One of the daintiest of the New Year calendars is that issued by the proprietors of Hood's Sarsaparilla. It will fully satisfy every expectation as to beauty and utility. Superintendent White of the railway postal service has issued an order the tendency of which is to make every postal clerk his brother's keeper. From the tenor of the order each clerk is constituted a guardian over the conduct of his fellow workmen, especially in the matter of drinking, gambling and other bad social habits. Well, we see nothing especially wrong in this order; as if every postal clerk is under a watch over his fellows he is more likely to be circumspect in his own conduct; hence the public is likely to have better service as a whole.

In Memoriam. Mrs. Belle Fauver, wife of Jay Fauver, of Ridgeville, departed this life December 12th, 1893, after a short but painful illness of about two weeks, being afflicted with inflammatory rheumatism and heart disease. Her sufferings were terribly harassing, reaching until death brought sweet relief. Her age was 35 years and 8 months at the time of her decease, and she left a husband and one child to mourn her untimely end. Her maiden name was Johnson, and her father was a soldier of the late war, dying in the service. Mrs. Fauver was a woman of christian character, having been for many years a constant member of the M. E. Church at Ridgeville Corners, and was also a teacher in the Sunday School. Her funeral services were performed under the direction of the Rev. L. E. Wilson, and were attended by a large concourse of people after which her remains were deposited in Locust Grove Cemetery. The following memorial poem was read at the funeral:

Another family group is sad, While the angel host is glad. Another voice is hushed on earth, A hapless one in Heaven has birth. Another chair is vacant now, Another crown spun a brow, Another face is seen no more, Another shouts, "My warfare's o'er." Another husband sad and lone, Another wife calls Heaven home; Another child left motherless, But Jesus called, and he knows best. Ah! might we say when death does come, To thin the ranks within our home, "Thank God" 't is "never so soon" as that, That take us to eternal rest.

Dear sister Belle, is free from care, While we the living still must bear, Who meet may's 30-30 gun can tell, If Christ be with us all we will. Ridgeville Corners, O., Jan. 8th, '94.
