Disappointed.

The ladies of the Christian church are sorely disappointed in not receiving the oysters for their supper tonight. The bivalves are expected tonight and they will begin serving them tomorrow at noon, and keep serving until midnight of tomorrow.

The Eltermans Safe.

Through a letter received today by Mr Rube Bourland, Mrs Elterman says to tell their friends that she and Mr Elterman are alive, although "losing nearly everything we had," as she expresses it. All the friends of these people in Chickasha will be happy to hear of their safety.

The First National Bank of Chickasha makes its first monthly statement today, showing total resources of \$68,874 65, and a line of deposits of \$39,563 33. For a bank that began business two months ago the showing is all right.

Miss Clara Miller and Mrs. Chas. Rose were out on horseback this forenoon scattering show literature and tooting on a silver cornet. They allowed de ole man to try the horn, and while he endeavored to make the thing squawk they turned him up a la hand organ, "blowed" in his ear and assisted in every way they could and he finally made it toot to the admiration of the nigger hod carriers, the central girl over the way and the whole office force. The ladies didnt have the right instrument for de ole man. He blows de base drum, he does.

At the play of Breezy Point, at the court house tonight Mrs. Hampton will sing a solo, Mrs. Riddle will give a recitation, and Mr. Snow will give big heap of music on his justly celebrated Pianola.

Either of the above will be worth the price of admission, while the girls are bent on doing their dead level best to make the show worth all you pay for it and six bits besides.

If anything could add to the horror of the situation at Galveston it is the vandalism of the ghouls who are reported as robbing the dead. This most shocking incident of all in the awful tragedy which has overwhelmed Galveston. It seems inconceivable that cupidity or any other dross in human nature could survive such an appalling demonstration of the violence of nature and weakness of a man as the stricken Texas city has experienced.

Bitter fighting does not necessarily mean personal abuse or unsavory remarks. Keep your temper. Work all night and talk all day if you find it essential to your success. It will irritate you and cause Dyspepsia but you can find relief for that in Dr. Caldwell's Syrup pepsin which is guaranteed by E. Howard.

It is after he gets his bill that a man realizes whether he has employed a physician or just a plain doctor.

The Old Fellows of Chickasha wired \$50 to the Galveston sufferers today.

BIRTHDAY DINNER.

Mr J C Bohart jumped into 52 years of age today, and his family set 'em up to this semi-old man in a big dinner and lots of good wishes for a return of many more such anniversary days. Mr Bohart has been a resident of Chickasha for six to seven years and has been a leading factor in shaping the course and upbuilding the city. A good thinker, and with a happy way of expressing his well matured ideas he is always listened to with marked attention at public gatherings, and his advice sought on questions of public interest. While he has been at the head of the Bank of Chickasha, and always among the leaders in public affairs, he has also been a leader and substantial worker in the Christian church of this city, and to his efforts the church society is largely indebted for its temporal and spiritual welfare of today. His purse, his influence, and his labors have been given to its welfare unstintingly, and he with his co-workers can feel a just pride in its welfare and good standing at this time.

According to the family book, at which we have been allowed a peep, we find that Jacob Cogdell Bohart was born September 14th, 1848, in Buchanan county, Missouri, was married to Miss Marilla Ann Goff, November 18, 1866, and they have a family of two boys and five girls, all grown and happily married except the two youngest girls, who are yet at home. Mr Bohart has had several occupations, having been a farmer, a pedagogue, a merchant, an "angel of commerce," and a banker. The Express, with many friends, will join the family in wishing the gentleman many returns of this anniversary.

Revs Cameron, Comper, and Leonard, and Messrs B P Smith, H B Johnson, and J C Bohart were appointed a committee to solicit money and clothing.

A message from superintendent Hovey said that a fast train from Chicago with 12 cars would pass Chickasha at 5:10 tomorrow, and if the citizens desired to load a car this train would take it. Mr Kimmerly said he would have men to receive anything up to train time. The meeting adjourned and the committees went to work.
