Young Women Learn a Profession

Many young women totally unprepared, are being called upon to enter theindustrial field.

Begin your preparations now so you can avail yourself of the many opportunities which are open to young women.

We have increased our school facilities and instruction corps to take care of the large number we are now training.

This is the only school in the city where no tuition is charged and where you are actually paid a salary while learning.

Call at Room 213, and Miss Senger will explain the work and its advantages.
