

HIS CLIENT ESCAPED.

Kindness to a Prisoner Costs a Vinita Attorney \$250.
Vinita, I. T., Dec. 28.—A man was brought in here yesterday and put in jail on a charge of burning hay stacks and with shooting at R. C. Parks at Chelsea. Attorney W. H. Kornegay was employed to represent the prisoner and gave bond for him in \$250 to take Harris up to his office. While in the law office Harris escaped and this morning Attorney Kornegay is "standing good" for the \$250 for the appearance of Harris. The bond was declared forfeited.

Health and Beauty.

A poor complexion is usually the result of a torpid liver or irregular action of the bowels. Unless nature's refuse is carried off it will surely cause impure blood. Pimples, boils and other eruptions follow. This is nature's method of throwing off the poisons which the bowels failed to remove. DeWitt's Little Early Risers are world's famous for remedying this condition. They stimulate the liver and promote regular and healthy action of the bowels but never cause griping, cramps or distress. Safe pills. City Drug Store.

BURNED IN HIS SHANTY.

Old Negro's Hoarding Probably Cost Him His Life.

Guthrie, O. T., Dec. 28.—At 2 o'clock this morning a shanty belonging to an aged negro named Tom Owens was discovered on fire and by the time the firemen arrived nothing was left of the shanty but a few blazing joists. In grappling the fire hooks to pull down these joists one of the firemen discovered the body of the old man lying in the narrow space between the stove and where the side of the shanty had been. An employee of the Santa Fe depot states that he saw a man running from the place just as the fire was discovered, and it is believed that the old man was murdered for the few dollars he had hoarded and the building fired to hide the crime. The dead negro claimed to be over a hundred years old and at one time a slave of Andrew Jackson.

Tammany Turned Down.

New York, Dec. 28.—That Seth Low will assume the mayor's office and proceed to turn the Tammany rascals out on Wednesday next is the topic that interests New York most just now. Mr. Low has made unique preparations for taking charge of the city government. After he was elected, he rented a suite of offices, taking an entire floor of an office building on Madison Square. This was fitted up with desks, typewriters, etc., and a squad of clerks and assistants were employed. Then the mayor-elect was ready for business.

The business was to conduct a city government in futurity. Each department of the city government was inquired into, and a man selected to succeed the present Tammany incumbent at the head of that department. The methods of the department were investigated and a decision reached as to what changes would be made in those methods after January 1st.

The work was thoroughly done, and all has now been fixed. Nearly all the appointments have been announced—and they have been of a conspicuously high order—and on January 1st, all that will be necessary will be for Mr. Low to sign a number of papers making his desires of legal effect. The new administration will then be ready to proceed to its work of reform, just as if the new incumbents had their two months' training actually in office.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound of imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of deafness (caused by catarrh) that can not be cured by Hall's Catarrh Cure. Send for circulars, free.

Gainesville Notes.

The Register says, while sitting in his office this morning about 11 o'clock Dr. L. Lagle was suddenly stricken with a severe stroke of paralysis. He was removed to his home on North Taylor street, where he now is. He has been unconscious from the moment of the stroke and all efforts up to 3:30 o'clock to revive him had proven fruitless. His condition is regarded as very critical.

Mr. Adams, best known as "Ace Hand" Adams, because he made and sold these articles, was found dead in his bed this morning at his home north of the McAfee crossing. It is supposed that he died some time during the night and that his death was sudden and without warning as no one in the house was aware of his having passed away until this morning. A subscription was taken this afternoon by members of the Confederate camp of which he was a member, to defray his funeral expenses, as the old man was without means.

J. W. Bryan of Lowder, Ill., writes: "My little boy was very low with pneumonia. Unknown to the doctor we gave him Foley's Honey and Tar. The result was magical and puzzled the doctor, as it immediately stopped the racking cough and he quickly recovered." Bonner & Bonner.

Saved His Life.

"I wish to say that I feel I owe my life to Kodol Dyspepsia Cure," writes H. C. Christenson of Hayfield, Minn. "For three years I was troubled with dyspepsia so that I could not hold anything on my stomach. Many times I would be unable to retain a morsel of food. Finally I was confined to my bed. Doctors said I could not live. I read one of your advertisements on Kodol Dyspepsia Cure and thought it fit my case and commenced its use. I began to improve from the first bottle. Now I am cured and recommend it to all." Digest your food. Cures all stomach troubles. City Drug Store.

RESOLUTIONS OF RESPECT.

Anent the Death of J. N. Worthy, Member John H. Morgan Camp.

Whereas, Our late comrade, John N. Worthy has departed this life and will no longer meet with us around the campfire; and

Whereas, during his life he was an upright citizen and a brave soldier. He joined the Confederate service in 1863, was taken prisoner shortly afterward during a skirmish at Port Hudson. Escaped and joined his regiment at Marietta, Miss. Upon many a battlefield he upheld the flag we all love, and finally surrendered at Citronel, Ala., 1865. J. N. Worthy was a dutiful husband and father. He died on the 9th day of November, 1901, at Biloxi, Miss. It is therefore

Resolved, That in the death of Comrade Worthy our camp has lost one of its most worthy members; our country has lost an upright citizen, and his family a loving husband and father.

Resolved, That we extend to the family our most sincere sympathies; that a copy of these resolutions be furnished to his family, a copy furnished to the daily papers of Ardmore, and that they be spread upon the minutes of this camp, and that our camp be draped in mourning for thirty days.

Hogan's Alley.

Hogan's Alley, that very extravagant farce comedy, has caused more laughter than any similar organization. The piece has had an exceptional long run, this being the fourth season. Joe Flynn is widely known as the Irish King and he has surrounded himself with a capable company of farceurs among them being Floradore, who created such a sensation in the east with her grace and beauty, Matt Russell, the famous Dutch comedian, noted for his funny songs and monologues. Tot Young, the banjo wizard, the Trix Trio, noted eccentric singers and dancers, are among the important members. The company make their initial bow before an Ardmore audience, Wednesday night, Jan. 1, 1902.

Among the singing features of this company are sung "Go Way Back and Sit Down," Floradore Quartette, "Every Nigger Had a Raglan On," Mr. Harry Clinton Sawyer, the celebrated song delineator, is especially engaged with this attraction to produce his singing specialties, which always receive an ovation.
