Do Broy Motor Company Motor Cars

Gentlemen: We have found Zerolene to be a satisfactory lubricant for BUICK automobiles and trucks.

From our own experience and the reported experience of Saxon owners in California, we know Zerolene to be a most satisfactory motor oil. We never hesitate recommending it whenever consulted by our owners on the matter of motor oil.

Very truly yours, J.D. Lauppi

Very truly yours, Do Broy

Endorsed by Leading Car Distributors

—because the records of their service departments show that Zerolene, correctly refined from asphalt-base crude, gives perfect lubrication with least carbon deposit

Less wear and more power because Zerolene keeps its lubricating body at cylinder heat. Less carbon because, being made from asphalt-base crude, it burns clean, and goes out on exhaust

Zerolene is the oil for your car—whatever the make—the oil for all types of automobile engines. For correct grade, get our lubrication chart covering your car
