

RUSH SPRINGS.

Special Correspondence. Rush Springs, Nov. 11.—The rainy weather has subsided and we are now enjoying some nice pleasant weather. Business seems to be quiet as farmers are busy picking their remaining cotton. The price being paid for cotton yesterday and today is 7.50. C. M. Bell has sold his furniture store to A. D. Smith and moved to Bowie, Texas, his future home. Mrs. Mercer arrived here last night from Gainesville, Texas. She is visiting her sick daughter, who is reported to be slowly improving. Prof. Gates of Lindsey visited old friends and acquaintances this week in Rush. Bro. Ford, who has been confined with rheumatism for two weeks past, is again at his post in the livery business. Rush Springs cornet band is progressing nicely under the direction of Herman Craiger of Duncan. Mrs. Callie Abbott and little son, Russell, were shopping in town yesterday from Oklahoma. Our barbers are having trouble now. They raised the price to 15 cents. There is to be opened today a 10-cent shop. E. E. Shockley is preparing to move to Sulphur, where he will in future reside. He leaves many friends here who regret his departure. The Owl drug store has changed hands, same being purchased by a gentleman from Duncan. Health of our town and surrounding country is reported as being good.

There is no cough medicine so popular as Foley's Honey and Tar. It contains no opiates or poisons and never falls to cure. When a woman has nerve in addition to her other qualities, she is almost invincible.

He Could Hardly Get Up. P. H. Duffy of Ashley, Ill., writes: "This is to certify that I have taken two bottles of Foley's Kidney Cure and it has helped me more than any other medicine. I tried many advertised remedies, but none of them gave me any relief. My druggist recommended Foley's Kidney Cure and it has cured me. Before commencing use I was in such a shape that I could hardly get up when once down." Sold by Bonner & Bonner.

W. A. Herrin of Finch, Ark., writes: "I wish to report that Foley's Kidney Cure has cured a terrible case of kidney and bladder trouble that two doctors had given up." Sold by Bonner & Bonner. Love may have wings, but riches get there with both feet. Foley's Honey and Tar for colds and coughs; reliable, tried and tested, safe and sure. Sold by Bonner & Bonner.

MARIETTA.

Special Correspondence. Marietta, I. T., Nov. 11.—Our streets have been very muddy for the past few days. The "Indian police" are still in this vicinity but are working awful slow. There has not been very much cotton on our streets this week. Cotton picking is nearly over in this section. Wheat is very good—better than last year. Our town is still improving. Several dwelling houses going up. J. B. Ingram is moving his confectionery store to Ardmore. Mrs. Ingram left a few days ago to visit her father, who is quite ill at Oklahoma City, where he has since died. Rev. J. B. Askew left for Killen, Texas, where he will conduct a series of meetings. Our sick is reported better. Frank Knight, who was hurt a few days ago at the old round bale gin, is slowly recovering. Ed Monroe killed an eagle that measured seven feet from tip to tip. The public school is moving on nicely with good attendance—about 300 in all. Will Blackburn of Ran was in town yesterday. O. H. Rhoads and T. V. Askew were in town yesterday.

A Thanksgiving Dinner.

Heavy eating is usually the first cause of indigestion. Repeated attacks inflame the mucous membranes lining the stomach, producing swelling after eating, heartburn, headache, sour risings and finally catarrh of the stomach. Kodol cures indigestion, dyspepsia, all stomach troubles by cleansing and sweetening the glands of the stomach. City Drug Store.

Beating the devil around the stump is apt to give one vertigo of the morals.

The word Garland is synonymous with everything that goes to make up a perfect cooking stove. Buy them from Stevens, Kennerly & Spragins Co.

Two heads are better than one—except in the family.

Mr. Summers of Comanche county was in Dixie last week. Mr. Gipson is here. He will move a load back to Comanche for Mr. Reece.

Mr. and Mrs. Roberson went to Loco Sunday. Mr. Elliott of near Duncan and Miss Vick Kiker were married Thursday evening, Rev. J. W. Jackson officiating.

Mr. Hall of near Sunset, Texas, was in our community after a load of corn.

Mrs. Davis has a very sick boy. Willie Melvain is very sick. Also Mrs. Sappington is reported as being very sick.

Born to Mr. and Mrs. Reed on the 2d of November, a girl. All doing well.

Stepped Against a Hot Stove.

