STERLING'S AMBROSIA. DRAWN & ENGRAVED FROM LIFE. Copy of Photograph from LIFE OF L. A. BROWN, showing the effect of STERLING'S AMBROSIA in eighteen months.

OBTRIVATIONS. This is to certify that, about eighteen months ago, I commenced using STERLING'S AMBROSIA. My hair was short, thin, and rapidly falling out. I had tried many Hair Tonics, Invigorators, etc., without receiving any benefit.

After using the Ambrosia, my hair ceased falling out, and commenced growing so rapidly as to astonish me. Now my hair is thick, soft and glossy, and is five feet four inches in length--when let down, reaching to the floor. This wonderful result I attribute solely to the use of STERLING'S AMBROSIA, as since I commenced using it I have applied nothing else to my hair.

After using the Ambrosia, my hair ceased falling out, and commenced growing so rapidly as to astonish me. Now my hair is thick, soft and glossy, and is five feet four inches in length--when let down, reaching to the floor.

We advise young persons, whose hair is beginning to fall out, to take warning in time, and save their hair, by using the Ambrosia. To those who have already lost their hair, the free use of the Ambrosia will surely restore it, as it has done for thousands.

Dr. STERLING'S AMBROSIA is a stimulating eye extract of Herbs, Berries and Herbs. It will cure all diseases of the scalp and itching of the head, entirely eradicate dandruff, prevent the hair from falling out, or from turning prematurely gray, causing it to grow thick and long. It is entirely different from all other preparations, and can be relied on.

It is a well known fact to thousands in the city of New York that this is the only article yet discovered that will cure the Disease of the Scalp and cause the hair to grow.

AYER'S CATHARTIC PILLS. Are you sick, feeble, and complaining? Are you out of order, with your system deranged, and your stomach uncomfortable? These symptoms are often the result of indigestion. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors, stimulate the functions of the body into vigorous activity, purify the system from the obstructions which impede its natural functions. In the body, and obstruct its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with the happy result of health again. What is true and so apparent in the trivial and common complaint, is also true in many of the most important and dangerous disorders. The same purgative effect exists there. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly and safely removed by the use of Ayer's Pills. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders which they cure. The following are testimonials from leading physicians in some of the principal cities, and from other well known public persons.

From a Forwarding Merchant of St. Louis, Feb. 4, 1856. Dr. Ayer: Your Pills are the purgative of all that I use in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has long been greatly afflicted with indigestion and pain upon her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

As a Family Physic. From Dr. E. W. Cartwright, New Orleans. Your Pills are the prince of purgatives. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.

Headache, Sick Headache, Poul Stomach. From Dr. Edward Boyd, Baltimore. Dear Bro. Ayer: I cannot answer you what complaint I have cured with your Pills better than that of a patient who treated with a purgative medicine. I place great dependence on an effectual cathartic in my daily contest with disease, and believe as I do in a purgative for derangement of the bowels, I do not know of any other so worthy the confidence of the profession and the people.

DEPARTMENT OF THE INTERIOR. Washington, D. C., 7th Feb, 1864. Sir: I have used your Pills in my general and hospital practice since your first issue. They have been found to be the best cathartic we employ. Their regular action on the liver is quick and decided, consequently they are an admirable remedy for derangement of that organ. Indeed, I have seldom found a case of bilious dysentery so obstinate that it did not readily yield to them. Fraternalty yours, ALONZA HALL, M. D., Physician of the Marine Hospital.

Dysentery, Diarrhoea, Relax, Worms. From Dr. J. G. Green, of Chicago. Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best agents I have ever found. Their action is so regular and certain, that an excellent remedy, when given in small doses for bilious dysentery and diarrhoea. Their sugar-coating makes them very agreeable and convenient for the use of women and children.

Dyspepsia, Impurity of the Blood. From Rev. J. V. Hines, Pastor of Advent Church, Boston. Dr. Ayer: I have used your Pills with extraordinary success in my family and among those I am called to visit in disease. To regulate the organs, to purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends.

WASAW, Wyoming Co., N. Y., Oct. 24, 1855. DEAR BR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the fountain of the blood. JOHN C. ALGEMAN, M. D., Physician of the Marine Hospital.

Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Dropsy, Paralysis, Pits, &c. From Dr. J. P. Vaughn, Montreal, Canada. Too much cannot be said of your Pills for the cure of constipation. If others of our fraternity have seen them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although not dangerous in itself, is the progenitor of others that are worse. I believe constipation to originate in the liver, but your Pills affect that organ and cure the disease.

From Mrs. E. Stuart, Physician and Midwife, Boston. I find one or two packages of your Pills taken at the proper time, are excellent remedies of the natural secretion when wholly or partially suppressed, and also very effectual to cleanse the stomach and expel worms. They are so much the best physic we have that I recommend no other to my patients.

PULASKI HOUSE, Savannah, Ga., Jan. 6, 1856. HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgia pangs, which ended in chronic rheumatism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. They persevering in the use of them, I am now entirely well.

Dr. Ayer: I have been entirely cured by your Pills of Rheumatic Gout--a painful disease that had afflicted me for years. THOMAS V. HINES.
