SUES TO STOP ROAD BUILDING

ALBERT MARK, IN EQUITY PROCEEDING FILED TODAY, SAYS VIEWER NEVER MADE A REPORT IN THE MATTER

Suit to restrain the county and Road Supervisor Short from establishing a road through his property has been started by Albert Mark, whose place is on the route selected for the Merrill-Poe Valley road. W. H. A. Renner is attorney for Mark.

In his complaint Mark alleges that the road was never officially established, as the reviewers never reported at the time set for hearing, and he says there is no other record in the county court journal of their having ever met to establish the route.

STEEL BOOMING SINCE DECISION

ACTION OF FEDERAL COURT IN REFUSING TO DISSOLVE STEEL TRUST RESULTS IN HIGH FINANCIAL FLURRY

United Press Service
NEW YORK, June 4.—The decision in the steel case was used as a cause to boom the stock market to a point rivaling that of 1901, when prices skyrocketed almost out of sight.

On change this morning steel reached 64, which is 4% above last night's closing. This represented an increase of \$20,000,000 in value of steel shares.

International Harvester jumped sixteen points.

A LITTLE SPORTING GOSSIP

By BARRY FARIS
(United Press Staff Correspondent)

NEW YORK, June 4.—John McGraw has his back against the wall. The doughty little manager of the four-time pennant winning Giants is at last faced with the prospect of piloting a trailing team. That the outlook doesn't set well with the "Little Napoleon" is plainly evidenced by the cyclonic shake-ups that he hands his lineup.

He hasn't quit yet. The word quit doesn't appear in his vocabulary. The pounding that his club is getting from the others in the Tanager loop will only serve to make McGraw fight harder than ever. But even his most ardent supporters admit that this year his fight looks like a losing one.

To many it looks like the old Giant machine has crumbled. And it is an odd circumstance of fate that the once powerful aggregation is withering away just as two famous machines of other days that cracked a few years ago are getting back into power. These two are the Tigers and the Cubs. The Detroit outfit is run high back to the fore as a contender in the American League under the same leader that piloted it in the winning days of the past—"Ee Yah" Hughie Jennings. The Chicago gang is being pulled up the ladder of fame by one of McGraw's old lieutenants, Roger Bresnahan. Frank Chance guided the destinies of the old-time pennant copping Cubs—and he was there when they hit the skids, too.

It is the indefinable "something" which is missing from the Giants' ranks—that "something" which a club has to have to stay on top of the heap through the long, hot days of August and September, when the weak sisters who flash in the spring wither away. The old stars are mostly with the club, and seemingly they still deliver the goods. Their batting averages all look good, but when you watch their work day after day you see that the "punch" is gone. They are not able to rise up and crush the opposition in the crises any more as they used to do.

Probably the hardest individual blow McGraw got was a wallop by the National League owners. They reduced the number of players any club could carry to twenty-one. McGraw was the hardest hit of any National League manager. Last year, when the Feds were raiding the ranks of organized ball, McGraw, to protect himself, signed most of his veterans

under long-time contracts. Now he hasn't room for the youngsters that he needs in order to build up a club for the future.

Moving Pictures

"The Love Route," the four part Famous Players production of Edward Peeples' famous story, which was presented at the Star theater last night, is well worthy of mention as being a superior offering. It is a story of ranch life and Western railroad construction, while the story in the main is of a dramatic nature. There are many big and beautiful scenes in the picture, and a cast that is seen to excellent advantage.

Harold Lockwood, Winifred Kingston and Jack Pickford are seen in the leading roles. A "Heart Selig News Pictorial" and a picture from Darkest Africa complete the picture end of the program.

O'Dell, Hart & Hall are pleasing the public with their comedy, singing and acrobatic stunts.

"The Love Route" will be presented tonight for the last time. Saturday and Sunday Charles Richman will be presented in "The Man From Home."
