VANDALS RAID RIGS WHILE THE OWNERS ATTEND A MEETING

Get Away With Valuable Lap Robes, Whips and Overchecks—Still Missing

"The rain falls upon the just and the unjust. Principally upon the just, because the unjust have the umbrellas of the just."

While the good people of the Monitor district were in attendance upon a public meeting, presumably a prayer meeting, at Monitor, last Thursday evening some sacrilegious vandals or vandals made a raid upon their rigs, which were hitched outside and stole a quantity of lap robes, whips and overchecks, the latter from the horses' bridles. So far as known here the guilty culprits have not been apprehended.

News of the raid was telephoned Sheriff Esch from Marshal Allie Engel, of Woodburn, and a close watch has been kept in Salem for the appearance of some of the stolen goods. The articles stolen are described as three lap robes, one with a tiger head in the center, another with two horses' heads and the third with a deer's head, and all with pink borders. A lot of whips and overchecks, one of the latter of which had 21 celluloid rings in it.

A practical demonstration of milking machines will be one of the attractions at the farmers' picnic and agricultural show to be held at Silverton, May 15. Luther J. Chapin goes to Silverton tomorrow to make final arrangements with the Commercial club of that place and arrange for speakers. Silos, dairy utensils, supplies and dairy machinery will form an important part of the exhibits for the institute.

You cannot afford to miss William Farnum in "The Nigger." The Oregon, tonight, last time.

The Sunshine Girls of the Frank Rich company is perhaps the best show that has appeared for many months at the Bligh. A capacity house greeted them at both performances yesterday. The audience evidently enjoyed the show as all numbers were repeatedly encored, even after they had responded four and five times. They are billed here for four days, beginning yesterday.

Over two thousand people saw "The Nigger" at the Oregon Saturday and Sunday. They all say it splendid. Don't miss it tonight, the last showing.

"The Nigger," the film which is attracting so much attention at the Oregon theater, has been censored in several southern states. Films like this one and "The Chansman" are not permitted to be given in many sections in the south, not because there is anything objectionable or suggestive in them, but because where race prejudice is strong it is thought advisable not to have pictures shown where this feeling exists.

"David Copperfield," Charles Dickens' great masterpiece, is being shown today and tomorrow at the Wexford theater in a seven-part production. This is one of the big classics and no doubt Salem lovers of Dickens' works will avail themselves of the opportunity to see this.

Frank A. Pierson, an inmate of the cottage farm branch of the insane asylum, eloped from that institution last evening and has not been apprehended up to a late hour this afternoon. Pierson was formerly a traveling salesman out of Portland, and has been a patient at the asylum for several years. He was a trusty at the farm and harmless. He simply walked away from the institution and was not missed until the supper hour, when he failed to show up.

The Polk-Marion-Yamhill Medical society will meet tomorrow evening at the Beaver hotel, Independence. The program for the evening will be a paper by Dr. Laurence Selling, of Portland, on "Classification of the Nephritis." The speaker of the evening stands high among the medical profession in Portland and is regarded as one of the coming internists. The application for membership of Dr. C. E. Cashatt, of this city, will be considered at this meeting.

The Potato Growers' association of Marion county will meet next Saturday at noon at the rooms of the Commercial club. At this meeting there will be a discussion of the methods of planting and of preparing seed. Those who wish to join the association, in order to be present at the meeting Saturday, should consult with L. J. Chapin, who is secretary, and who has charge of the meeting. W. H. Egan, of Hopmer, is president of the association.

EARLY PIONEER PASSES TO GREAT BEYOND

Mrs. Mary Jane Reed Laid To Rest In Cemetery At Mt. Angel

In the death of Mrs. Mary Jane Reed, which occurred at the Oregon state hospital in this city, last Wednesday afternoon, Marion county lost one of the earliest of the state's pioneer upbuilders and probably the oldest woman in the state. At the time of her death Mrs. Reed lacked but four months of being 102 years of age. She was an old resident of Mt. Angel and was laid to her final rest in the Miller cemetery, there, at 10 o'clock Thursday morning.

