

# NEWS NOTES OF PENDLETON

**Is Improving.**  
L. J. Goldman, of the United States Biological Survey, who has been suffering for the past week with Spanish influenza, is improving at present.

**Grand Jury in Session.**  
The grand jury is in session today, having convened this morning. Judge G. W. Phelps has adjourned circuit court, which was called to open next Monday, the 13th, to open February 2.

**Left for Camp Lewis.**  
Max Hopper and H. E. Held, who have been working on the draft board here for several months, left Sunday for Camp Lewis, having completed their duties here. They expect to be mustered out in a week or so.

**Dr. Crump Taken to Walla Walla.**  
Dr. Floyd Crump, who has been sick

for several weeks with influenza has been taken to Walla Walla for treatment. It is understood he is improving.

**Former Pendleton Man Dies, Fin.**  
R. L. Jackson, until about a year ago operator at this place at the O. W. depot, is reported to have died in Kansas of pneumonia following influenza. Mr. Jackson was well known in Pendleton.

**Crave Continuance of Insurance.**  
The Red Cross, in urging the continuance of soldiers' insurance, gives the following information for the benefit of men in the service: Soldiers must mail premium within 21 days from date of discharge to continue war risk insurance. Insurance may be continued for five years. Within that period arrangements will

be made to transfer it to other governmental insurance at peace-time rates, which will not exceed rates charged by private companies. During period of five years, ex-soldier or sailor's dependents will receive precisely the same security against accident or death in civil life of soldier that they would have received had he remained in the service.

**Do Work by Correspondence.**  
School teachers in Pendleton and other Umatilla county towns where the influenza has caused the closing of schools are busy carrying on the work of education by means of correspondence. Efforts are being made to have the school work continue in this manner, and encouragement is being given for home study.

**Skating at Rieth.**  
Pendleton small boys are enthusiastic about the skating facilities at Rieth. A number of the youngsters spend the "Tu holidays" skating on the frozen pond which they say is far superior to the ice in Pendleton.

**Miss Decker Better.**  
Miss Ada Decker, who was badly bruised in an auto accident recently, is recovering at her home on Willow street. Miss Decker is well on the road to recovery at present.

**Mrs. Putnam and daughter, Miss Margaret Putnam, left Sunday for Salem, where Miss Putnam will act as stenographer for Senator Hoy Ritter. Guy Wyrick left yesterday for Portland to join Mrs. Wyrick in Portland.**

**Will Leave Wednesday.**  
Roy Ritter, newly elected senator from this district, expects to leave on Wednesday for Portland where he will attend the Reconstruction Convention and the Irrigation Congress before going to Salem for the session of the legislature.

**Leave for Portland.**  
M. O. Bennett, assistant state highway engineer and W. L. Thompson, state highway commissioner, left Monday for Portland to attend a meeting of the state highway commission.

**Goes to Condon.**  
Russ Kennedy, formerly of Pendleton and the son of Mr. and Mrs. C. F. Kennedy of this city, who has been in the service as a mechanic, has received his discharge and has left Camp Lewis to join his wife in Condon. Kennedy received training at Blanton Polytechnic school and was in Virginia when the news of the end of the war brought him to Camp Lewis to be mustered out.

**Pendleton Men in 41st Division.**  
About 50 Pendleton and Umatilla county men who were in the Idaho national guard regiment early in the war were later placed in the 41st engineers with the 41st division, and many of these will be returned home in the near future as this division is slated to be returned to America, and mustered out. Among these men are recalled: Bud Cornfield, George Morgan, Lester Norman, Roscoe Froome, Jerry Bennett, Ernest Boynton, Charles Sheets, Fred Grissel, Floyd Holsington, Roscoe Vaughan, Jewell Anderson.

**Is Assisting.**  
Fred Dohmert of H. W. Collins office, is assisting in the business office of Alexander's department store during a shortage of help in the department.

**Funeral Yesterday.**  
The funeral services of the late Robert V. Brownell, brother of Cyril Brownell, well known in Pendleton, were held Monday afternoon at 2:30 in Portland at the Mount Scott cemetery chapel.

**Allotment Arrives.**  
The Umatilla County Red Cross received an allotment of refugee garments today which asks that 405 yards of material be made into clothing for the people of Belgium and France. Work will begin immediately.

**All City Schools Closed.**  
All city schools in Umatilla county are closed because of the influenza epidemic. These include: Hermiston, Stanfield, Echo, Pilot Rock, Helix, Milton, Frostwater, Weston, Athena, Adams and Pendleton.

**Axle Grease Cocktail: The New Drink.**  
The first drunk and disorderly to appear in the police court this year was yesterday morning. It was Jim Mox Mox, an Indian. He pleaded guilty and was fined \$10. Mox Mox told Judge Fitz Gerald he got "full" on axle grease and lemon extract. There is no accounting for the tastes of some people.

**Body of Absher Shipped.**  
The body of William H. Absher, who died of influenza recently at the State Hospital, was shipped Monday from the Folsom parlors to Hood River for burial. A brother, P. W. Absher, lives in Hood River. The deceased was born in Texas and was 23 years of age. He was a laborer before his commitment to the hospital.

**To Finish Knitting.**  
All knitted articles, including sweaters, helmets, wristlets, socks and other articles under process of construction under the auspices of the Red Cross are to be finished as quickly as possible and turned in to the chapter, says word received by the Umatilla County Red Cross. No new work will be begun, and the entire time of Red Cross workers will now be available for the making of refugee garments.

**Is at Camp Meade, Md.**  
Sergeant Anthony F. Drotshagen, supply sergeant Co. K, 72nd Infantry, a Hermiston man, writes M. R. Chessman from Camp Meade, Md., where he is now located. Another Umatilla county man from whom Mr. Chessman has received a letter is O. H. Schultz, formerly in the American National bank of this place, but now in the navy. He is on the U. S. Gun George, and had just landed in New York from Bordeaux.

## DODGE BROTHERS

### MOTOR CARS

The returned soldiers who have seen over-seas service are especially warm in their praise for this highly popular car. No car took a more prominent place in army use than Dodge Brothers.

We can make immediate delivery of a Dodge Brothers Touring Car. We also have a genuine bargain in a used Dodge Brothers Touring Car.

Note: We have a shipment enroute containing two Dodge Brothers Roadsters, the first Roadsters to be had since last June. One is already sold, and we will reserve the other for the first applicant.

The gasoline consumption is unusually low.  
 The tire mileage is unusually high.

PRICE F. O. B. DETROIT, \$1085.
