TOLD NOT TO OBEY.

Delegate to International Congress of Women Uses Strong Language.

Berlin, June 8.—There is no lack of strong words in the preliminary meeting of the International Congress of Women. One of the English delegates declared point blank that women did not need to obey either man or the laws made by men in any state, though of course, she would not advise any woman to do so in time to disregard the laws of the country as long as the (1900) and (1910) laws of man made it possible for him to punish her for disobedience.

Boschee's German Syrup.

We can not understand why any person suffering with a cold or throat and lung trouble will neglect to purchase a bottle of German Syrup, sold in all civilized parts of the world, without a single case of failure. There are thousands of consumptives right here in Indian Territory that give Boschee's German Syrup the sole credit of their being alive today. Ask your druggist. Price 25 and 75 cents.

Was Wasting Away.

The following letter from Robert R. Waits of Salem, Mo., is instructive. "I have been troubled with kidney disease for the last five years. I lost flesh and never felt well and doctor after doctor suggested without relief. Finally I tried Foley's Kidney Cure and less than two bottles completely cured me and now I am sound and well." Ten Years In Bed.

R. A. Gray, J. P., Oakville, Ind., writes. "For ten years I was confined to my bed with disease of the kidneys. It was so severe that I could not move part of the time. I consulted the very best medical skill available, but could get no relief until Foley's Kidney Cure was recommended to me. It has been a godsend to me." Bonner & Bonner.

For a Hundred Years.

For a hundred years or more witch hazel has been recognized as a superior remedy, but it remained for E. C. DeWitt & Co. of Chicago to discover how to combine the virtues of witch hazel with other antiseptics, in the form of a salve. DeWitt's Witch Hazel Salve is the best salve in the world for sores, cuts, burns, bruises and piles. The high standing of this salve has given rise to counterfeits, and the public is advised to look for the name "DeWitt" on the package, and accept no other. Sold by all druggists.
