The British Quarterly and BLACKWOOD'S MAGAZINE.

LEONARD SCOTT & CO. New-York, continue to publish the following British Periodicals, viz: 1. THE LONDON QUARTERLY REVIEW (Conservative). 2. THE EDINBURGH REVIEW (Whig). 3. THE NORTH BRITISH REVIEW (Liberal). 4. BLACKWOOD'S EDINBURGH MAGAZINE (Tory).

THE present critical state of European affairs will render these publications annually interesting during the year 1854. They will occupy a middle ground between the hastily written news-items, crude speculations, and flying rumors of the daily Journal, and the ponderous Tomes of the future historian, written after the living interest and excitement of the great political events of the time shall have passed away.

Arrangements are in progress for the receipt of early issues from the British Publishers, by which we shall be able to place off our Reprints in the hands of subscribers, about as soon as they can be furnished with the foreign copies. Although this will involve a very large outlay on our part, we shall continue to furnish the Periodicals at the same low rates, as heretofore, viz:—

For any one of the four Reviews 25 cts. For any two of the four Reviews 50 cts. For any three of the four Reviews 75 cts. For all four of the Reviews 1.00

For Blackwood's Magazine 50 cts. For Blackwood and three Reviews 1.50. Payments to be made in all cases in advance. Money current in the State where issued will be received at par.

A discount of twenty-five per cent from the above prices will be allowed to Clubs ordering four or more copies of any one or more of the above works. Thus: Four copies of Blackwood, or one of the Reviews, will cost to one address for \$1; four copies of four Reviews and Blackwood for \$3; and so on.

POSTAGE. In all the principal Cities and Towns, these works will be delivered, through Agents, free of postage. When sent by mail, the Postage on any part of the United States will be but TWENTY-FIVE CENTS a year for "Blackwood," and but TWELVE CENTS a year for each of the Reviews.

Resolutions and communications should always be addressed, post-paid, to the Publishers, LEONARD SCOTT & CO., 54 GOLD STREET, NEW-YORK.

N. B.—L. S. & Co., have recently published, and now on sale, the "FARMER'S GUIDE," by Henry Stephens of Edinburgh, and Prof. Weston, of Yale College, New-Haven, complete in 2 vols, royal octavo, containing 1600 pages, 14 steel and 600 wood engravings, Price in usual binding, \$5.

This work is not the old "Book of the Farmer," lately reissued and thrown upon the market.

The Great Spruce St. Fire.

The undersigned would respectfully inform his patrons and the Public generally, that in consequence of the destruction of the Publication Office of "THE CHRISTIAN LEADER," in the conflagration of the 26th, by which a part of the March Edition was destroyed, that it will require "Two or three weeks" to reproduce the same and mail it to those subscribers who were not previously supplied. For that delay, we beg the kind indulgence of our "Patrons and Friends." The April number will be issued as early as usual.

The "Diadem" will be reproduced with increased Elegance and Enterprise, and no expense spared to make it still more Attractive, interesting and useful to the "Home Circles" of our "Fifty Thousand Readers."

We are happy to announce that our choice premium plates for 1854, were saved, so that we can still furnish any required number of the gem engraving, representing the MARRIAGE OF GEN. WASHINGTON, Or, the Supper of Hemlock.

REV. HEALD WARD BEECHER. G. E. FISHER. To all old and new Subscribers, who send us "the dollar" for 1854, shewers of which have been, and are still coming, from every direction and by every mail.

As the DIADEM is strictly a moral and a religious work, entirely free from Secularism, calculated for the purpose of opposing, and to take the place of the books of immoral and licentious works of the day, we hope to receive a Continuance of the sympathy and aid of the friends of Morality and Religion generally.

Respectfully Z. PATTEN HATCH, 9 STATE ST., NEW YORK. To whom all communications for the Christian Diadem should be addressed.

Notice to the Public. I take this favorable opportunity of informing my old friends and customers that I have a new assortment of Boots and Shoes for Spring trade among which may be found Ladies' GAITERS AND JENNY LINDS of the different lending styles, just from the East—Also, still prepared to make to order all kinds of Work in my line, of the best material and warranted to be equal if not superior to any made in the West, which will be sold low for cash in hand.
