RUSSIAN ARMY IS LOSING TO ENEMY

String of Trenches and Artillery Are Lost by the Germans.

BERLIN, Dec. 21.—The trenches held by the Russian troops have been stormed and captured, cannon and machine guns and many prisoners were captured. The forces fronted attacks have been repulsed by the Germans, according to the latest official bulletins.

VIENNA, Dec. 21.—A portion of the Russian army is expected to make a dash for the Austrian army which for the past three days has been engaged with the enemy in an attempt to gain the stage. The Russian lack men and guns to secure this.

TO ATTACK WARSAW. LONDON, Dec. 21.—A battle of enormous proportions is planned for Warsaw. A million Russians are expected to attack the city. The losses on both sides are the heaviest. Vienna says that the Russians are steadily reinforced. Petrol and today only the situation is unchanged.

GERMAN LOSSES. PARIS, Dec. 21.—The destruction of the trenches and two German artillery pieces and of Albert was officially announced today. The first line of the enemy's trenches southwest of Looz have been repulsed. Important gains in Belgium France are also stated.

OFFICIAL WORD. BERLIN, Dec. 21.—The official bulletin issued today declares that the attack on the Russians in Poland continues. The situation in east Prussia is practically unchanged.

FIGHTING ENERGY. PARIS, Dec. 21.—Two lines of German have been taken by the Poles southwest of Lubuska in their formation of their forces which include the 12th division. The fighting there is the most bitter of the war in that section. With the allies' warship sailing along the coast the battle in Finland is increasing in ferocity.

RAISER TO FRONT. LONDON, Dec. 21.—The Kaiser has returned from the front against the protests of his physicians. He was completely recovered, it is reported. However, the Kaiser's return to the front is also necessary for the honor in order to encourage him.
