THANKS.—To Hon. H. S. Bundy, M. C. for public documents received.

Hon. A. J. Swain, will accept our thanks for public documents received.

We had a little sprinkling of snow here on Sabbath evening last.

OVER two hundred fine Lithographs and Steel Engravings for sale at cost at Sisson's Drugstore.

We are informed by Rev. Jonathan Brine, recorded of our county that the number of Discharges recorded from the 6th of June 1865 to January 31st 1866 is 141.

NOTICE TO ADVERTISERS.—All Advertisements paid for, in the McArthur Democrat, will be continued in this paper the time contracted for.

LOST.—A Black waist belt and large carved steel Buckle, in McArthur, or on the road north of town. The finder will be suitably rewarded by leaving the same at this office.

STILL ANOTHER.—We are informed that there is in session, at the Christian Church, on High Street, a protracted meeting. Whether there are any members joined up to the present date is more than we are able to say. We wish them all success, and a "heap of Christians."

IMPROVEMENTS.—Mr. Columbus Ward, of McArthur, is putting up a building in the rear of the old stand known to our readers as Arnold's Hardware Store. It is the intention we are informed to make a store room there. This is about the amount of the improvements, lately, in McArthur.

STILL GOING ON.—The revival in the M. E. Church is still in progress, without any indications of stopping. We are informed that some twenty or thirty persons have joined this branch of the Church. We hope that those who have enlisted in this cause will prove faithful and not turn back as so many have done in the past.

LADIES and Gentlemen, if you want the sweetest—as well as the cutest comic Valentines you ever seen, just call at Sisson's Drugstore.

Books! Books!!—We take pleasure in announcing to the public that Mr. James Gibbons has on hand a large and splendid assortment of Books, Stationery &c., which he intends selling at Cincinnati trade prices. Mr. Gibbons is a perfect gentleman and any one wanting any thing in his line cannot do better any other place.

FLOUR! FLOUR!! We call the attention of our readers to the fact that Bobo and Kirkendall, of our place keeps constantly on hand the best article of Flour in the county. As they flatter themselves that they have heretofore given entire satisfaction to their customers, they extend to them their thanks—with the expressed hope that they will continue to favor them with their calls; as, I think will come "and do likewise."

TRANSFERS OF REAL ESTATE.—The following is the transfers of real estate in Vinton county, for the week ending February 1st 1866.

James Duffy to James Duffy Jr. 80 acres for \$1250. Elizabeth Whortent to William Stanley land in Knox Tp. for \$199. Alfred Harden to the Trustees of Presbyterian Church three quarters of an acre for \$75.

MARRIAGE LICENSES.—The following is the Marriage Licenses issued by the Probate Judge from the 13th day of January to the 31st day of January 1866.

John Stots to Nancy Shull. James Lucas to Mary E. Gee. Matthew Shesser to Mary Tennan. Lee Organ to Amanda J. Karns. Thomas J. Grant to Margaret Sammons. Michael Doyle to Julia Dunn. Robert Ratter to Lucy Stanton. Jacob Shry to Susan Gray. John C. Cooney to Mary M. Moore. Henry Sampson to Sarah E. Kinney.

MORGAN RAIL CLAIMS.—We quote the following article from the Chillicothe Advertiser, for the benefit of those interested.

"Quite a large number of the citizens of Ross county are interested in the passage of an act providing for the payment of the damages sustained by persons living along the route of the Morgan Rail, and we would advise them to circulate petitions and send them up to the General Assembly praying that an appropriation be made to liquidate these debts. If any colored Americans of African descent lost any property during the raid, be careful to note it in the petitions, as it will have great weight with the wise and reverend lawmakers who comprise the majority of the present Legislature. We are a State for mutual defense as well as for mutual benefit, and when the Commonwealth is invaded by a hostile foe and a portion of the people despoiled and plundered, the State, and not certain of its citizens should bear the burden. When the State was invaded Chesapeake and Western Ohio, as integral parts of the whole suffered from the common calamity, and should not endeavor to shift their portion of the amount necessary to pay these claims for damages. Let the people of Southern Ohio press this matter vigorously, and they may succeed in securing their rights."

