GIRL IS MARRIED BY HER OWN MOTHER

Mrs. Floyd Glaze (below) and her daughter Mrs. Lee Garmon (above).

To have your wedding ceremony performed by your mother seems rather singular for a mother's tears, kisses and blessings are always supposed to start the daughter down the honeymoon trail. But Miss Hope Manon set off the beaten path and the marriage ceremony changing her name to Mrs. Lee Garmon was performed by her mother, Mrs. Floyd Glaze, a Christian church evangelist.

OAKLAND, Aug. 27.—C. W. Miley, manager of the American Theater, this morning replied to the city council in answer to the six ministers who yesterday protested against the use of the banner and slogan reading "To Hell With the Kaiser." Miley promised that the banner over Fourth and Broadway would be removed, but as the Marine Corps and private citizens had assisted in distributing the other placards, it would be impossible to recall them.

LINCOLN WAS WRONG; CAN FOOL 'EM ALL

German People Naturally rely on Word of Prominent Critics.

LONDON, Aug. 26.—Lincoln was wrong. Apparently it is quite possible to fool all the people all the time—in Germany. According to trustworthy accounts, the Germans are still eagerly, or patiently swallowing the general staff's untruths, half truths and ingenious explanations wherein the press is ably assisting. The press is either deluded, itself, or is a party to the conspiracy to hide or distort facts.

But we must not altogether blame the German people when military critics who are as distinguished in their own country as Repington, Maurice, Maitterre, Simonds and Mason are in ours, continually and cleverly convert the utter rout into "defensive victories" and inglorious defeat into "strategic readjustment to preserve tactical freedom of communication" while simultaneously suppressing, even if they themselves know, the enormous tolls exacted in killed and prisoners during the course of Foch's progressive "failures" or "decisive defeats."

It is only necessary to follow daily the German communiques to become convinced of the sympathetic purposes of Ludendorff to keep the knowledge of the real situation from the public as long as possible, then by adroitly over emphasizing some minor local successes to reestablish German morale.

Heavy Losses Are Charged by Trade To Poor Handling

PORTLAND, Ore., Aug. 27.—Charges that more livestock is being wasted by inadequate railroad service than was saved during the last meatless days are being openly made by livestock men here.

A. F. Hunt, a pioneer livestock operator and known all along the coast as "Dad" Hunt, asserts that not only are livestock trains unusually long, but that they are so heavily loaded with meat that they are bound to be crushed in transit, resulting in much of the meat being cut away in dressings.

Cattle Prices Over Moon

Cow prices literally jumped over the moon during the day when a load of extra good stuff shipped in by the Prineville Land & Livestock company sold at \$9.39, the highest figures ever shown here in the cow division of all Pacific coast high price breaking.

While over Sunday there was a rather liberal supply of cattle reported in the North Portland yards most of the offerings were of fair to medium quality with a very small percentage of really worth while stuff. Killers continue to bid eagerly for the good stuff but all lines of cattle showed a strong tone during the day.

General Cattle Range:

Prime steers \$12.50@13.50

Good to choice steers 11.00@12.00

Medium to good steers 8.75@11.00

Fair to medium steers 7.25@8.75

Common to fair steers 5.75@8.25

Choice cows and heifers 9.00@9.50

Medium to good cows and heifers 6.25@7.75

Fair to medium cows and heifers 5.25@6.25

Canners 3.00@5.00

Hubs 5.00@7.00

Calves 5.00@12.00

Stockers and feeders 6.00@8.00

Pigs

Run of swine in the North Portland yards over night was a very fair one in strong contrast to the scant showing of last week's initial session. Total arrivals over Sunday were 1233 head.

Trade in the swine market started fully as strong as last week's spectacular showing.

