A RANCHMAN NEAR Fort Churchill, Nev., says the army worm is death on the leaves and through the stems. The army worms stuff themselves with vegetation, and the leaves and tender stuff with army worms to such an extent that the least of the sun causes fermentation within them, and they swell up and burst.

EXAMINER KELLS reported the actual losses of the Second National Bank of Xenia, Ohio, at about \$50,000, of which amount \$30,000 is chargeable to Cashier Anthony, who acted without knowledge of the directors. It is desired certain that the institution is all right yet, as an assessment of \$15,000 would be sufficient for that purpose.

MR. SHERMAN COOPER, Clerk of the Erie Lock Superior Court, has engraved on the back of a postcard, without the aid of a microscope, the letter of acceptance of Governor Cleveland, copied verbatim, containing 1,900 words. The writing is perfectly readable with the naked eye.

PENNSYLVANIA HAS A NEW LAW, under which is given to the Board of Public Charities supervision of all places in which any person of unsound mind is detained and compensation is paid, and of all places where two or more such persons are detained, with or without compensation. This excepts the single family idiot or lunatic, and it appears from the accounts of cruel treatment for persons which have appeared in the Philadelphia Times and Press, that the care of a lunatic is a dangerous power to trust to relatives unless subject to official oversight. A change in the statute is demanded.