PLANOS.—Any of our ladies wishing to buy or rent pianos, and let the rent pay for them, can obtain the same at manufacturers prices, by calling on me, when I will explain prices and terms. Mrs. RUTH C. BRATTON.

Additional Bounty to Volunteers. I am frequently asked the question if any law has passed to give more Bounty to Volunteers? I would say to all our Volunteers and their friends, that no law has passed yet, but there is a proposition before Congress to give an additional bounty to all who enlisted in 1861 and 62. In all cases, I can obtain your county's for you, when a law shall be passed, as well as any person you will send your discharges to, out of the county, and certainly at a little expense to you. I would say to all our boys to hold on till law passes. E. A. BRATTON, McArthur O. Jan 25, 66 Claim Agt.

RAILROAD MATTERS.—We quote the following from the Chillicothe Gazette.

"The total earnings of the Marietta & Cincinnati Railroad for the year, 1865, were one million, two hundred and twenty-two thousand, seven hundred and forty-six cents; being an increase of one hundred and ninety-five thousand, eight hundred and eighty-one dollars and seventy-one cents over the earnings of the preceding year. This is a very handsome increase, and it will be gratifying to all friends of the Road to know that its prospects are so flattering. What is most encouraging is the fact that about nine-tenths of the earnings were from local business, showing that the country through which the road runs is amply able to sustain it, without taking into account the heavy through business it must do when the improvements now in progress are completed, and the necessary additional carrying facilities are secured. A heavy amount of work was done during the last year, and all of a permanent character. Most of the track is now in first class condition, and all needed improvements are being rapidly made. In a few weeks the trains will commence running regularly over the new track from Loveland to Cincinnati, cutting off a heavy item of expense (\$60,000 per year) and securing also increased facilities for both freight and passenger business."

What a Vinton Soldier Thinks.

Messrs Brattons:—I drop you a few lines, to let the citizens of Patriotic little Vinton know, through your columns, (now that you have got out of the columns of the army of the Cumberland, into the columns newspaper) that there are yet a few Veterans from Vinton out in DEFENSE OF NEW ORLEANS, (to preserve their free Bureaus.) It has been four years since we left homes and families to put down the rebellion, and still we are in the service. Why is this? The citizens of the south are all for re-construction, and in my opinion the way to do that is to withdraw the troops, and let us all go to our respective homes. We are all tired of soldiering and first call for troops, have done our duty and finished our work. Then why can we not be allowed to return to our homes? many of us want to go home to our families, not having been home since 1861. Here in the sunny south all is peace, yes peace has spread her balm wings over us all as a Nation, and down here when the booming of cannon and the shout of victory was heard, we thought now is heard but the voice of the former following his plow, and the shrill whistle of the locomotive booming over the late Southern Confederacy, laden with passengers and freight. Many that left home when we did, will not return they have fought their last fight and their bones lie on hundreds of battle fields. These things makes you and I look upon that old flag of Washington, torn and rent away by ball and shell. That grand old flag that has waved over us since the days of '76 when our fathers, with only a handful of men saved us from the tyranny of England and by it to swear, that no traitors hands shall ere palliate or Foreign foe tyrannize over us as a Nation, and that white men shall rule America. We are with your motto, of the Record. Yours Wm. HATFIELD, Co. C. 56th Reg. O.V.V.I. Algiers La., Jan. 16-66.

We clip the following complimentary articles from our exchanges.

The Vinton Record.—We have received the first two numbers of the Vinton Record, published by W. E. and A. W. Bratton. It takes the place of the McArthur Democrat. It is printed on new type, and presents a neat appearance. Success to the new publishers.—Portsmouth Times.

We have received the first Number of the Vinton Record, published at McArthur, by W. E. & A. W. Bratton. It is the size of the Standard and is printed of new type. It is a vast improvement on the old McArthur Democrat. It is "Democratic" in politics. We wish the publishers success in a pecuniary point of view.—Jackson Standard.

