

In reading over the literary items of the week, I found not much to interest me, until my eye caught sight of an article headed "Jenks' Dress." Imagine my surprise to find it ended up with a recommendation to use Dr. Pierce's Pleasant Pellets. Nevertheless, being a great sufferer from sick headache, I determined to try them, and, to my great joy, I found prompt relief, and by their protracted use, a complete immunity from such attacks. Pierce's Pellets often cure sick headache in an hour. They are gently laxative or actively cathartic, according to size of dose. As a pleasant laxative, take one each night on retiring. For adults, four act as an active, yet painless, cathartic. Cause no griping or sickness. Best Liver Pill ever made. Smallest, Cheapest, Easiest to take. For Constipation, Indigestion and Bilious Attacks, they have no equal.
