Road to Happiness.

Be amiable, cheerful and good na-tuerd and you are much more likely to be happy. You will find this diffi-cult, if not impossible, however, when you are constantly troubled with con-stitution. Take Chamberlain's Tab-lets and get rid of that and it will be easy. These tablets not only move the bowels, but improve the appetite and strengthen the digestion.

Despite the fact that immense quantities of Douglas fir timbers are being used in shipbuilding and other government projects an adequate supply will be available for all build-ing purposes during the war period, say the lumbermen.