A child of Mrs. George T. Benson, when getting his usual Saturday night bath, stepped against a hot stove which burned him severely. The child was in great agony and his mother could do nothing to pacify him. Remembering that she had a bottle of Chamberlain's Pain Balm in the house she thought she would try it. In less than half an hour after applying it the child was quiet and asleep, and in less than two weeks was well. Mrs. Benson is a well known resident of Keller, Va. Pain Balm is an antiseptic liniment and especially valuable for burns, cuts, bruises, sprains. For sale by City Drug Store, F. J. Ramsey and Ardmore Drug Co.

By Spending a Large Sum of Cash

just at the proper time we came into possession of an immense stock of stoves—more stoves than we usually buy—but the price has been reduced so much that we will sell twice as many stoves as usual.

A GOOD WARMER The Great Western Heater, coal or wood, is acknowledged to be the best all round stove made, giving out more heat and consuming less fuel. Every stove is a perfect one, and among them are stoves pretty enough in design to add handsomely to your furniture.

THE QUEEN OF STOVES The Charter Oak. Three generations have used the Charter Oak Cooking Stove. They have kept pace with the advancements in manufacturing until stove perfection has been reached. The world acknowledges no other cook stove. They are the standard of stove perfection—as full of cooking goodness as a kernel is of meat. You can't resist buying when you learn the price.

STEEL RANGES The Majestic Steel Range towers above other ranges in convenience and durability. One lasts a lifetime, is a beautiful piece of furniture and, added to these good points, we make a special reduction in price.

Come now while you can take choice. . . Williams, Corhn & Co., The Hardware Men.

Slow Starvation

is the fate of sufferers from dyspepsia and indigestion. If your food remains undigested it can't build up the body. In fact, it does actual damage by decaying in the stomach and poisoning the system.

KODOL Digests What You Eat.

Kodol is the sensible remedy. By digesting what you eat it strengthens the body and at the same time rests the stomach. This rest soon restores perfect health. Cathartics and stimulants only reach the symptoms. Kodol cures. It is Nature's tonic.

Five years ago a disease the doctors called dyspepsia took such a hold on me that I could scarcely go. I took quantities of peppin and other medicines, but nothing helped me. As a drowning man grasps at a straw I grabbed at Kodol. I felt an improvement at once, and after a few bottles am sound and well. GEORGE B. MAHON, Attorney-at-Law, Nocona, Tex.

It can't help but do you good. The \$1 bottle contains 2 1/2 times as much (actual measurement) as the trial size which sells for 50c. Prepared by E. C. DeWitt & Co., Chicago. Sold by all dealers.

DeWitt's Witch Hazel Salve a soothing, healing application for piles, sores and skin diseases. Beware of counterfeits.

Something About Stoves

The one thing that a home must be provided with above all things else is a stove. And since we buy, why not have the best. Among our big stock of the noted Great Western Heaters

are the common sense air tight wood stoves. Every part of them was made for service. When you see their size you will be surprised at the low price. Handsomer stoves for a little more. A handsome collection of the famous Charter Oak Cook Stoves

have graced our store many seasons. These stoves speak for themselves. The oldest man around Berwyn can not remember when the Charter Oak Stove was not in use. We will save you money on Stoves over any town on the Santa Fe road.

The New Northwest is increasing from immigration, by 200,000 people yearly. This region offers a field for farmers, stock raisers, miners, lumbermen, millers, fruit growers and all classes of labor. The Cody-Wyoming extension into the Big Horn Region offers a splendid opening for the live stock and wool business and for farming by irrigation.

The industrial expansion that is now the basis of wealth in the East, will be repeated in the Northwest. Give some thought toward a home in Nebraska or Minnesota, the Dakotas, Montana, Northeastern Wyoming, Northern Idaho, Washington, the Puget Sound and Columbia River region.

Connecting trains from Denver to Alliance in connection with this great through train. You can reach the Northwest either via Kansas City, St. Joseph or Denver, by the Burlington Route.

TO THE NORTH. The Burlington has two trains daily to St. Paul and Minneapolis, reaching the valuable territory of Minnesota and the Dakotas traversed by the Northern Pacific and Great Northern railroads. The Burlington is the main traveled road to the Northwest and North. Things We Like Best

Often Disagree With Us Because we overeat of them. Indigestion follows. But there's a way to escape such consequences. A dose of a good digestant like Kodol will relieve you at once. Your stomach is simply too weak to digest what you eat. That's all indigestion is. Kodol digests the food without the stomach's aid. Thus the stomach rests while the body is strengthened by wholesome food. Dosing is unnecessary. Kodol digests any kind of good food. Strengthens and invigorates. Kodol Makes Rich Red Blood. Prepared only by E. C. DeWitt & Co., Chicago. The \$1 bottle contains 2 1/2 times the 50c one.
