closed 1@2 higher, in consequence of the Australian's news. On the 22d the market closed dull.

FROM ASPINWALL.

NEW YORK, March 6—Northern Light arrived from Aspinwall brings 1,283,000 treasure. Was convoyed by the gunboat Connecticut President Carrera of Guatemala had invaded Salvander. Battle expected soon.

The British Minister is using every exertion to stop the war.

FROM NEW YORK—THE ALABAMA.

NEW YORK, March 6.—The Herald's correspondent at Port au Platt, St Domingo in a letter dated the 21st ult., says Capt. Pierson of Hamburg brig Urina arrived this morning from Manzanilla Bay, to complete her cargo here. She reports her having been overhauled by a boat from the Alabama, off Cape Isabella on the 19th ult. They merely asked him where he was bound. The Alabama afterwards chased the Spanish steamer bound east, and brought her to by firing. Both steamers were observed passing east at Port au Platt harbor on the evening of the 19th ult.

Herald has the following from the Richmond Examiner of March the 2d:

Savannah, Ga., Feb 28—The steamer Nashville in coming up the Ogeechee River last night grounded on a sand bar before Fort McAllister and was discovered by the Yankee fleet. The Yankee ironclad opened fire across the marsh at the Nashville at 30 minutes past seven o'clock and continued it until ten o'clock, when an incendiary shell struck the Nashville and set her on fire. She is now a total wreck.

The fort fired upon the ironclad and hit her twice. Other gunboat of the fleet fired at the fort but did no damage.

The Herald's special says there is a protracted session of the Cabinet to-day. Rumors of important changes in that council has been received.

The steamship Northern Light from Aspinwall is coming up.

The Tribune's special Washington the 5th, says: John Haughurst, G F Watson, Wm J Borman have been appointed Commissioners for Virginia, under the law providing for the sale of lands on which direct tax has not been paid.
