A La Carte Service That is Best

Our Cash System

Has been exceptionally satisfactory. So much so that we would not
think of changing back to the old credit system.
With Our New Cash System
We will be able to sell you at 10 per cent less than before, besides
give you better service.

WHY?
Because it requires less help and at a much less expense.

By January 1, 1915
We will not have to employ a bookkeeper or a collector and all our
efforts will be directed to cash customers, which we assure you will
be more satisfactory to you, as well as to us, and with this system it
will be more satisfactory to all of us.

Our Holiday Goods

Are most all in the cases and we suggest that you make your
selection early. By paying down a small deposit we will hold any
article until Christmas.

A Christmas Rush

This year we look forward to a big rush only a few days before
Christmas, so if this proves true it will be to your interest to buy
early, as duplicates will be hard to fill.
So call early and let us show you.