Mrs. Mary Jane Reed was born in Tennessee October 18, 1813. She moved with her parents to Missouri where she was married to Zachariah Reed October 1848. They resided there until 1850 when they crossed the plains to Oregon, locating on a farm near Marquam. There she resided until her death. She was the mother of thirteen children, six of whom are living, namely: Mrs. Lydia Abbott, Edwin and Charles Reed, Ellen Covey, Emma Buff and Louis Moloney.

She was one of Oregon's earliest settlers and leaves a host of friends and relatives to mourn her demise. Mrs. Reed had been in very poor health for many years and had suffered a great deal during her latter years, says the Mt. Angel Tribune. Possessing an exceptionally strong constitution Mrs. Reed endured her suffering with patience and little complaint. On account of her age and feeble mental condition she was committed to the state hospital some years ago.

Mrs. Reed was a woman of powerful energy and worked hard all of her life. After the death of her husband she had the responsibility and care of a large family which she provided for well.

Two Men Killed Two Women Injured

Portland, Or., May 2.—Two men were killed and two women injured when a powerful racing machine bound for the Rose City Speedway grazed a small pleasure automobile at East Forty-ninth and Tillamook, with sufficient force to send the smaller car spinning a distance of 35 feet, turning over twice in transit and ending with wheels in the air.

Theodore C. Hyde, a restaurant man and part owner of the automobile struck, was pinned beneath the machine and instantly killed. Harry S. Miller, driver of the machine which ordinarily did duty as a jitney on the Twenty-third street line, was thrown a dozen feet away into the grass of the parking and died while being taken to the Good Samaritan hospital. Mrs. Josephine Spencer, half owner with Mr. Hyde of a restaurant at 30 1/2 North Sixth street, was thrown clear of the car and had several ribs fractured. Miss Anna E. Esterbe, the fiancée of Mr. Miller, was caught beneath the automobile, but except for numerous bruises and a wrenched arm, was uninjured.

Emerson Reid, age 27, an automobile driver for eight years past, was the pilot of car No. 8, a Buick from the Dundee garage, which struck the small five-passenger machine in trying to pass it on the road. He stopped his machine 200 feet further on, sent his mechanics back to investigate the accident, and when they reported that one man appeared to be badly hurt, but that there was not much they could do, rushed on to the speedway. Twenty minutes later he was arrested on the grounds by Detective Captain Baty and taken to the city jail, where he is being held on a charge of involuntary manslaughter, with bail fixed at \$5,000.

Governor Withycombe has appointed E. V. Wright, a graduate of the O. A. C., as agriculturist at the boys' training school, his work having begun Saturday. He will have supervision over all branches of agriculture at the school and will train the boys in how to test milk and cream, graft trees, etc., and will try to arouse interest in agricultural work. He takes the place of the regular farmer employed heretofore at the institution. At a later date a special instructor will be secured for manual training, which will include the simple branches of carpentering and blacksmith work.

A splendid program was rendered at the Social Service meeting at the Unitarian church last evening, and heartily enjoyed by a large and appreciative audience. Mrs. Anna Rogers Fish, in presenting "Androcles and the Lion," by George Bernard Shaw, demonstrated her artistic ability in most charming fashion. The musical numbers by Miss Inez Denison also were most charmingly rendered and much enjoyed. These meetings are growing in popular favor and are evidently filling a need in the life of our city. A civic program will be given next Sunday when Messrs. J. B. A. Mills, B. W. Macy and C. D. Whycock will discuss the question: "Salem Needs a New City Charter." Salem Needs a New City Charter is a vital subject, in which every citizen and taxpayer should be deeply interested.

***** DIED ***** FRYSLIE—At a local hospital, May 2, 1915, Mrs. Belle Fryslie, at the age of 56. Funeral services will be held tomorrow afternoon at the parlors of Webb & Cough, Rev. Hornschurch of Webb & Cough, Ret. Hornschurch officiating. Interment will take place at City View cemetery. Deceased was an active member of the Lutheran church and is survived by a husband and son living four miles southeast of the city on the Markey road.
