

Red Cross Fund Has Melted Until Only Tenth Remains

Hundred Million Raised by Americans Has Mitigated Untold Suffering.

HELPING ALLIES WIN WAR

Thousands of Samples Entering Trenches Increase Organization Work.

The American Red Cross... day was unknown. It had a plan, and it had a mission. It had a purpose, and it had a goal. It had a plan, and it had a mission. It had a purpose, and it had a goal.

...of that time would have been... (three times what it was)... The fund has melted away...

THE NEW BATTLE CRY OF FREEDOM—“BUY LIBERTY BONDS”

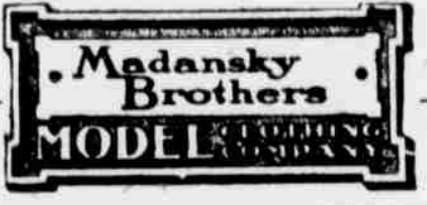

“DIFFERENTNESS” —in— SPRING SUITS FOR YOUNG FELLOWS

Strictly speaking, styles are pretty much the same. It takes genius to improve them or make them different. Some makers are content to follow the general trend, while others employ style-masters with a genius for improvements that will transform commonplaceness into differentness.

“Differentness” in Style and “Betterness” in Fabric Make Ours the One Best Line of Spring Suits for Young Men.

...One Third in France. France, Britain, Belgium, France, had suffered most and it was there that the Red Cross expended most of its efforts and money. Accurate figures show that up to March 1, nearly one-third of the sum raised in that work of sacrifice and effort had gone to France.

“BAND OF THE UNITED STATES” BOOSTS LOAN Great Lakes Naval Training School Aggregation Touting Fund. CHICAGO, April 13.—The band of the United States, as President Wilson once characterized it, the Great Lakes Naval Training School band of nearly seven hundred men, is having its first tour in the Liberty Loan campaign.

...other course open to the government than to undertake new and special duties with regard to the maintenance of proper industrial relations. This was necessary in order to achieve the effective utilization of the labor resources of the nation which is now a matter of the first importance.
