SOCIETY and CLUBS

The double wedding of Mr. Lawrence Bryan to Miss Pattie Bell Enner and Mr. Roy A. Bybee to Miss Anna Eager was celebrated Saturday evening at half after eight o'clock by Rev. George M. Rourke at his residence on south Main street. The young people were unaccompanied.

Mrs. Bryan and Mrs. Bybee are accomplished young Marion ladies popular in their social crowd. The grooms are estimable men, both employed at the Marion Steam Shovel shops. They will make their homes in this city.

There will be a meeting of the Stitches club tomorrow evening at the West Columbia street home of Miss Hilda Pangborn. This will be the first meeting of the club year and a large attendance is desired.

Mr. and Mrs. Henry Ebert returned to their home in Sandusky today. They were the guests of Marion friends and relatives for the past week. Last Friday evening they and Mr. and Mrs. Henry Wagner of Sandusky were the honor guests at Mr. and Mrs. A. H. Hower's prettily appointed dinner.

The second annual reunion of the Dal Vell family occurred Saturday, at the Grand avenue home of Mr. and Mrs. Gus Huneke. The morning hours were spent socially and at noon an elegant dinner was served at which covers were laid for sixty.

Following the dinner hour, the election of officers was held with the following results: J. P. Neff, of Marion, president; David Morral, of Agosta, vice president; Mrs. J. W. Campbell, of LaRue, secretary and treasurer; Mrs. David Morral, of Agosta, Miss Emma Holland, of Marion, and Miss Rachel Dean, of Kenton, executive committee.

The next meeting will be held in Lincoln park, in this city, the second Saturday in September, 1911.

Guests were present from Kenton, LaRue, Agosta, Morral, Nevada and Marion.

In honor of the forty-eighth birthday anniversary of her husband, Mrs. Terry Dowell entertained a number of her friends pleasantly at her Senate street home, Saturday evening.

Eight tables were filled at progressive euchre and at the close of the card series, Mrs. Brown and Mr. Wayne Thompson held high score, for which they received pretty awards. Louis Search received the consolation.

At 10 the card tables were covered with snowy cloths and a delicious card luncheon was served at the close of which Mr. Dowell was presented with a handsome gold watch and chain by his friends.

Those present were: Mr. and Mrs. O. Sadley, Mr. and Mrs. J. E. Postle, Mr. and Mrs. John Severn, Mr. and Mrs. Wayne Thompson, Mr. and Mrs. Louis Search, Mr. and Mrs. Robert Colling, Mr. and Mrs. Ollie Brown, Misses Thelma Thompson, Mildred Postle, and Jennings Colling, George Young, Elmer Wycard and Mr. John Dowell and daughter, Gladys, of Forestia.

FIVE DIVORCES ARE GRANTED

Mismates Are Given the Court's Time.

ONE CASE IS DISMISSED

Week Will be Given Over to Divorce Cases.

Pleadings are Filed in a Number of Cases—Receivers Ask Leave to Expend Money for a Car Barn.

Judge Dan Babst took the first whirl at the divorce cases on the docket today and six of them were disposed of in short order. Five divorces were granted and the other case was dismissed. The work in the divorce court will continue throughout the week and it is the intention of the court to clean up this class of work.

On the grounds of adultery, Ransom B. Wilgus was granted a divorce from Maude Wilgus. The couple was married in West Mansfield, September 7, 1904.

Rebecca R. Kuntz was divorced from Martin Kuntz on the grounds of extreme cruelty, drunkenness, willful absence for three years and failure to provide. The couple was married in January of 1908.

The case of Hannah M. Carlins against Edward L. Carlins was dismissed, it being reported to the court that they are living together in Mansfield.

Alice Moehrman was divorced from Claud L. Moehrman on the grounds of gross neglect of duty and willful absence. The couple was married April 2, 1904.

Blanche M. Betz was granted a divorce from Harry E. Betz on the grounds of willful absence for three years and gross neglect of duty. The Betz were married April 23, 1905.

Nellie Johnson was granted a divorce from William E. Johnson on the grounds of gross neglect, failure to provide, extreme cruelty and that he had threatened to kill her. The Johnsons were married December 11, 1896.

