Friday, May 5, 1916. On this day the County Roadmaster presents to the Court his plans and specifications for the following named road improvements, viz: In Road Dist. No. 4: Rainier-Aplary Road. In Road Dist. No. 7: Upper Nehalem: Spec. No. 3, above E. Peterson's place. Spec. No. 4, at Dale's Bluff.

And the Court being advised in the matter, it is ordered by the Court that said plans and specifications be approved.

It is further ordered by the Court that call for bids for such improvement be published in two successive issues of the St. Helens Mist, the Rainier Review and the Clatskanie Chief, and that such bids be opened at 2 o'clock P. M., on the 20th day of May, 1916.

Whereupon Court adjourned until Saturday, May 13, 1916.

On Monday active work will be resumed on the construction of the north jetty and about 150 men will be given employment. Deliveries of rock will be made to start with at the rate of approximately 3000 tons a day, but this will be increased as soon as possible. Under the terms of the contract, the repairs to the dredge Chiacok are to be completed so she can resume operations in the channel at the mouth of the river the first of next month. — Astoria Budget.

WHEN YOU HAND OUT YOUR MONEY. be sure you get good, honest value in return for it, and the one thing that we aim to do here is to hand out genuine dollar for dollar; we go on the theory that the customer is always right, and you'll be all right if you buy your next auto accessories here. The service we render is second to none in this man's town and we're making our competitors do midnight mental arithmetic trying to keep up with the pace we are setting. ST. HELEN'S GARAGE. U. S.
