# FIRST WEEK AT THE NEW STORE

**S**HALL be a succession of enormous sales and great bargains. The success of the Record Breaking prices during the past week has induced me to continue the same prices for six more days. Those who were unfortunate in not being able to attend our sales last week have a few more days given them in which to share this great feast of bargains. The price on every piece of goods in my house is below wholesale cost and on many articles the price is actually not more than 40c on the \$1 of wholesale cost. Such prices will make this week one of enormous sales.

The walls of the old store are being torn down this week and from now on you will find us in our new home, north side of Main street in the building formerly occupied by the City Drug Store.