An application for the right to purchase lumber and hardware for the construction of a car house has been filed by Attorneys Crisinger and Guthery in the case of the Cincinnati Trust company against the Columbus, Marion & Bucyrus Railway company. The amount sought by the receivers, George Whysall and F. E. Guthery, is \$4,659.

An amended answer and cross-petition has been filed in the case of Emeline Powell against Henry Powell. The defendant asks for the degree of divorce upon the grounds of desertion.

The Bryant Brothers against George T. Raughman, E. Anderson E. Brown, C. H. Topfiff, J. W. Kniffin, trustees and building committee of the Free Baptist church in LaRue is the title of a suit which has been begun in court by Attorneys Thomas and Hays, of Columbus.

The petition prays for a judgment for \$325, with interest from May 26, 1910 on a contract for art glass furnished and labor performed.

The case of William Massie, who was convicted of having kicked his wife in the breast has been carried to the common pleas court on error. Twenty separate instances of error are cited to the court.

Massie was tried by a jury in Justice C. E. Gompf's court and was declared guilty. Justice Gompf sentenced him to four months in the work house and assessed a fine of \$100.

FREAK WRECK IN LOCAL YARD

Pennsy Freight Runs Away And Leaves Track.

JUST MISSES A BUILDING

Might Have Wrecked Steam Shovel Office.

Excursion Business Good Sunday, Erie's Water Softening Plant About Ready for Use—President Underwood on trip Over Lines.

A most extraordinary wreck occurred on the Pennsylvania, just south of Center street shortly after last midnight when leaky air hose on a freight train that was standing south of Columbia street, allowed the train to start and gain considerable momentum as it came down the grade in the yards. The engine was detached and on another track, taking water at the time. The train, consisting of forty freight cars came down the siding and turned onto the track that runs along side of the freight house and kept on going across the lawn around the Marion Steam Shovel shop office. The cars plowed into the ground and the front one stopped a few feet from the sidewalk on Center street, after tearing off a side entrance to the building, stone steps and wooden storm entrance. The cars narrowly missed hitting the corner of the brick building which they might have torn out as they were moving fast at the time. As it was none of the cars turned over and there was no fire, as would have been the case had the front car not turned slightly before reaching the building and the others followed. Five cars went across the heavy bumper at the end of the track.

Excursion business was mighty brisk Sunday and large numbers of Marionites went to Columbus, Toledo, Detroit and Cincinnati.

The Erie's water softening plant is about ready for use, the final tests now being under way. When in use the new plant will give the Erie a much greater water supply and will reduce boiler troubles to a great extent.

G. T. Dewey, master mechanic of the Cincinnati division of the Erie, was in the city today looking after business in his department.

Thomas Tracy, assistant master car builder of the Erie, with headquarters at Meadville, was a visitor here today.

The special train of President F. D. Underwood went through the city Saturday night, carrying the Erie chief executive and party of officials en route from Chicago to New York. The observation engine which attracted much attention here last week, was pulling the train.

Chief Dispatcher McNeil, of the Erie, was here today on business.

GETS 30 DAYS IN WORKHOUSE

R. A. Burnett Drunk in Columbus.

ARRESTS FOLLOW JOY RIDE

Party Refuses to Pay for Automobile.

Local Garbage Plant Superintendent Went to State Fair on Friday and Family has Been Greatly Worried Over his Failure to Return—Will Serve Sentence.

According to a United Press telegram to the Mirror, under Columbus date line today, Robert A. Burnett, superintendent of the local garbage disposal plant, was this morning sentenced to thirty days in the Columbus workhouse for intoxication following a joy ride, the members of the party refusing to pay the auto hire which resulted in their arrest. The telegram follows:

Columbus, O., Sept. 12.—Robert A. Burnett, superintendent of the Marion garbage disposal plant, received a sentence of thirty days in the workhouse here this morning for intoxication. He came here yesterday and made an acquaintance of D. Y. Doyle, a traveling salesman, and Miles Huff, a local bartender. The three obtained an automobile and spent the day skidding the lid-afflicting city. When they returned, none of them could, or would, pay for the machine. They were all arrested for drunkenness. Doyle was also charged with defrauding a liveryman.

