AYER'S PILLS. Are curing the Sick to an extent never before known of any Medicine. INVALIDS, READ AND JUDGE FOR YOURSELVES.

JULIUS HAUEL, Esq., the well known performer of Chestnut street, Philadelphia, whose choice products are found at almost every village, says: "I am happy to say of your CATARRHIC PILLS, that I have found them a better family medicine for common use, than any other within my knowledge. Many of my friends have realized marked benefits from them and coincide with me in believing that they possess extraordinary virtues for driving out disease and curing the sick. They are not only efficacious but safe and pleasant to be taken, qualities which must make them valued by the public, who they are known."

The venerable Chancellor WARDLAW, writes from Baltimore, 15th April, 1851: "I have taken your Pills with great benefit, for the indigestion, lameness, loss of appetite, and Bilious humors, which have of late years afflicted me in the spring. A few doses of your Pills cured me. I have used your Cherry Pectoral many years in my family of coughs and colds with unflinching success. You make medicines which cure, and I feel it a pleasure to commend you for the good you have done and are doing."

JOHN F. BEATTY, Esq., Sec. of the Penn. Railroad Co., writes: "Pa. R. R. Office, Philadelphia, Dec. 13, 1853. "I take pleasure in adding my testimony to the efficacy of your medicines, having derived very material benefit from the use of both your Pectoral and Catarrhic Pills. I am never without them in my family, nor shall I ever make me while my means will procure them."

The widely renowned S. S. STEVENS, M. D., of Westwood, N. H., writes: "Having used your CATARRHIC PILLS in my practice, I can testify from experience, that they are an invaluable purgative. In cases of disordered functions of the liver, causing biliousness, indigestion, constiveness, and the great variety of diseases that follow, they are a sure remedy and in all cases where a purgative remedy is required, I confidently recommend these Pills to the public, as superior to any other I have ever known. They are the best medicine in the world, and these Pills are no exception in that admirable preparation for the treatment of disease."

"Dr. J. C. AYER—Dear Sir: I have been afflicted from my birth with scurvy in its worst form, and now, after twenty years' trial, and an untold amount of suffering, have been completely cured in a few weeks by your Pills. With what feelings of rejoicing I write, can only be imagined when you realize what I have suffered, and how long I have been afflicted with this loathsome disease in some shape. At times it attacked my eyes, and made me almost blind, besides the unsupportable pain at others it settled in the seat of my brain, and destroyed my hair, and has kept me partly bald all my life. Sometimes it came out in my face, and kept it for months a raw sore. "About nine weeks ago I commenced taking your Cathartic Pills, and now an entirely new man from the complaint. My eyes are well, my hair is fair, and my hair has commenced a healthy growth; all of which makes me feel almost a new person. "Being the statement may be the means of conveying information that shall do good to others, I am, with every sentiment of gratitude, Yours, &c., MARIA RICKER. Overseer of the Portsmouth Manufacturing Co." CAPT. JOEL PRATT, of the ship Marion, writes from Boston, 30th April, 1851: "Your Pills have cured me from a bilious attack which arose from derangement of the liver, which had become very serious. I had failed of any relief by my Physicians, and even timely I could not get a few doses of your Pills have completely restored me to health. I have given them to my children for worms, with the best success. They were promptly cured. I recommended your Pills to a friend for constiveness, which had troubled him for months; he told me in a few days they had cured him. You are the best medicine in the world, and I am free to say so."

Read this from the distinguished Solicitor of the Supreme Court, whose brilliant abilities have made him well known, not only in this, but the neighboring States. "Dr. J. C. AYER—Dear Sir: I have been afflicted from my birth with scurvy in its worst form, and now, after twenty years' trial, and an untold amount of suffering, have been completely cured in a few weeks by your Pills. With what feelings of rejoicing I write, can only be imagined when you realize what I have suffered, and how long I have been afflicted with this loathsome disease in some shape. At times it attacked my eyes, and made me almost blind, besides the unsupportable pain at others it settled in the seat of my brain, and destroyed my hair, and has kept me partly bald all my life. Sometimes it came out in my face, and kept it for months a raw sore. "About nine weeks ago I commenced taking your Cathartic Pills, and now an entirely new man from the complaint. My eyes are well, my hair is fair, and my hair has commenced a healthy growth; all of which makes me feel almost a new person. "Being the statement may be the means of conveying information that shall do good to others, I am, with every sentiment of gratitude, Yours, &c., MARIA RICKER. Overseer of the Portsmouth Manufacturing Co." CAPT. JOEL PRATT, of the ship Marion, writes from Boston, 30th April, 1851: "Your Pills have cured me from a bilious attack which arose from derangement of the liver, which had become very serious. I had failed of any relief by my Physicians, and even timely I could not get a few doses of your Pills have completely restored me to health. I have given them to my children for worms, with the best success. They were promptly cured. I recommended your Pills to a friend for constiveness, which had troubled him for months; he told me in a few days they had cured him. You are the best medicine in the world, and I am free to say so."

Read this from the distinguished Solicitor of the Supreme Court, whose brilliant abilities have made him well known, not only in this, but the neighboring States. "Dr. J. C.