We have received the first number of the Vinton Record, a new democratic journal, just issued at McArthur, by W. E. & A. W. Bratton, sons of Maj. E. A. Bratton, of the McArthur Democrat, which paper has been suspended to make room for the new one. "The Record, having an entirely new dress, presents a respectable appearance, and its columns give evidence of the ability of its editors. Success to you, gentlemen.—Marietta Times.

The McArthur Democrat has also changed hands, and has been much improved in its typographical appearance.—Waverly Democrat.

The Vinton Record.—This is the title of a new Democratic paper which has recently been started at McArthur, Vinton county, Ohio, by Messrs. W. E. & A. W. Bratton, formerly of the McArthur Democrat. It is of imperial size, looks well, and advocates the right doctrine. The publishers have our best wishes for its success and for their own political and pecuniary advancement.—Highland Democrat.

NEW PAPER.—We have received a copy of the Vinton Record, Vol. 1, No. 1, published at McArthur, Vinton County, Ohio, by W. E. & A. W. Bratton. It is the successor to the McArthur Democrat, formerly published by E. A. Bratton, Esq. Although there has been a change of name, and a change of publishers, the politics of the paper is not changed—it is still Democratic. The publishers being young men of energy, and both practical printers, they will doubtless meet with success in their undertaking—more especially as the County is largely Democratic.—Middleport Gazette.

VINTON RECORD.—We have received the first number of this paper published at McArthur, Vinton county, Ohio, by W. E. & A. W. Bratton. It is a very neat and handsome sheet, and its editorial department displays ability and manliness in a bold and fearless advocacy of Democratic principles. It has for its motto "White men shall rule America," except our humbly, gentlemen, we are sailing under the same flag. May prosperity attend you.—Parkersburg Democrat.

We omitted to notice the Vinton Record last week. It is a new paper just started at McArthur, Vinton county, Ohio, Messrs. Bratton's editors and publishers. It is a neat and well printed paper of the Democratic party. We wish them success in everything except politics.—Athens Messenger.

The Editors of the articles above will please accept our thanks for the notices, and we will return the compliment in future. May success attend you gentlemen.

Hoop Skirts.

NEW SKIRT FOR 1866.

The Great Invention of the Age in HOOP SKIRTS.

J. W. Bradley's New Patent Duplex Elliptic (or Double) Spring Skirt.

The invention consists of Duplex (or two) Elliptic Pure Refined Steel Springs, ingeniously braided tightly and firmly together, edge to edge, making the toughest, most inflexible, elastic, and durable Spring ever used. They seldom bend or break, like the single springs, and consequently preserve their perfect and beautiful shape more than twice as long as any single spring skirt that ever has or can be made.

The wonderful flexibility and great comfort and pleasure to any lady wearing the Duplex Elliptic Skirt will be experienced particularly in all crowded assemblies, opera, carriage, railroad cars, church pews, arm chairs, for promenade and house dress, as the skirt can be folded when in use to occupy a small place as easily and conveniently as a silk or muslin dress.

A lady having enjoyed the pleasure, comfort, and great convenience of wearing the Duplex Elliptic Spring Skirt for a single day will never afterwards dispense with their use. For children, Misses and young ladies they are superior to all others.

The hoops are covered with two ply double twisted thread and will wear twice as long as the single yarn covering which is used on all Single Steel Hoop Skirts. The three bottom rods on every Skirt are also double steel, and twice or double covered to prevent the covering from wearing off the rods when dragging down stairs, stone steps, etc., etc., which they do constantly subject to when in use.

All are made of the new and elegant corded tapes, and are the best quality in every part, giving to the wearer the most graceful and perfect shape possible, and are unquestionably the lightest, most durable, comfortable and economical skirt ever made.

WEST'S BRADLEY & CARY, Proprietors of the invention, and sole manufacturers, 97 Chambers, and 19 and 21, Head streets, New York.

For sale in all first-class stores in this city, and throughout the United States and Canada, Havana de Cuba, Mexico, South America, and the West Indies.