When the Mirror man talked to Burnett's daughter at her Reed avenue home today, she said she knew nothing of her father's whereabouts except that he had gone to the State Fair on Friday, expecting to be back Saturday night and that she and her mother have been greatly worried over his failure to return. The daughter was greatly affected by the news of her father's incarceration in the workhouse.

R. A. Burnett has been superintendent of the disposal plant several years, in fact ever since the plant has been in operation. He has been known as a man who attended strict to his duties and city officials have many times said that he was a most efficient man. His son, Emmett Burnett has been Burnett's assistant and is now in charge of the plant.

The board of education will hold a regular meeting this evening and take up the consideration of a number of important matters. The crowded condition of the schools is one of the serious propositions with which the board has to cope and a effort will be made this evening to iron out the trouble for the best interests of all of the children and teachers in the schools.

Whether or not any definite action will be taken by the board of education is not known, though such a thing is hinted by those who are closest to the situation.

Through Attorneys Crisinger and Guthery, the Hall-Cronin company has answered the petition of John Bingham.

The answer admits that the plaintiff was in the employ of the company on construction work for the Marion Steam Shovel company, but denies all other allegations. It sets up that if the plaintiff was injured, as recited in the petition, it was through the negligence of a fellow employe and that the company is in no way responsible.

Council will hold a regular meeting this evening and dispose of some matters that have been in the hopper for some time. A number of improvements have been asked by citizens of various parts of the city and disposition will be made of some of the petitions.

Mr. and Mrs. Robert Walters of this city were DeCliffe visitors Saturday.

RED LAWRENCE IN JAIL AGAIN

Breaks Into Shop and Steals Wire.

BEHNER IS FINED \$5 TODAY

Runs Auto Without Having a License.

John Bingham, Who is Arrested For Delivering Peaches on Sunday, Escapes with a Reprimand From the Mayor—Other Notes of the Local Police Court.

Redmond Lawrence is again in bad with the authorities, this time for breaking into a small shop at the rear of the Cleary blacksmith shop on north Main street and stealing \$3 worth of baling wire, belonging to Charles Witter, on Saturday night.

Lawrence is said to have used a key to enter the shop. He secured the wire and then sold it to Ray and Floyd Sipes, hay balers. The owner of the property found out that his place had been entered and investigated. It took him less than half an hour to find out where the wire had gone. Lawrence's arrest followed. He will be arraigned today on a charge of burglary.

Milton Behner, a Pleasant township farmer, who was arrested for driving his automobile without a license, appeared in the police court this morning for a hearing. He changed his plea to guilty and was fined \$5. This is the amount that it cost him to run his machine from this city to his home before he had secured his license and numbers.

John Bingham, who was arrested Sunday by Officer Schroek, charged with delivering peaches on Sunday, contrary to law, was dismissed by Mayor Selzer this morning after W. P. Moloney, Bingham's attorney, had explained to the court that a car of peaches from Toledo, which was supposed to arrive on Saturday, had not reached here until Sunday and as the fruit was perishable it was necessary to make deliveries at once. The orders for the peaches had been given earlier in the week. The mayor warned Bingham not to make a practice of delivering his goods on Sunday.

James Newcomb, of 826 Patterson street, told the police last night that when he opened the door of his house in response to a knock, a man dressed in a gray suit stepped up to him and hit him a blow in the nose with his fist and then ran away. Newcomb professed not to know the man or the reason for the assault when Officers Powell and Jones arrived on the scene. The police spent some time looking for the man but did not find him.

The police last night searched the apartment of Mrs. Ingle over the Storax wholesale house on north State street for liquor after neighbors had reported that the forbidden fluid was being dispensed there to the thirsty. The police found the reports entirely unfounded.

SCHOOL BOARD WILL MEET THIS EVENING

Important Matters Will be up For Consideration.

Some Definite Action May be taken in the trouble of the Board of Examiners.