General Hog Range:

Prime mixed \$19.50@20.00

Medium mixed 18.00@19.50

Rough heavies 17.50@18.50

Pigs 16.75@18.00

Bulk sales 19.75@19.50

Mutton Situation Good

While there was a rather liberal run of stuff reported in the sheep and lamb alleys at North Portland over Sunday, trend of the trade continues to reflect strength and generally, speaking all values were maintained at the high point.

TRADED UNIFORMS TO GET IN FIGHT

Americans Ordered to Rear, Return as Australians.

WASHINGTON, Aug. 24.—The action of King George of England in decorating four American Lieutenants and fifteen soldiers who assisted British forces in the capture of Hamel on July 4 disclosed here today a thrilling story of typical Yankee courage.

When orders were received on the British front July 4 to advance and take Hamel, some Americans were in the front line trenches in training. They were promptly told to get to the rear.

The Yankees obeyed with much swearing. A small contingent on their arrival in the rear traded uniforms with Australians and hustled back to the front lines without being recognized.

Their courageous exploit would not have been discovered but that several were wounded and their identification tags disclosed their identity.

This story was cabled to Secretary Baker, who would not disclose its source, but vouches for its authenticity. He told the story with pleasure and admitted if these men were court martialed their sentences doubtless would be promotions.

Every useful thing should be used. Sell that used article to somebody who needs it—through the classified.

PACIFIC EXPORTS TO BE EXPEDITED

Through Bills of Lading Via Coast Ports Over Railroads Will Be Continued by Government.

WASHINGTON, Aug. 27.—Director General McAdoo has decided to continue the issuance of through-export bills of lading, via Pacific coast ports, after September 30.

Announcement was made that through-export bills of lading would be discontinued on September 30, due at the time to the shortage of shipping space and resultant congestion at Pacific coast ports, which worked a decided certain reasonable rules to protect and hardship upon the rail lines and slowed up their handling of war traffic. Conditions have since improved, and it has been decided that after surrounding the issuance of through bills of lading with reliefs the carriers of the present burdens, the arrangement can be continued.

Announcement will be made to the public in the near future as to the new rules.

DOINGS OF THE DUFFS YOU CAN'T BEAT THAT FOR LUCK TOM.

PRESIDIO HOSPITAL WILL FIT WOUNDED SOLDIERS FOR WORK

Thousands of Invalided Yankees to Get Mental, Physical Treatment.

SAN FRANCISCO, Aug. 27.—Thousands of invalid Yankee soldiers will be brought back to health and strength at the Letterman General Hospital at the Presidio.

Orders from the Surgeon General's office today name the Presidio Hospital as one of fifteen big army hospitals to be opened in the United States where wounded soldiers will be trained in useful occupations and given a thorough course of mental and physical treatment.

The orders state:

"Henceforth, no member of the military service, disabled in line of duty, even though not expected to return to duty, will be discharged until he shall have attained as complete recovery as is reasonably expected considering the nature of his wounds."

The course provides for complete mental and surgical treatment, including hydrotherapy, electrotherapy, mechanotherapy, massage, indoor and outdoor games and other recreation features.

One hundred and nineteen officers are to be named in this country as heads of the staffs of instructors. Academic, scientific and technical training will be offered. Men partly incapacitated will be taught the trades of typists, tailors, cobblers, harness makers, welders, motor mechanics, bookkeepers, statisticians, telegraph operators and scores of other trades.

Slightly wounded soldiers expected to return to service will be kept at American hospitals in Europe.

The more serious cases will be sent to the Letterman and other general hospitals in this country.

The new order foreshadows a huge expansion in buildings and equipment of the big Presidio hospital.

AGED FRIAR IS MISSING

SALEM, Ore., Aug. 27.—Father Othmayr, 77 years old, and connected with the St. Benedict's Abbey at Mount Angel, disappeared last Monday from the abbey and has not been seen since, according to information which became known here today when an appeal came from Mount Angel to the state penitentiary for the use of the bloodhounds.

Catarhal Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portions of the ear. There is only one way to cure catarhal deafness, and that is by a constitutional remedy.

Catarhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing
