

**HAVE YOU THOUGHT**

Of Visiting El Paso During the Second Annual Midwinter Carnival to Be January 14-18, 1902.

It is a great show. The large attendance and splendid success of last season prove it. During the festivities meetings of the American Association of Shorthorn Breeders and the National Association of Hereford Breeders will be held. These organizations will bring to the city an extensive exhibit of highest grades show stock. The Texas Live Stock Association will hold its annual convention in El Paso January 15-16, 1902. There will probably be 2000 cattlemen in attendance.

Efforts are being directed towards securing a Miners Drilling Contest. \$1000 in cash prizes will be offered if contest is arranged. Camps in almost every section in Arizona, New Mexico or the Mexican Republic will send drillers to compete.

The Carnival Association will present the attraction characteristic of high class carnivals. Among the amusements we find an European and Oriental Midway, Moving Picture Exhibit, The Flying Lady, German Village, Performing Snakes, Electric Theatre, Ferris Wheel, Contortionists, High Divers, Splendid Mexican and American Bands, Cattle Parade, Beautiful Flower and Queens Parades, etc. Exciting bull fights in the Mexican city of Juarez just across the Rio Grande from El Paso; a short street car ride. The city of El Paso will be beautifully decorated with thousands of electric lights festooning the streets. In fact there are many other attractions and many entertaining features which belong to El Paso only that we are not yet prepared to publish.

The enthusiasm is unparalleled and it is predicted that the greatest number of people ever drawn to one center in the Southwest will be attracted to El Paso in January.

It is not cold in El Paso in January. There is plenty of sunshine and the altitude insures pure air. In fact this offers an IDEAL WINTER TRIP.

On one day during the carnival the Texas & Pacific Railway Co. will run a special to accommodate the crowds. The rate will be very low and the limits reasonable.

For further information address any ticket agent of the Texas & Pacific Ry., or H. P. Hughes, Traveling Passenger Agent, Ft. Worth, Tex., or E. P. Turner, General Passenger and Ticket Agent, Dallas, Texas.

**Brain-Food Nonsense.**

Another ridiculous food fad has been branded by the most competent authorities. They have dispelled the silly notion that one kind of food is needed for the brain, another for muscles, and still another for bones. A correct diet will not only nourish a particular part of the body, but it will sustain every other part. Yet, however good your food may be, its nutriment is destroyed by indigestion or dyspepsia. You must prepare for their appearance or prevent their coming by taking regular doses of Greene's August Flower, the favorite medicine of the healthy millions. A few doses aids digestion stimulates the liver to healthy action, purifies the blood, and makes you feel buoyant and vigorous. You can get Dr. G. G. Green's reliable remedies at City Drug Store, Ardmore and Madill.

The Ardmoreite spoke of Mrs. W. S. Mason as being one of the ladies in charge of the doll department at the Methodist bazaar. We should have said Mrs. L. D. Mason, for it was her deft fingers that made some of the beautiful dolls that were on exhibition at the bazaar.
