The English Parliament is having about as much trouble over the Home Rule Bill as we are having over our Toll Exemption Bill. For almost a century the Home Rule Bill has been before the English Parliament in some form. And now, as there is a possibility of it passing, it is meeting with a storm of opposition from parts of Ireland.

CATERINA is willing to send a Mediator to join the Peace Committee but he wants it distinctly understood that he will not be bound by what the Committee does. We presume he just wants to send a man so he can keep posted on their progress and what they are doing.

Teddy, the Terrible has again landed on American soil. He said he had been very sick of swamp fever and insect bites. He is evidently suffering from paralysis of the tongue as he refused to do much talking.

If the Mediators do not rush their work, Villa is going to beat them to it. He will be using Huerta for fish bait, as he swore he was going to do before they get their mediation started, if they don't get a move on them.

## SPIRITISM SAID TO BE DEMONISM.

A most interesting little brochure has recently come off the press setting forth with Bible proofs that the communications received by and through Spiritist Mediums is of Demon origin. The writer traces his subject through the Scriptures from the time when certain of the holy angels became disobedient. He proves from the Scriptures that these fallen spirits persecute the human dead, with whose past history, spirits, though invisible, are thoroughly acquainted. He shows that they also frequently persecute the Creator and the Redeemer, commanding their deceived ones to pray, do penance, etc. This, however, is merely to lead them on and to bring them more thoroughly under demonic control. Sometimes by breaking down the natural barrier, the human will, they possess their victim, and rule him more or less to his ruin—frequently sending such to the mad-house. Numerous illustrations, Scriptural and otherwise, are given. The price of the little book is but five cents; it should be in the hands of all interested in Spiritism or who have friends interested therein.
