Another pretty Easter frolic was the one with which Maxine Brown, daughter of Mr. and Mrs. W. L. Brown, entertained about 25 children Saturday afternoon.

The lawn surrounding the Brown home was the scene of the play, games and egg hunt, directed by Mrs. Naomi Brown. The party luncheon was served indoors with the children seated around the dining table. A pretty picture in chicks, eggs and Easter favors, Mrs. Charles Brown, Mrs. Joseph P. There was the usual egg hunt and other pastimes appropriate to the occasion, with Miss Louise Gleason, teacher of kindergarten, directing the play. **YOUR FRECKLES**

Need Attention in March or Face May Stay Covered.

Now is the time to take special care of the complexion if you wish to show well the rest of the year. The fresh winds have a strong tendency to bring out freckles that may stay all summer unless removed. Now is the time to use Othine—double strength.

The preparation for the removal of freckles is usually so successful that it is sold by druggists under guarantee to refund the money if it fails to give an ounce of Othine—double strength, and even a few applications should show a wonderful improvement, some of the smaller freckles even vanishing entirely—adv.

**Kidney Stone Operation Did Not Help Her.**

Mrs. A. W. Ballard, after suffering from stomach and kidney disorders for some time, with consequent weakness, loss of weight and sleeplessness, was twice operated upon in the weak condition for gall stones without relief.

Mrs. Ballard says that it got so bad she lost three months of food would not eat until she was in a subject matter. Then she tried the Orgatone treatment, and when seen as she was losing her second bottle, she said: "I think Orgatone is the most wonderful medicine I have ever taken. I feel so good I hardly know how to thank you for new life and new energy."
